Pee Wee Gaskins John Chandler Griffin, 2010 **Inside the Minds of Serial Killers** Katherine Ramsland, 2006-08-30

There are many cultural myths about serial killers often propagated even by mental health professionals Many assume there is a profile of a serial killer that serial killers always go for the same victim type or always use the same MO that they are more clever than ordinary people and that they are inevitably charming and attractive The truth is not as simple as that There are different types of serial killers and while there are many books that discuss the serial killer phenomenon especially in relationship to victim types or context researchers have not yet been able to come up with a definition or type that covers the broad spectrum of serial killers and their complex psychological dynamics Ramsland looks at the variety of serial killer types illustrating that it is difficult to accurately depict these elusive intriguing and dangerous killers There are many cultural myths about serial killers often propagated even by mental health professionals Many assume there is a profile of a serial killer that serial killers always go for the same victim type or always use the same MO that they are more clever than ordinary people and that they are inevitably charming and attractive The truth is not as simple as that There are different types of serial killers and while there are many books that discuss the serial killer phenomenon especially in relationship to victim types or context researchers have not yet been able to come up with a definition or type that covers the broad spectrum of serial killers and their complex psychological dynamics Ramsland looks at serial killer types illustrating that it is difficult to accurately depict these elusive intriguing and dangerous killers This book examines a variety of serial killers from sexual predators to psychotic killers from murder teams to odd eccentric stalkers in order to present the distinct psychological dynamics that set serial killers apart from other violent murderers Among the motives addressed are lust control glory profit thrill delusions rage the desire for company the need to please a partner and even murder as an intellectual exercise Serial killers live double lives hiding their violence even from those who live with them so along with a study of motives are chapters devoted to how close associates have described killers including parents siblings co workers lovers and survivors There is no profile of a serial killer and this book establishes that in vivid and frightening detail

Oshinsky,2010 A Pulitzer Prize winning historian takes a new and closer look at the Supreme Court s controversial and much debated stance on capital punishment in the landmark case of Furman v Georgia *Pee Wee Serial Killer or Homicidal Maniac* O. Grady Query,2014-03-05 Pee Wee Gaskins killed without hesitation and apparently without remorse over and over again He did so as he meandered in and out of maximum security prisons where he spent more than half of his life Sentenced to reform school at age thirteen he honed his skills in the use of extreme violence The horror of his crimes is played out against the backdrop of one of the most rural areas of South Carolina during the tumultuous change from absolute segregation to forced integration In a lifestyle of absolute lawlessness Gaskins exercised a bizarre charismatic control over the women who surrounded him and ruled his little gang of miscreants with violence and murder Sometimes driving a hearse and bragging of a private graveyard he maintained a macabre and confusing presence to those he encountered Diminutive at five feet three inches and one hundred thirty pounds he feared no man and struck fear in most Undaunted by arrests and imprisonment he conducted a crusade of murder and mayhem over nearly three decades and killed more than fifty people His motives were as varied as his methods Donald Gaskins: the Meanest Man in America Jack Rosewood,2015-09-27 In the world of American serial killers few can beat Donald Henry Peewee Gaskins when it comes to depravity cunning and quite possibly the sheer number of murders Do not let the nickname Peewee fool you if someone did not take Gaskins seriously then that person usually ended up dead In this true crime book about an infamous serial killer you will delve into the mind of a truly twisted man who claimed scores of victims from the 1950s until 1982 which made him the most prolific serial killer in South Carolina history and quite possibly in all of American history Criminal profiling has helped law enforcement capture a number of serial killers throughout history and has also aided mental health professionals understand some of the motives behind their dastardly deeds but in many ways Gaskins defied most profiles The range of Gaskins victims was only equaled by the plethora of reasons he chose to kill many of the murders were done to appease Gaskins unnatural carnal desires while other victims lost their lives during his career as a contract killer Truly in the twisted world of psychopaths and sociopaths Gaskins is definitely in the top tier he was a predator among predators Many of the details of Gaskins life will shock you and still other things will make you horrified by his inhumanity but in the end you will find that it is impossible to put down this captivating read So open the book and your mind to see what you will learn in this truly unique serial killer s biography This is the true story of the Meanest Man In America Donald Henry Gaskins **Final Truth** Pee Wee Gaskins,2021 Final Truth is the story of serial killer Pee Wee Gaskins told in his own words from death row in the months leading up to his execution in the South Carolina electric chair Final Truth reveals in disturbing detail how a five foot three inches tall man from a small country town became one of the most prolific serial killers of the twentieth century During his time on Earth Pee Wee Gaskins married six women and divorced only once He escaped reformatory and prison multiple times worked as a carny fathered many kids drove a hearse spent time in federal prison with notorious New York gangster Frank Costello lead a

stolen car ring became a legendary power man in South Carolina's most brutal prison and left a trail of corpses everywhere he traveled To this day Pee Wee Gaskins remains the only person in American history to kill an inmate on death row the crime for which he was ultimately sentenced to death But beware Final Truth is violent disturbing offensive and terrible It contains nightmarish scenes of murder and ultraviolence not intended for readers younger than 21 years of age or those with sensitive dispositions For those brave enough to read the most outrageous story ever told Final Truth will haunt your heart and terrorize your dreams

PEE WEE Grady Query, 2014-09-15 Volume II of *PEE WEE Serial Killer or Homicidal Maniac* focuses on the courtroom drama of his several trials and appeals Readers that enjoy trial strategy courtroom personalities and the cloakroom maneuvering of the criminal courts will find a plethora of intriguing twists and turns Seemingly foregone outcomes are reversed by national events or by the local politics of the farmlands of South Carolina that stubbornly resist change It is replete with excerpts from actual trial transcriptions and transcripts of out of court statements given under oath Despite his numerous murder convictions Gaskins manages time and again to avoid the death penalty in real life by virtue of unexpected events that could seemingly occur only in fiction Told by an attorney intimately involved in the cases there are pithy descriptions of battles fought in and out of the courtroom on the one hand and on the other of the camaraderie between adversaries Both often lead to unpredictable outcomes Pee Wee Gaskins describes the murders to which he will plead guilty in his own words At the same time by either omission or outright lies he avoids the inclusion of those murders for which he does not want to admit responsibility Finally in one of the most incredible crimes imaginable the tiny killer foils the safeguard systems of a maximum security penitentiary to murder a fellow death row inmate with plastic explosives

Serial Killer Pocketbook G Is for Gaskins Matthew Earl, 2017-05-02 Pee Wee Gaskins was born Donald Henry Gaskins Jr to an unwed mother in rural South Carolina He earned the name Pee Wee due to his small stature and was frequently physically abused by many of his mother's boyfriends throughout his young life When his mother finally did marry Pee Wee's life didn't improve due to the rigid discipline and violent consequences he and his half siblings were subjected to by his new step father The cards were stacked against Pee Wee from the moment he was born

Jerry Brudos Jack Rosewood,2016-08-11 Foot fetishes have been around ever since Victorian men longed for a glimpse of a pretty woman s ankle but American serial killer Jerome Henry Brudos took his fetish for feet to a macabre new level Ever since he discovered his first pair of heels at the neighborhood dump when he was five years old those peep toed black patent leather pumps aroused something sinister especially after his abusive razor edged mother found them and burned his coveted shoes to a crisp while forcing him watched What began as furtive clothesline thefts of ladies panties and bras eventually evolved into a dark fantasyland that would require a human model to display his silky sexy finds Those models of course would never come out of their sessions alive It wouldn t take long until freckled red headed flabby Jerry Brudos now a husband and father of two would find himself unable to control his desire to turn live women into human dolls and a pretty girl selling encyclopedias door to door would become his first murder victim From her after snapping numerous photographs as he dressed and undressed her he took his first trophy a severed left foot amputated while

his victim was still alive After disposing of her body he delighted in slipping that foot into shoes from his collection until it decomposed too much to bring him pleasure Among true crime stories the twisted tale of Jerry Brudos is especially terrifying because he later laughed in interviews about the girls he strangled and raped after they were dead and felt no remorse over taking souvenirs including crime scene photographs and several severed breasts While Brudos was not as prolific as some American serial killers His story goes down as one of the most bizarre in Oregon history and will be a satisfying read for true crime addicts who enjoy not only the underbelly of murder but how far detectives will go to catch a killer

The Life Of Serial Killer Ed Gein Riley Watrs,2021-06-27 Edward Theodore Gein also known as the Butcher of Plainfield or the Plainfield Ghoul was an American convicted murderer and body snatcher To the people of Plainfield Wisconsin Ed Gein was a lonely old bachelor mild mannered by nature perhaps a little dim but altogether harmless a man they could rely on to do odd jobs and to look after their kids Ed could be a little offbeat sure but the stories the local teens told about the shrunken heads he kept hanging beside his bed about the ghoulish figure seen dancing in the moonlight at the Gein property were dismissed with a chuckle and a healthy dollop of skepticism Then on a frigid day in 1957 a search for a missing woman brings police officers to Ed Gein s ramshackle farmhouse What they find inside will send shockwaves reverberating around the world and introduce America to one of the most depraved killers in its history This is the true yet barely believable story of Ed Gein a genuine American psycho

Jeffrey Dahmer Gisela K,2020-09-13 Jeffrey Dahmer was one of the most fascinating memorable and gruesome serial killers in American history who took the lives of 17 young men and boys between 1978 and 1991 Once he was captured and arrested in his one bedroom apartment in Wisconsin on the evening of July 22nd 1991 the true nature of a quiet chocolate factory mixer was exposed after which he was aptly named The Milwaukee Monster and The Milwaukee Cannibal His MO included date rape necrophilia and cannibalism which shocked the world and his family While Jeff was always known as a loner with some strange hobbies no one could have guessed what was festering inside a sad and neglected mind particularly after puberty He had mastered the art of diffusing any suspicions about his behavior using sarcasm and self pity to earn the trust of almost everyone that he had ever encountered He was especially good at getting strangers to come home with him whether it was for business pleasure or both and enjoyed the thrill of hunting for the best looking guy he could find for the purpose of keeping them with me for as long as possible This meant boiling bleaching and painting their skulls which he was planning to turn into a shrine to help him feel more at home and preserving their hands bones and genitals He also kept a stash of Polaroids in his bedroom which depicted the sickening dismemberment process of several victims and served the purpose of pornography for him At first glance his apartment looked quite normal complete with plants a tropical fish tank framed art and a sofa to relax on even though it had a strange smell But officers soon realized that this was nothing more than a fa ade discovering a freshly severed head as they plucked open his fridge complete with a drip tray Detectives described the crime scene as the dismantling of a horror museum where they carried out boxes drawers

a refrigerator a freezer and barrels filled with human remains some fresh some mummified and some neatly wrapped for later consumption In this book we discover just what the man who got a 900 year prison sentence got up to in his spare time and what shaped him as a person This series is written in the classic cut and dry factual narrative that True Crime fans enjoy leaving out distractions opinions and unnecessary embellishments Were there any warning signs of his behavior How did he get away with murder for 13 years How were his victim s bodies never discovered Which victims did he cannibalize and why Why necrophilia What was his motive Let s investigate and find out
