

The Small Square of Woods

The stories you have heard and the movies you
No dragons, no witches, or trolls have ever
the woods. But that doesn't mean that woods are
simple. Woods can be dark and deep. There can
be magic in the woods. Before you step inside a woods,
read the labels first column on this page. Then
you'll be ready to find your own small square
of woods. Using a string, draw a square the size you want in the
yard. Make your square box at least one foot in it.
The square should be at least four feet (1.2 meters) long
each side—around the size of a four-person elevator.
This square is in a woods where most of the trees
are less than 100 years old. There may be, too, a few
big trees, some young or old trees and so on around the trees in
your square. This way, you will be able to find your
own small square of woods near your house.
The woods near you. Before you leave it, you will
find out to how the woods work. These clues will lead to
many questions and more clues. You will learn the story of
the woods, then—what it was like, what it is like
