you don't get in the game [The Isles of Penicia](#) Jim Keely, 2011-01-21 Your Adventure Begins Penicia is a world far from our own. It abounds with magic, enchanted creatures, perilous dangers, and thrills. The races dwell in peace with each other but constantly contend with the fierce creatures of this vast world. You may face Dragons, Mutant Bats, or the horrific Goblin race bent on world domination. Choose an occupation to excel in: Knight, Savage, Ninja, Enchanter, Alchemist, Mentalist, or many more. Then, by force of will, strength of heart, and courage in your abilities, face the challenges of Penicia. During your travels, you will acquire knowledge, treasures, and enlightenment. You may gain fame and fortune, or you may perish as an unsung hero in the middle of a desert jungle or within the depths of the world. Either way, you shall journey within the infinite realms of the Isles of Penicia.

The Kneeling Warrior David Ireland, 2013-07-09 Success in life requires militancy. Spiritual militancy. A true Christian is called to fight. Yet there are times devout followers of Christ unknowingly allow their warrior instincts to dull. Many of us stand idle while an evil tyrant pilfers our finances, snatches our health, filches our marriages, and makes off with all the promises of the kingdom, the really good stuff God intended for His children. There is good news: God provides an amazing battle plan to regain those things in life that have been snatched away by the enemy of our soul, a strategy that begins and ends with prayer. *The Kneeling Warrior* gives you the tools you need to develop a warrior's mentality and passion in your prayer life in order to launch an all-out spiritual attack against your adversary. It is time to reclaim a fulfilling career, a satisfying marriage, a healthy relationship with your kids, and anything else worth recovering.

American Heroes in the Fight Against Radical Islam Oliver North, 2008 What is a Hero? New York Times best-selling author Oliver North says: Real heroes are selfless. Those who serve America in harm's way in the war against radical Islam have that quality in abundance. And so do their families and loved ones at home. Yet they rarely get the attention or coverage they deserve. Despite the way they are presented by too many in the press and politics, the men and women in uniform today are overwhelmingly good. I never cease to be amazed at the self-discipline of these brave young Americans. They can endure the adrenaline-pumping violence of an enemy engagement and then just minutes later help school children get safely to their classes. No nation ours included has ever had a military force better than the one we have today. I'm proud of them. You should be too. In *American Heroes*, a New York Times, Wall Street Journal, and Washington Post best-seller, North offers an inspiring first-hand account of the extraordinary men and women defending America against radical Islamic terror from his perspective as a forty-year member of the United States military, a member of the National Security Council staff, and serving as the U.S. government's counterterrorism coordinator from 1983-1986. This patriotic book also pulls in new reports and exclusive full-color photographs from *War Stories*, the award-winning FOX News Channel series hosted by North. Endorsements: Oliver North has spent his life among America's heroes. This book, with its moving words and powerful images, will inspire patriots, reassure the faint of heart, and infuriate our nation's adversaries. These are our heroes; they deserve to have their story told, and no one is better to tell it than Col. North, because when it comes to heroes, it takes one to know one. This book is a treasure. Newt
