Perfect Match Jodi Picoult, 2002-05-03 Picoult brings to life a female prosecutor whose cherished family is shattered when she learns that her five year old son has been sexually abused What does it mean to be a good mother How far would you go in the name of love and justice In the course of her everyday work career driven assistant district attorney Nina Frost prosecutes child molesters and works determinedly to ensure that a legal system with too many loopholes keeps these criminals behind bars But when her own five year old son Nathaniel is traumatized by a sexual assault Nina and her husband Caleb a quiet and methodical stone mason are shattered ripped apart by an enraging sense of helplessness in the face of a futile justice system that Nina knows all too well In a heartbeat Nina s absolute truths and convictions are turned upside down and she hurtles toward a plan to exact her own justice for her son no matter the consequence whatever the sacrifice

**The Jodi Picoult Collection #2** Jodi Picoult, 2012-10-23 Three of bestselling author Jodi Picoult s compelling novels together in this ebook collection Perfect Match In the course of her everyday work career driven assistant district attorney Nina Frost prosecutes child molesters and works determinedly to ensure that a legal system with too many loopholes keeps these criminals behind bars But when her own five year old son Nathaniel is traumatized by a sexual assault Nina and her husband Caleb a quiet and methodical stone mason are shattered ripped apart by an enraging sense of helplessness in the face of a futile justice system that Nina knows all too well In a heartbeat Nina s absolute truths and convictions are turned upside down and she hurtles toward a plan to exact her own justice for her son no matter the consequence whatever the sacrifice Second Glance Second Glance an eerie and engrossing work delves into a virtually unknown chapter of American history Vermont s eugenics project of the 1920s and 30s to provide a compelling study of the things that come back to haunt us literally and figuratively Do we love across time or in spite of it My Sister s Keeper My Sister s Keeper examines what it means to be a good parent a good sister a good person Is it morally correct to do whatever it takes to save a child s life even if that means infringing upon the rights of another Is it worth trying to discover who you really are if that quest makes you like yourself less Should you follow your own heart or let others lead you Once again Jodi Picoult tackles a controversial real life subject with grace wisdom and sensitivity Perfect Match Jodi Picoult, 2007-06 Attorney D A Nina Frost sees a parent s worst nightmare firsthand she prosecutes child molesters and she s seen one too many walk free But when her own five year old son becomes a victim Nina is determined to do whatever it takes to find the assailant no matter the consequence
