

The background of the entire cover is a grid of squares in various shades of blue, grey, and brown. Overlaid on this are two translucent, overlapping silhouettes of human heads in profile, facing each other. The left silhouette is a lighter, cooler tone, while the right one is a warmer, more golden-brown color. They are positioned such that they appear to be looking at each other, with some overlap in the center.

One Night Stand And Other Poems:

One-night Stand & Other Poems Jack Spicer, Donald Allen, 1980 Poems **One-night Stand & Other Poems** Jack Spicer, 1980 Poems **Robert Duncan** Robert Duncan, 2019-10-22 This volume in the Collected Writings of Robert Duncan series gathers a far reaching selection of Robert Duncan's prose writings including most of his longer and more well known essays along with other prose that has never been widely available Ranging in original publication dates between 1940 and 1985 the forty one titles reveal a great deal about Duncan's life in poetry including his impressions of poets whose work he admires both contemporaries and precursors Evocative and eclectic this work delineates the intellectual contexts and sources of Duncan's poetics and opens a window onto the literary communities in which he participated *A Selected Prose* Robert Duncan, 1995-04-17 A Selected Prose represents the most wide ranging collection to date of Robert Duncan's essays and talks and is a companion volume to the Selected Poems 1993 *One-Night Stand and Other Poems* Arnold T. Schwab, 2014-05-20 Im a big fan of Arnold Schwabs poems devilishly clever and revealing to say the least As a ninety year old myself who hangs on to his sexuality I give a cheer to another ninety year old who refuses to allow himself to be neutered by societys ageist prejudices and writes about his sexuality I cant praise enough these skilful entertaining poems that invite us to peer in through his bedroom window and theres plenty going on there Edward Field I love reading Arnold Schwabs poetry and you will too Witty bracing sexy elegant self deprecating but always honest his verse covers a full range of human experience with a kind eye and understanding heart As a craftsman in the art of poetry hes stingy with words choosing only the fittest Lucky reader see for yourself Leslie B Mittleman Emeritus Professor of English CSULB If A E Housman were alive in the past three decades he would have welcomed Arnold Schwabs keenly crafted and frank observations on life as an aging gay man Literate ironic humorous and at times poignant these poems are a welcome addition to the canon of 21st century poetry Readers of any sexual orientation will find something in them to cherish and relate to Clifton Snider While most writers are past their creative momentum in their eighties Arnold Schwabs pen does not run dry Well into his nineties he continues to write poems with news that stays news contemplating among other themes loves that might have been and recording underexplored frontiers of gay experience in old age Saturated with ever present irony and humor paired with self knowledge and expert skills Schwabs use of vocabulary rhyme and meter creates a generous legacy that contributes to our knowledge of the gay human condition from youth to advanced old age The range of themes in this collection is as impressive as the span of decades and the cultural changes it addresses James Benedict PhD *The Cambridge Companion to Modern American Poetry* Walter Kalaidjian, 2015-01-19 The Cambridge Companion to Modern American Poetry comprises original essays by eighteen distinguished scholars It offers a critical overview of major and emerging American poets of the twentieth century in addition to critical accounts of the representative schools movements regional settings archival resources and critical reception that define modern American poetry The Companion stretches the narrow term of literary modernism

which encompasses works published from approximately 1890 to 1945 to include a more capacious and usable account of American poetry's evolution from the twentieth century to the present. The essays collected here seek to account for modern American verse against the contexts of broad political, social, and cultural fields and forces. This volume gathers together major voices that represent the best in contemporary critical approaches and methods.

Narcissus Sous Rature Jody Norton, 2000 In *Narcissus Sous Rature* Jody Norton argues that Contemporary American poetry's characteristic problematic is the subject's contestation of his discursive condition. While self-comprehension is a central recurrent concern in post-literate poetry, most poetries in English since the Enlightenment have conceived their lyric subjects in accordance with the foundational Western philosophical assumption of the rationality of being. However, after Freud, Heisenberg, Saussure, Derrida, and Lacan, conceptions of the lyric I as representative of a more or less permanent self-conscious and self-possessed personality inhabiting an ontologically dependable natural and historical world in a consistent way are no longer credible. The problems of how to conceptualize the psycho-linguistic structuration of the male putatively masculine subject and his relation to his cultural environment and of how to represent both the subject and his relations in a medium language that is complexly involved in the construction of both the subject and his representation and in a certain sense of the subject as representation emerge for Contemporary poets out of an historic moment particularly strongly marked by theoretical developments in extra-literary fields. Norton asserts that the lyric speaker in Contemporary American poetry cannot be understood unless the explicit and implicit dialogic relations between religious, philosophical, psychological, linguistic, aesthetic, critical, and poetic texts are made central to the interpretive project.

BOOK JACKET Title Summary field provided by Blackwell North America Inc. All Rights Reserved.

The House That Jack Built (New Edition) Jack Spicer, 2025-09-09 *The House That Jack Built* collects for the first time the four historic talks given by controversial poet Jack Spicer just before his early death in 1965. These lively and provocative lectures function as a gloss to Spicer's own poetry, a general discourse on poetics, and a cautionary handbook for young poets. This long-awaited document of Spicer's unorthodox poetic vision, what Robin Blaser has called the practice of outside, is an authoritative edition of an underground classic. Peter Gizzi's afterword elucidates some of the fundamental issues of Spicer's poetry and lectures, including the concept of poetic dictation, which Spicer renovates with vocabularies of popular culture, radio, Martians, and baseball; his use of the California landscape as a backdrop for his poems; and his visual imagination in relation to the aesthetics of west coast funk assemblage. This book delivers a firsthand account of the contrary and turbulent poetics that define Spicer's ongoing contribution to an international avant-garde.

Even Strange Ghosts Can Be Shared Jack Spicer, 2025-09-02 The more than 300 letters collected in *Even Strange Ghosts Can Be Shared* are a crucial component of Jack Spicer's unique oeuvre, and they radiate with the brilliance, ferocity, and vulnerability that characterizes his poetry. Spicer writes tenderly to lovers and friends in a self-reflective series that recall the poetic sequences in *My Vocabulary*, *Did This To Me*, *The Collected Poetry of Jack Spicer*, *Letters to elders*, like Charles Olson.

and Ezra Pound and to poetic collaborators like Robin Blaser and Robert Duncan provide insight into the inner workings of an avant garde and are indispensable documents for students of 20th century American poetry Writing to younger poets Spicer offers inspiring words of mentorship sometimes with a sting about how to live in total devotion to art Spicer's letters paint a unique portrait of the political and personal challenges faced by a gay man at mid century including documents from his involvement in the early gay rights movement The fully annotated letters in *Even Strange Ghosts Can Be Shared* contribute vital details to Spicer's biography *Poet Be Like God* Jack Spicer and the San Francisco Renaissance by Lewis Ellingham and Kevin Killian They stand alongside the recently published *Be Brave to Things* The Uncollected Poetry and Plays of Jack Spicer edited by Daniel Katz as key components of Spicer's inventive and influential writings Readers of Spicer's poetry will delight to find his extraordinary letters previously uncollected and mostly never before published in one volume Publication of this book is funded by the Beatrice Fox Auerbach Foundation Fund at the Hartford Foundation for Public Giving

Radical Affections Miriam Nichols, 2010 In 1950 the poet Charles Olson published his influential essay *Projective Verse* in which he proposed a poetry of open field composition to replace traditional closed poetic forms with improvised forms that would reflect exactly the content of the poem The poets and poetry that have followed in the wake of the projectivist movement the Black Mountain group the New York School the San Francisco Renaissance and the Language poets have since been studied at length But more often than not they have been studied through the lens of continental theory with the effect that these high

My Vocabulary Did This to Me Jack Spicer, 2010-08-15 An extraordinary collection Like the work of Emily Dickinson and W B Yeats Spicer's poems still seem to come from somewhere else Publishers Weekly starred review Winner of the Northern California Independent Booksellers Award for Poetry 2009 Winner of the American Book Award 2009 In 1965 when the poet Jack Spicer died at the age of forty he left behind a trunkful of papers and manuscripts and a few copies of the seven small books he had seen to press A West Coast poet his influence spanned the national literary scene of the 1950s and 60s though in many ways Spicer's innovative writing ran counter to that of his contemporaries in the New York School and the West Coast Beat movement Now more than forty years later Spicer's voice is more compelling insistent and timely than ever During his short but prolific life Spicer troubled the concepts of translation voice and the act of poetic composition itself *My Vocabulary Did This to Me* is a landmark publication of this essential poet's life work and includes poems that have become increasingly hard to find and many published here for the first time One of the most important volumes of poetry published in the past 50 years The poems are simply wonderful and Spicer's mature work is some of the best ever written by an American Ron Silliman author of *N O You finish My Vocabulary Did This to Me* feeling you've come in contact with an original artist and a genuine one You also finish the book thinking that these poems are ready to find a new audience Dwight Garner *The New York Times*

Beamish Boy Albert Flynn DeSilver, 2012-03-29 A

NOTE REGARDING PRICE Proceeds from the sale of each book will be donated to Literacy Recovery and Mindfulness

education programs I was raised in a clock tower with bats in the belfry So begins *Beamish Boy* the harrowing account of Albert Flynn DeSilver's inspirational journey from suicidal alcoholic to Poet Laureate and beyond Though growing up in material privilege in suburban Connecticut in the 1970s and 80s Albert finds himself whirling through an emotional wasteland void of love complicated by his mostly absent alcoholic mother while being raised by a violent Swiss German governess A dramatic downgrade in lifestyle right at adolescence inspires a hasty attraction to alcohol drugs and a series of increasingly shocking adventures Filled with a luminous cast of characters and told with searing honesty and ironic wit *Beamish Boy* is a redemptive story of survival and letting go as we follow Albert from one zany adventure and near death experience to the next He is run over by his best friend after blacking out in a driveway contracts malaria in east Africa and joins a psychedelic therapy cult until he miraculously finds himself through photography poetry and a hilarious awakening at a meditation retreat center realizing finally what it means to be fully alive and to truly love *Beamish Boy* charts a compelling spiritual journey from violence and self annihilation to creativity and self realization Not your typical addiction memoir *Beamish Boy* reads more like a witty and poetic novel offering a profound window into the human condition complete with its tragedies and ecstasies illuminating one man's quest for lasting wisdom *Never by Itself Alone* David Grundy, 2024

Through its comprehensive history of post war queer writing in Boston and San Francisco from the 1940s through the 21st century *Never By Itself Alone* provides a new view of queer history Grundy intertwines analysis of lesbian gay and queer literature of the time centering voices which have not yet before been explored in existing criticism The book elevates the underrepresented work of writers of color and those with gender nonconforming identities underscores the link between activism and literature and insists upon the vital importance of radical accounts of race class and gender in any queer studies worthy of the name **Poet Be Like God** Lewis Ellingham, Kevin Killian, 1998-07-29 The first biography of poet Jack Spicer 1925-1965 a key figure in San Francisco's gay cultural scene and in the development of American avant garde poetics

Unending Design Joseph M. Conte, 2016-05-15 Drawing on the work of contemporary American poets from Ashbery to Zukofsky Joseph M Conte elaborates an innovative typology of postmodern poetic forms In Conte's view looking at recent poetry in terms of the complementary methods of seriality and proceduralism offers a rewarding alternative to the familiar analytic dichotomy of open and closed forms **Paratextual Communities** Susan Vanderborg, 2001 Although interest in paratexts has been increasing *Paratextual Communities* is the first book length study of their role in contemporary American

avant garde poetry Sixteen illustrations enhance this book **BOOK JACKET** **Queer Lyrics** J. Vincent, 2016-09-23 *Queer Lyrics* fills a gap in queer studies the lyric as poetic genre has never been directly addressed by queer theory Vincent uses formal concerns difficulty and closure to discuss innovations specific to queer American poets He traces a genealogy based on these queer techniques from Whitman through Crane and Moore to Ashbery and Spicer *Queer Lyrics* considers the place of form in queer theory while opening new vistas on the poetry of these seminal figures *Roots and Routes: Poetics at New*

College of California Patrick James Dunagan, Marina Lazzara, Nicholas James Whittington, 2020-10-06 *Roots and Routes* gathers essays talks interviews statements notes and other prose writings by poets who studied and or taught at the New College of California s Masters in Poetics program over the course of its nearly 30 year existence The collection evokes a much needed anti hierarchical even anarchic pedagogy in poetry poetics and the literary arts and is part of a general reevaluation of standard higher education models on Creative Writing As such it will appeal to a wide range of students and scholars interested in America s recent literary history as well as to poets outside the academy and the general reader interested in US poetry and poetics **After Translation** Ignacio Infante, 2013-03 Translation from both a theoretical and practical point of view articulates differing but interconnected modes of circulation in the work of writers originally from different geographical areas of transatlantic encounter such as Europe Latin America North America and the Caribbean *After Translation* examines from a transnational perspective the various ways in which translation facilitates the circulation of modern poetry and poetics across the Atlantic It rethinks the theoretical paradigm of Anglo American modernism based on the transnational interlingual and transhistorical features of the work of key modern poets writing at both sides of the Atlantic namely the Portuguese Fernando Pessoa the Chilean Vicente Huidobro the Spaniard Federico Garc a Lorca the San Francisco based poets Jack Spicer Robert Duncan and Robin Blaser the Barbadian Kamau Brathwaite and the Brazilian brothers Haroldo and Augusto de Campos *Encyclopedia of Homosexuality* Wayne R. Dynes, 2016-03-22 First published in 1990 The *Encyclopedia of Homosexuality* brings together a collection of outstanding articles that were at the time of this book s original publication classic pioneering and recent Together the two volumes provide scholarship on male and female homosexuality and bisexuality and reaching beyond questions of physical sexuality they examine the effects of homophilia and homophobia on literature art religion science law philosophy society and history Many of the writings were considered to be controversial and often contradictory at that time and refer to issues and difficulties that still exist today This volume contains entries from M Z
