Sejnost, Sharon Thiese, 2006-08-04 We often hear middle and high school teachers are frustrated because their students can't understand the textbooks or can't write effectively about their particular content. This book will provide both the framework for solving this dilemma and the specific practical classroom practices that teachers can use each day to help students become more competent readers and writers. Douglas Johnson, Assistant Superintendent, Kane County Regional Office of Education, IL. Every middle school and secondary teacher should have a copy of this book. It not only provides the theoretical basis for each strategy but it also provides effective instructions for use of the strategies in the classroom. Dorothy Giroux, Program Director, Initial Teacher Preparation Program, School of Education, Loyola University Chicago. Eager for proven methods to strengthen your students' content literacy. Then this book is a must have for your classroom. Using a step by step approach that makes the strategies easy to understand and implement, the authors provide updated research based strategies that will help increase your students' reading comprehension, strengthen their writing skills, and build vocabulary across content areas. Expanded coverage of content literacy, additional reading and writing strategies for exploring content, and suggestions for working with struggling readers are included in this revised edition. This rich resource also offers Tips for using trade books in the classroom, Graphic organizers to help students recognize text structures, Assessment tools, Technology activities in every chapter, Real classroom examples of how the strategies have been implemented, More ways to evaluate the readability of textbooks, Over 40 ready to use reproducibles. Whether you are getting ready to begin teaching or are a veteran teacher, this accessible, invaluable handbook will give you the tools you need to help your students become lifelong learners.

Common Core State Standards and the Speech-Language Pathologist Lissa A. Power-deFur, 2015-10-01. Common Core State Standards and the Speech Language Pathologist Standards Based Intervention for Special Populations is a tool for the analysis of the Common Core State Standards (CCSS) and the development of interventions to meet student specific needs. The CCSS is an education initiative in the United States that details what K-12 students should understand in English language arts and mathematics by the end of each grade. The initiative seeks to establish consistent education standards across the United States and ensure that graduating students are prepared to enter college or the workforce. As of 2015, forty-three states had adopted the CCSS. With the implementation of the CCSS, it is critical that speech language pathologists collaborate with educators to enable the success of students with communication disorders as well as English language learners. This text offers a practical approach for application of the CCSS with a parallel analysis of children's strengths and needs to create a template for intervention. It addresses strategies to facilitate the success of students in accessing and achieving the expectations of the general curriculum with a focus on students with communication disorders.
