IN SEARCH OF LOST TIME - Complete 7 Book Collection (Modern Classics Series) Marcel Proust, 2023-12-11

Marcel Proust's monumental work *In Search of Lost Time* explores the intricacies of memory, time, and human experience across its seven-volume collection. Written in a distinctive introspective style characterized by lengthy and intricately structured sentences, Proust immerses readers in the narrative tapestry of his characters' lives. The work encapsulates the essence of the modernist literary movement, delving into themes of self-reflection, social dynamics, and the often elusive nature of happiness, all set against the backdrop of early 20th-century French society. Each volume intricately layers Proust's rich prose with philosophical inquiries, creating a profound exploration of consciousness and the passage of time. Marcel Proust (1871-1922), a French author and critic, was deeply influenced by his own experiences with love, loss, and the social stratifications of his time. Proust's bourgeois upbringing, coupled with his keen observation of the Parisian elite, informs the depth and authenticity of the novel's characters and settings. His multifaceted exploration of these themes reflects his own struggles with illness and the fleeting nature of personal reflections, prompting his desire to encapsulate fleeting moments and memories through literature. *In Search of Lost Time* is a literary odyssey that transcends mere
