*Battle of the Books* Lee Burrell, 1989 Examines increasing censorship in public schools describes the objections that lead to censorship and discusses several case studies      **Literature Suppressed on Political Grounds** Nicholas J. Karolides, Margaret Bald, 2014-05-14 Literature Suppressed on Religious Grounds Revised Edition profiles the censorship of many such essential works of literature The entries new to this edition include extensive coverage of the Harry Potter series which has been frequently banned in the United States on the grounds that it promotes witchcraft as well as entries on two popular textbook series The Witches by Roald Dahl Women Without Men A Novel of Modern Iran and more Also included are updates to such entries as The Satanic Verses by Salman Rushdie and On the Origin of Species by Charles Darwin      *One Day in the Life of Ivan Denisovich* Aleksandr Isaevich Solzhenitsyn, 1991 Records a single day in a Stalinist prison camp in 1951 Author claimed this translation the first worthy one into English and the one I have approved      Literature Suppressed on Political Grounds, Fourth Edition Nicholas Karolides, 2019-08-01 Throughout history tyrants totalitarian states church institutions and democratic governments alike have banned books that challenged their assumptions or questioned their activities Political suppression also occurs in the name of security and the safeguarding of official secrets and is often used as a weapon in larger cultural or political battles Literature Suppressed on Political Grounds Fourth Edition illustrates the extent and frequency of such censorship in nearly every form of writing Entries include Animal Farm George Orwell The Appointment Herta and Paul Amirson Collection Born on the Fourth of July Ron Kovic Burger's Daughter Nadine Gordimer Cancer Ward Aleksandr Solzhenitsyn Doctor Zhivago Boris Pasternak The Fugitive Pramoedya Ananta Toer Girls of Riyadh Rajaa Alsanea The Grapes of Wrath John Steinbeck Gulliver's Travels Jonathan Swift The Hate U Give Angie Thomas The Jungle Upton Sinclair Kiss of the Spider Woman Manuel Puig Manifesto of the Communist Party Karl Marx and Friedrich Engels Les Misérables Victor Hugo Mein Kampf Adolf Hitler Slaughterhouse Five Kurt Vonnegut Jr Snow Orhan Pamuk The Struggle Is My Life Nelson Mandela The Things They Carried Tim O'Brien The Van Gogh Plays Václav Havel and more      **Controversial Books in K-12 Classrooms and Libraries** Randy Bobbitt, 2019-10-04 Controversial Books in K 12 Classrooms and Libraries Challenged Censored and Banned analyzes the history of controversy surrounding assigned reading in K 12 classrooms and books available in school libraries Randy Bobbitt outlines the history of book banning and controversy in the United States stemming from 1950s conservative Cold War values of patriotism and respect for authority and ramping up through the 1960s and onward as media coverage and parental intervention into the inner workings of schools increased The author claims that sensitive topics including sexuality suicide and drug use do not automatically imply the glorification of deviant behavior but can be used constructively to educate students about the reality of life Bobbitt argues that in an effort to shield children from the dangers of controversial issues parents and administrators are depriving them of the ability to discover and debate values that are inconsistent with their own and those around them teaching instead that avoidance of different

viewpoints is the solution Scholars of education communication literature and policy will find this book especially useful

**The Pages** Hugo Hamilton,2022-02-01 An entirely original novel in which a book Joseph Roth s masterpiece Rebellion narrates its own astonishing life story from 1930s Germany to the present day at the heart of a gripping mystery A powerful powerful piece of work Colum McCann best selling author of Apeirogon One old copy of the novel Rebellion sits in Lena Knecht s tote bag about to accompany her on a journey from New York to Berlin in search of a clue to the hand drawn map on its last page It is the brilliantly captivating voice of this novel a first edition nearly burned by Nazis in May 1933 that is our narrator Fast paced and tightly plotted The Pages brings together a multitude of dazzling characters real and invented in a sweeping story of survival chance and the joys and struggles of love At its center are Roth an Austrian Jewish author on the run and his wife Friederike who falls victim to mental illness as Europe descends into war With vivid evocations of Germany under Nazism and today The Pages dramatically illuminates the connections between past and present as it looks at censorship oppression and violence Here is a propulsive inspiring tale of literature over a hundred years a novel for book lovers everywhere that will bring a fresh audience to this acclaimed writer

**The Dangerous God** Dominic Erdozain,2017-10-02 At the heart of the Soviet experiment was a belief in the impermanence of the human spirit souls could be engineered conscience could be destroyed The project was in many ways chillingly successful But the ultimate failure of a totalitarian regime to fulfill its ambitions for social and spiritual mastery had roots deeper than the deficiencies of the Soviet leadership or the chaos of a command economy Beneath the rhetoric of scientific communism was a culture of intellectual and cultural dissidence which may be regarded as the prehistory of perestroika This volume explores the contribution of Christian thought and belief to this culture of dissent and survival showing how religious and secular streams of resistance joined in an unexpected and powerful partnership The essays in The Dangerous God seek to shed light on the dynamic and subversive capacities of religious faith in a context of brutal oppression while acknowledging the often collusive relationship between clerical elites and the Soviet authorities Against the Marxist notion of the ideological function of religion the authors set the example of people for whom faith was more than an opiate against an enduring mythology of secularization they propose the centrality of religious faith in the intellectual political and cultural life of the late modern era This volume will appeal to specialists on religion in Soviet history as well as those interested in the history of religion under totalitarian regimes

**Banned Books** Robert P. Doyle,2001 This book includes lists of some of the books from 387 B C to the present time that have been banned or considered controversial

**When Texas Prison Scams Religion** Michael G. Maness,2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and

wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars

**Not Here, Not Now, Not That!** Steven J. Tepper,2011-07-15 In the late 1990s Angels in America Tony Kushner s epic play about homosexuality and AIDS in the Reagan era toured the country inspiring protests in a handful of cities while others received it warmly Why do people fight over some works of art but not others Not Here Not Now Not That examines a wide range of controversies over films books paintings sculptures clothing music and television in dozens of cities across the country to find out what turns personal offense into public protest What Steven J

Tepper discovers is that these protests are always deeply rooted in local concerns Furthermore they are essential to the process of working out our differences in a civil society To explore the local nature of public protests in detail Tepper analyzes cases in seventy one cities including an in depth look at Atlanta in the late 1990s finding that debates there over memorials public artworks books and parades served as a way for Atlantans to develop a vision of the future at a time of rapid growth and change Eschewing simplistic narratives that reduce public protests to political maneuvering Not Here Not Now Not That at last provides the social context necessary to fully understand this fascinating phenomenon **Banned Books, 387 B.C. to 1978 A.D.** Anne Lyon Haight, Chandler B. Grannis, 1978 The materials that publishers booksellers librarians educators writers and readers too must defend in the everyday business of disseminating literature are more open frank and challenging than ever before I hope that this edition of Banned Books will lead readers further into the issues it raises The old basic areas of censorship remain doctrine sex secrecy security The points of conflict keep shifting The bureaucracy but also by the social climates not only by official suppression but by the writer s or editor s expurgation Page ix
