**Curio** Evangeline Denmark, 2016-01-05 Curio written by Evangeline Denmark is the story of Grey Haward's struggles to keep her friends and family safe from their totalitarian government while she's at home and from afar. After her friend Whit is taken by a patrol for breaking curfew, Grey is willing to give him her ration of the potion that allows citizens to digest their food, believing she is like her grandfather and father who don't need the potion. After being accused of ration dealing, Grey is on the run and becomes trapped in Curio City with the upper class Porcies and ragged lower class clockwork people. She is befriended by another trapped human, Blaise, and they must escape together or the porcelain Lord Blueboy will try to take her power of being unbreakable by force. Grey needs to return to her own world before her friends and family lose their lives.

Mark of Blood and Alchemy Evangeline Denmark, 2015-09-29 In this novella, a prequel to the YA fantasy novel Curio by Evangeline Denmark, after losing his family to a devastating plague, Olan is saved by a group of magickers who are searching for the cure. But as he accompanies his rescuers to their alpine clinic, mysteries arise surrounding their potions and powers of alchemy. Especially after Olan notices a deep division forming between those who seek to defend the purity of the healing alchemical work and those who wish to wield it as a powerful weapon, Olan is thrust into the midst of this dissension after he discovers he is somehow special, chosen as a guardian like the clinic's founder. As he spends time with two of his rescuers, Auriana, who has a strong healer's gift and beauty to match, and Alaric, a brooding young man wrestling with his father's cruel beliefs, Olan realizes he may have the power to direct the course of blood and alchemy and possibly find a third way forward. Introducing readers to the fantastical world of Curio, this novella is wrapped in mystery, adventure, and intrigue. **Normal**
