Church Camp Cara Meredith,2025-04-29 Excavating a sometimes wacky and equally harmful part of white Evangelical culture Roasted marshmallows campfire stories shaving cream battles for some of us Christian summer camp is where we felt most at home where we could be the most authentic versions of ourselves But for campers at white Evangelical church camps in particular camp was also often the place to inherit a toxic image of God and of each other From purity motivated admonitions not to make purple to the emotional manipulation of Cry Night to the utter lack of diversity among campers and staff the culture of white Evangelical camps has too often betrayed a generation In Church Camp longtime camp speaker Cara Meredith exposes the ways in which white Evangelical camps sold individualized versions of Jesus to impressionable

youth Campers were forced to sit with their sin so they could fully understand God's conditional love. Camp life emotionally coaxed campers into making a formative commitment to Christ and therefore to white Evangelical subculture. Further, camps commodified the faith of these young people to bolster their own funding and power. Along the way, Meredith weaves in notable history of the camping movement, revivalism, and white Evangelicalism. She asks profound questions about who God is and what it means to be human. Following the progression of a typical week at camp, Church Camp weaves together Meredith's own story and the powerful stories of dozens of other former campers and camp staff members. Along the way, she invites us into the tension of accounting for our past while moving toward a better future. Whether you went to church camp or not, whether you loved camp or hated it, Church Camp will peel back the layers, hold the powerful accountable, and help you envision a more vibrant, loving, and inclusive faith.
