**The White Spaces of Kenyan Settler Writing** Terrence L. Craig, 2017-03-27 The White Spaces of Kenyan Settler Writing provides an overview of Kenyan literature by white writers in the half century before Independence in 1964 Such literature has been overshadowed by that of black writers to the point of critical ostracism It deserves attention for its own sake as the expression of a community that hoped for permanence but suffered both disappointment and dispossession It deserves attention for its articulation of an increasingly desperate colonial and Imperial situation at a time when both were being attacked and abandoned in Africa as in other colonies elsewhere and when a counter discourse was being constructed by writers in Britain as well as in Africa Kenya was likely the best known twentieth century colony for it attracted publicity for its iconic safaris and its Happy Valley scandals Yet behind such scenes were settlers who had taken over lands from the native peoples and who were trying to make a future for themselves based on the labour willing or forced of those people This situation can be seen as a microcosm of one colonial exercise and can illuminate the historical tensions of such times The bibliography is an attempt to collect the literary resources of white Kenya in this historically significant period The American Villain Richard A. Hall, 2020-12-02 The American Villain Encyclopedia of Bad Guys in Comics Film and Television provides one go to reference for the study of the most popular and iconic villains in American popular culture Since the 1980s pop culture has focused on what makes a villain a villain The Joker Darth Vader and Hannibal Lecter have all been placed under the microscope to get to the origins of their villainy Additionally such bad guys as Angelus from Buffy the Vampire Slayer and Barnabas Collins from Dark Shadows have emphasized the desire for redemption in even the darkest of villains Various incarnations of Lucifer Satan have even gone so far as to explore the very foundations of what we consider evil The American Villain Encyclopedia of Bad Guys in Comics Film and Television seeks to collect all of those stories into one comprehensive volume The volume opens with essays about villains in popular culture followed by 100 A Z entries on the most notorious bad guys in film comics and more Sidebars highlight ancillary points of interest such as authors creators and tropes that illuminate the motives of various villains A glossary of key terms and a bibliography provide students with resources to continue their study of what makes the baddest among us so bad AB Bookman's Weekly, 1997 *Disney A to Z: The Official Encyclopedia, Sixth Edition* Steven Vagnini, Dave Smith, 2023-09-26 If you're curious about The Walt Disney Company this comprehensive newly revised and updated encyclopedia is your one stop guide Filled with significant achievements short biographies historic dates and tons of trivia worthy tidbits and anecdotes this newly updated collection covers all things Disney from A to Z through more than nine thousand entries and two hundred images across more than a thousand pages The sixth edition includes all the major Disney theme park attractions restaurants and shows summaries of ABC and Disney television shows and Disney series rundowns on all major films and characters the latest and greatest from Pixar Marvel and Lucasfilm key actors songs and animators from Disney films and shows and so much more Searching for
