The subject of this book is the translation and appropriation of Chinese poetry by some English and American writers in the early decades of this century. The author explores the concerns as much with English translation of Chinese poetry per se as with the relationship between this body of translation from the Chinese and the developing poetics and practices of what is usually referred to as Imagism as much with the question of historical influence or ascription as with certain interpretive and critical aspects of this correlative relationship. Focusing on the direct influence of Chinese poetry upon the theory and practice of Imagism, attributing to Imagist poets in general and Ezra Pound in particular the perception in Chinese poetry of the essential qualities and principles for rejuvenating English poetry in the early decades of the century. **Kenneth**

Rexroth and James Laughlin Kenneth Rexroth, 1991. Frankly, H. Miller was defended by me only because he spoke against the War and I think that was the main reason for his fame. Now I do not believe what with Palmistry, Chiromancy, Phrenology and the Great Cryptogram he will survive the retooling period. I honestly think he is the most insufferable snob I have ever met, but all reformed pandhandlers are like that. In a letter from Kenneth Rexroth to James Laughlin. *The Message of the Rainsnow*. J. Rainsnow, 2002-02-05. THE MESSAGE OF RAINSNOW, a book which stands by itself, is the inspirational and practical sequel to THE JOURNEY OF RAINSNOW. While the first book presented an esoteric chronicle filled with insights for our times, THE MESSAGE OF RAINSNOW crystallizes the unfolding consciousness of THE JOURNEY into a pragmatic blueprint for achieving global transformation. As many other books, it upholds the values of community, spirituality, and respect for nature, seeing in these elements the pillars of our collective salvation. Unlike other books, however, this one seeks not only to promote these invaluable ideals but to build a concrete bridge from where we are now to where we must go to the new world of the future in which these cherished but distant ideals will finally become reality. Most importantly of all, THE MESSAGE OF RAINSNOW seeks to awaken and to create the living people who will become the embodiment of these indispensable ideals, the advanced guard of our world's march to life. It is a journey and a privilege which begins by reading this book. **The Journey of Rainsnow**. J. Rainsnow, 2002-01-30. The JOURNEY OF RAINSNOW, centuries in the making yet destined for our own times, is an extraordinary book at the same time personal and universal, private and planetary. THE JOURNEY OF RAINSNOW is the story of one man's mystical odyssey of self-discovery as he leaves behind the fetters of his rational past to map out a new territory of life within his heart. It is a story which moves from the hard practical streets of New York City to a New Age awakening driven by paranormal experiences, powerful synchronicities, and a vivid stream of past life memories which give us glimpses of times and places as diverse as ancient Egypt and Greece, feudal Japan and imperial China, Maya and Aztec Mexico, Native North America, and Nazi Germany. As the adventure unfolds, so too do history's most critical lessons and the deepest mysteries of life. THE JOURNEY OF RAINSNOW, destined to be a New Age classic, is truly a must-read for anyone immersed in the search for life's meaning, for anyone committed to the struggle of our world to heal and survive. *The Columbia Granger's Guide to Poetry Anthologies*.
