

The background of the cover is a painting depicting a large crowd of people, likely ancient Americans, seen from behind. They are looking towards a bright, hazy horizon where a sun or moon is setting or rising, creating a golden glow. The people are wearing various types of headgear and clothing, suggesting a diverse ancient culture. The overall mood is one of anticipation and hope.

 Peter Williams,2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a  
 falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being  
 fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could  
 not even recognise this or that Christ s return is therefore now almost upon us How and why this is the case is here  
 explained thoroughly and logically with many examples directly from the word of God In God s saving plan for the world  
 everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the  
 kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the  
 biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged  
 about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but  
 remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know  
 of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major  
 challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls  
 Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected  
 but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach  
 nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely  
 staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer  
 believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this  
 in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life  
 prospects for that      **The Sacred Books of the Old and New Testament, Recited at Large:** ,1739
