**Once I Was Cool** Megan Stielstra, 2021-08-15 Once I Was Cool contrasts past aspirations with the mess and magic of the present In her younger days essayist Megan Stielstra saw Jane s Addiction at the Aragon Ballroom and fantasized about living on the same block right in the thick of music and revelry As an adult she lives in a turreted condo across the street with her husband a child and an onerous mortgage It s just the home her young cool self imagined And it isn t what she expected either With conversational flourishes and on the mark descriptions Stielstra s essays evoke the richness of her everyday life and the memories that are never far away She remembers learning how to shoot a gun a cancer scare and in a piece that was anthologized in *The Best American Essays 2013* the time she eavesdropped on another new mother using her son s baby monitor I shouldn t have listened she writes But it was the first time since my son was born that I didn t feel alone Combining footnotes electric sentences and uproariously funny anecdotes have you ever run into an ex while rolling on ecstasy Stielstra shows us that maturity is demanding but its rewards are a gift

Irene Papoulis, 2023-10-17 The Essays Only You Can Write offers a perspective on essay writing that spotlights a writer's uniqueness. Resisting the perception that personal and academic writing are at odds with one another, it treats the impulse to write personally as potential fuel for a variety of writing purposes. The book encourages students to think like academics pursuing their enthusiasms, trusting their ideas and questioning their conclusions by leading them through three main writing assignments: a personal essay, an essay based on texts, and a research essay. Each chapter offers exercises and strategies for various stages in the pre-writing, drafting, and revision processes. Freewriting, extensive attention to planning, devising a structure and order of ideas that both promote and reflect engagement with a topic, developing rhetorical awareness and knowledge of conventions, and an advocacy for expressive, socially responsible writing are all central elements of the text's instruction. By acknowledging the emotions inherent in the writing process, many of which can muddle thinking, I don't want anyone to see this, what if I make mistakes, what if the writing isn't good, I don't want to be critiqued, etc., Papoulis helps beginning college writers to navigate the psychological as well as the technical roadblocks that can get in the way of their best personal and academic writing.

*Covering Your Campus* Matt Nesvisky, 2008 Newsrooms and campus newsrooms are no exception: they are chaotic, fast-paced, and lively. That's why we love them. But reporting news is an important business, and everyone involved in that business needs some guidance and structure. *Covering Your Campus* provides the advice, rules, guidelines, and encouragement that every campus newspaper staff needs without talking down to students or telling them what to do. The reporters and editors of campus newspapers aren't yet professional journalists, but courts have determined that student journalists share the rights and responsibilities of professionals just as much as campus newspapers are genuine community publications. Laying down the foundation for a healthy publication, *Covering Your Campus* further helps guide students toward making their newspapers and websites even more indispensable to their campus community life. Its aim, which it shares with the student journalists it addresses, is to make the news, opinions, and entertainment offered in student publications reliable and highly esteemed.

**Effective Frontline Fundraising** Jeff Stauch, 2012-01-31 Today nearly every charitable, nonprofit, advocacy group, professional group, and politician relies on the philanthropy of others. Whether it's a private college, a hospital, or museum, a lobbying group, or a local, low-budget food shelf, operational and marketing costs and capital investments are often largely underwritten through the generous support of donors. Nonprofits need some people to write 25 checks on a regular basis, and they need others to make six-figure pledges. The bad news: Since

the economic collapse of 2008 getting people to part with precious dollars has become ever more difficult The good news is that people are still inclined to be generous to organizations causes and candidates they believe in Effective Frontline Fundraising provides the information you ll need to set up and manage an effective development team capable of consistently raising gifts both large and small Effective Frontline Fundraising will not only teach those skills for getting the gift you want in the short run but it will also show how to build a meaningful long lasting relationship between your organization and your donor base This book Shows how to keep that organizational lifeblood cash running through your vital operations Explains how to create a firm foundation from which to solicit funds Provides examples of successful and unsuccessful fundraising messages and plans Teaches you how to ask confidently for gifts from 25 to 1 000 000 or more      *On Anthologies* Jeffrey R. Di Leo,2004-01-01 Over the course of the past twenty five years anthologies have shifted from playing a relatively minor role in academic culture to a position of dominance The essays in this collection explore the significant intellectual economic political pedagogical and creative resonance of anthologies through all levels of academic life They show that anthologies have consequences and are grounded in commitments Striving to articulate these consequences and commitments is a priority in higher education today Most of the contributors to this volume are editors of anthologies and they draw on personal experiences to provide a rare glimpse into the economics and logic of anthology publication Their essays illustrate the ways in which editing an anthology involves negotiation and compromise between intellectual ideal and realistic practice *On Anthologies* includes discussion of a wide range of anthologies used and produced by teachers and scholars Though the emphasis is on literature and theory anthologies the insights in this volume speak to professionals in all areas of academic life Collectively these essays establish the foundation for continuing critical analysis of anthology production and consumption in all disciplines      **Encyclopedia of the Essay** Tracy Chevalier,2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies      **Dictionary of American Biography** ,1929      **The Spectator** ,1889      Some of My Best Friends Tajja Isen,2022-04-19 A fearless funny poignant and super smart Ms magazine essay collection about race justice and the limits of good intentions In this inspiring determined work of personal narrative and cultural criticism Saeed Jones author of *How We Fight for Our Lives* essayist and award winning voice actor Tajja Isen explores the absurdity of living in a world that has grown fluent in the language of social justice but doesn t always follow through These nine daring essays explore the sometimes troubling and often awkward nature of that discord *Some of My Best Friends* takes on subjects including the cartoon industry s pivot away from colorblind

casting the pursuit of diverse representation in the literary world the law's refusal to see inequality and the cozy fictions of nationalism Throughout Isen shows a bracing willingness to tackle sensitive issues that others often sweep under a rug Kirkus Reviews starred review In the spirit of Zadie Smith Cathy Park Hong and Jia Tolentino Isen interlaces cultural criticism with her lived experience to explore the gaps between what we say and what we do what we do and what we value what we value and what we demand *From Me to We* Jason Griffith,2016-08-19 With this practical book you'll learn effective ways to engage students in reading and writing by teaching them narrative nonfiction By engaging adolescents in narrative literary or creative nonfiction they can cultivate a greater understanding of themselves the world around them and what it means to feel empathy for others This book will guide you to first structure a reading unit around a narrative nonfiction text and then develop lessons and activities for students to craft their own personal essays Topics include Engaging your students in the reading of a nonfiction narrative with collaborative chapter notes empathy check ins and a mini research paper to deepen students understanding Helping your students identify meaningful life events recount their experiences creatively and construct effective opening and closing lines for their personal essays Encouraging your students to use dialogue outside research and a clear plot structure to make their narrative nonfiction more compelling and polished The strategies in this book are supplemented by examples of student work and snapshots from the author's own classroom The book also includes interviews with narrative nonfiction writers MK Asante and Johanna Bear The appendices offer additional tips for using narrative nonfiction in English class text and online resources for teaching narrative nonfiction and a correlation chart between the activities in this book and the Common Core Standards *Auto/Biography across the Americas* Ricia A. Chansky,2016-08-05 Auto biographical narratives of the Americas are marked by the underlying themes of movement and belonging This collection proposes that the impact of the historic or contemporary movement of peoples to in and from the Americas whether chosen or forced motivates the ways in which identities are constructed in this contested space Such movement results in a cyclical quest to belong and to understand belonging that reverberates through narratives of the Americas The volume brings together essays written from diverse national cultural linguistic and disciplinary perspectives to trace these transnational motifs in life writing across the Americas Drawing on international scholars from the seemingly disparate regions of the Americas North America the Caribbean and Latin America this book extends critical theories of life writing beyond limiting national boundaries The scholarship included approaches narrative inquiry from the fields of literature linguistics history art history sociology anthropology political science pedagogy gender studies critical race studies and indigenous studies As a whole this volume advances discourse in auto biography studies life writing and identity studies by locating transnational themes in narratives of the Americas and placing them in international and interdisciplinary conversations *Humanities* ,2002 [The Essay in American Literature](#) Adaline May Conway,1914

*Not Funny* Jena Friedman,2024-05-07

Friedman s debut collection Not Funny takes on the third rails of modern life in Jena s bold and subversive style with essays that explore cancel culture sexism work celebrity worship and dead baby jokes In a moment where women s rights are being rolled back fascism is on the rise and so many of us could use a breather as we struggle to get by Jena applies her unique gifts to pull a laugh from things deemed too raw too precious and too scary to joke about She shares her stories of taking on those who told her she was too brash too edgy and too unlikable to make it She deftly dissects how we get coerced into

silence on the issues that matter most until they've gone too far afield to be turned back around again And she shares her struggles to make it ish in a world that more often than not would rather tune out than listen to a woman confronting the indignities we've been told to bear Dust jacket flap     The Law School Buzz Book Carolyn C. ### **Once I Was Cool Personal Essays Introduction**

In today's digital age, the availability of Once I Was Cool Personal Essays books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Once I Was Cool Personal Essays books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Once I Was Cool Personal Essays books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Once I Was Cool Personal Essays versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Once I Was Cool Personal Essays books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Once I Was Cool Personal Essays books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Once I Was Cool Personal Essays books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system.

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Once I Was Cool Personal Essays books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Once I Was Cool Personal Essays books and manuals for download and embark on your journey of knowledge?
