power struggles As Ath na s becomes ever more desperate to hold onto the King s favor innocent love charms move into the realm of deadly Black Magic and Claudette is forced to consider a move that will put her own life and the family she loves so dearly at risk Set against the gilded opulence of a newly constructed Versailles and the War of Theaters THE SHADOW QUEEN is a seductive gripping novel about the lure of wealth the illusion of power and the increasingly uneasy relationship between two strong willed women whose actions could shape the future of France

The Book of the Fay Queen Carl Abrahams, 2012-07-14 This is a book of fairy tales though not a book for children as some tales are quite grim It is a book of short stories set amid a strange world of fairies banshees giants and many creatures of myth There are fewer moral lessons than in many more recent fairy stories and more a tone of older folklore All the tales within have some connection with a spirit known only as the fay queen or the Lady Who or what she is is never made clear but she is undoubtedly a creature of good nature
