Online Book Jesus Critical Feminist Christology Cornerstones

Katrin Zwirgmaier

Online Book Jesus Critical Feminist Christology Cornerstones:

Toward a Priestly Christology Adriani Milli Rodrigues, 2018-11-02 Toward a Priestly Christology is a constructive theology on the person and work of Christ from the standpoint of a systematic thinking about his priesthood This priesthood is usually discussed in biblical scholarship on the Christology of Hebrews and also explored in historical or systematic theology with its connections with soteriology and ecclesiology However there is a scarcity of studies that attempt to systematize this topic in its basic components and their ontological foundations in order to provide conceptual clarity for a constructive discussion of the priestly Christology in systematic theology The book makes a contribution to this discussion by engaging firstly with the main models of Christ s priesthood in Christian theology and then with a theological reading of the letter to the Hebrews In both steps the author conceptually articulates the priesthood in terms of need agent actions and goal Then he observes the conceptual articulation from the macro hermeneutical point of view of ontology especially noticing how assumptions on time and space impact the internal logic of Christ s priesthood By using existing models of this priesthood as heuristic tools for systematic thinking the work attempts to push Christian theology toward a more dynamic understanding of Christ s priesthood especially regarding the relationship between the ascended Christ and our Christian life **The Disappearance**

of Eve and the Gender of Christ Kevin Carnahan, 2025 By assigning responsibility for sin to Adam and credit for salvation to Christ Paul removed Eve from salvation history This book revises Paul s original formula and with it common claims about Christ s sex and gender It accepts Christ as both the new Adam and the new Eve and accepts that Christ is theologically speaking trans *The Great Open Dance* Jon Paul Sydnor, 2024-04-24 The Great Open Dance offers a progressive Christian

theology that endorses contemporary ideals environmental protection economic justice racial reconciliation interreligious peace gender equality and LGBTQ celebration Just as importantly this book provides a theology of progress an interpretation of Christian faith as ever changing and ever advancing into God s imagination Faith demands change because Jesus of Nazareth started a movement not a tradition He preached about a new world the Kingdom of God and invited his followers to work toward the divine vision of universal flourishing This vision includes all and excludes none Since we have not yet achieved the world that Jesus describes we must continue to progress The energizing impulse of this progress is the Trinity Abba Jesus and Sophia three persons united by love into one perfect community God is fundamentally relational and humankind made in the image of God is relational as a result We are inextricably entwined with one another sharing a common purpose and a common destiny In this vision we find abundant life by practicing agape the universal unconditional love that Abba extends Jesus reveals and Sophia inspires **American Book Publishing Record**, 2005 **Jesus:**

Miriam's Child, Sophia's Prophet Elisabeth Schüssler Fiorenza, 2015-11-19 In *Jesus Miriam's Child Sophia's Prophet* Elisabeth Schüssler Fiorenza makes a unique contribution to two quite different discussions of Jesus the Christ On the one hand she looks at biblical christology from a critical feminist perspective in the tradition of liberation theology On the other

she examines the feasibility of a feminine christology by considering such problems as Christian anti Judaism ideological justification of domination religious exclusivism and the formation of patriarchal identity Re imagining the Jesus movement in a feminist key transcends the boundaries set by history gender and doctrine By assessing various Jesus traditions and interpretations in terms of whether they can engender liberating visions for today Sch ssler Fiorenza seeks to challenge and transform a Christianity dominated by masculinity and exclusivist theological frameworks so that it offers a vision of justice and well being for all the central image in which is the reign the coming world of God This Cornerstones edition features a new extended introduction which takes into account the developments in the field since the work was originally published in 1994 *Hebrew Texts in Jewish, Christian and Muslim Surroundings* ,2018-01-03 Hebrew Texts in Jewish Christian and Muslim Surroundings offers a new perspective on Judaism Christianity and Islam as religions of the book Their problematic relation seems to indicate that there is more that divides than unites these religions The present volume will show that there is an intricate web of relations between the texts of these three religious traditions On many levels readings and interpretations intermingle and influence each other Studying the multifaceted history of the way Hebrew texts were read and interpreted in so many different contexts may contribute to a better understanding of the complicated relation between Jews Christians and Muslims These studies are dedicated to Dineke Houtman honouring her work as professor of Jewish Christian relations

Doing Theology in Context John W. De Gruchy, Charles Villa-Vicencio, 1994 [Forthcoming Books](#) Rose Army, 1990 [Index to Book Reviews in Religion](#) , 1999 [Books in Print](#) , 1993-09 V 1 Authors A D v 2 Authors E K v 3 Authors L R v 4 S Z v 5 Titles A D v 6 Titles E K v 7 Titles L Q v 8 Titles R Z v 9 Out of print out of stock indefinitely v 10 Publishers **Paperbound Books in Print** , 1992 **Whitaker's Books in Print** , 1998 [Paperbound Books in Print 1995](#) Reed Reference Publishing, R5ference Reed, 1995-12 **Reconstructing the Christ Symbol** Maryanne Stevens, 2004-10-15 This book includes essays from a diverse group of female Biblical scholars who each bring a unique perspective to the idea of Jesus as a feminist **Arts & Humanities Citation Index** , 1988 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world s leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals

White Women's Christ and Black Women's Jesus Jacquelyn Grant, 1989 Christology is especially problematic for feminists Because Jesus was undeniably male and because the Christian church claims him as the unique God bearer feminist christology confronts the dual tasks of explaining the significance of a male God bearer for women and creating a christological model adequate to feminist experience Jacquelyn Grant rehearses the development and challenges of feminist christology and argues that because it has reflected the experience of White women predominantly it fails to speak to the concerns of non white and non western women In response to this failure Grant proposes a womanist theology and christology that emerge from and are adequate to the reality of contemporary Black women **Introducing Feminist**

Christologies Lisa Isherwood, 2002-03-01 This volume critically engages with the problems traditional Christology raises for feminist theology It also explores the creative engagements of feminist theologians with the person of Jesus *Humanity Has Been a Holy Thing* Ellen K. Wondra, 1994 This book explores the development of Christology by major white North American feminist theologians placing the Christologies of Rosemary Radford Ruether Carter Heyward Patricia Wilson Kastner and Marjorie Suchocki within the context of their overall theologies Wondra further examines the meaning and importance of women's experience in feminist theology This work is self consciously located at the juncture of contemporary theology and contemporary feminist theory and uses a conversational method to examine proposals in Christology that are aspects of more comprehensive systematic feminist constructive theologies Contents Preface Introduction PART I THE FEMINIST CHRISTOLOGICAL PROBLEM Toward an Adequate Feminist Christology Methodology PART II THE RELATION OF WOMEN'S EXPERIENCE TO CHRISTOLOGY The Construction of Women's Experience in Feminist Theory and Theology Resistance and Transformation as Religious Experience The Relation of Women's Experience to Christology PART III TOWARD CONTEMPORARY FEMINIST CHRISTOLOGY The Paradigmatic and Prophetic Christ The Decisive Representation of Self Giving Love The Revelation of God to Us Christ Mutuality and Justice Wisdom Logos Christology in Feminist Perspective The Representation of Renaissance and Transformation Bibliography Index *Faith, Feminism, and the Christ* Patricia Wilson-Kastner, 1983

Jesus and the Feminists? Margaret Elizabeth Köstenberger, 2008-10-17 This resource provides a detailed survey and critique of various feminist interpretations of Jesus and offers a biblical view of men and women in the church and home The feminist movement has affected every aspect of political and social America and Christians are becoming increasingly aware of how this movement has impacted the church The feminist movement has changed the way evangelicals view not only themselves but also the very Word of God Jesus and the Feminists begins by offering a brief survey of the feminist movement revealing the radical misunderstanding of Jesus that has resulted from this movement Köstenberger then critiques the relevant works of well known feminist scholars and the ways they interpret certain passages of Scripture related to Jesus and his approach to women This practical resource points the way to a better understanding of the biblical message regarding Jesus' stance toward women and offers both men and women a biblical view of their roles in the church and the home

Online Book Jesus Critical Feminist Christology Cornerstones Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever.
