Religious and Theological Abstracts ,2003 Global Voices on Biblical Equality Aída Besançon Spencer,William David

Spencer, Mimi Haddad, 2008-08-18 *Global Voices on Biblical Equality* is a fresh look at the contextualizing of gender equality throughout the world. Biblical equality is a burgeoning global reform movement led by scholars and leaders not only in North America but also on every continental landmass in the world. In this book, female and male writers who are ethnically part of every continent explore the contextual challenges, successes, and adaptations of engaging the biblical text on gender and ministry. The contributors write on Asia and Asian America, India, China, Korean America, Africa, Zimbabwe, and African America, Indigenous America, and Latin America, Native America, Hispanic America, Brazilian America, and Western Europe and Australia and North America. The editors and authors are Aida Besancon Spencer, William David Spencer, Ranked Adjunct, and Mimi Haddad. Other contributors are Ellen Alexander Beulah Wood, Cecilia Yau, Matthew D. Kim, Constantine M. Murefu, Darin Vincent Poullard, Sandra Gatlin Whitley, Awilda Gonzalez Tejera, John Runyon, and Eliana Marques Runyon. **Reconstructing Church** Todd Grant Yonkman, 2014-08-06. The general decline of American mainline Protestant churches today is well documented. Church redevelopment, imagining and actualizing new life for dying churches, is a productive and vital response to congregational decline, but it can be daunting. Here is a guidebook for church leaders to help them reinvigorate their churches with both practical advice and tested theory. A comprehensive case study of Beneficent Congregational Church, which successfully turned the tide and quadrupled its worship attendance, provides inspiration as well as concrete strategies for church redevelopment. The study indicates that successful and faithful church redevelopment involves a shift from a modern patronage ministry model to a postmodern plural ministry model. Building on current church redevelopment literature by bringing selected Biblical and theological texts into conversation with leadership concepts, systems theory, social sciences, and congregational studies, this book creates a multidisciplinary transformative conversation. The result is both strategic proposals for growing your church and a model for doing practical theology in your own ministry context. Dedicated, trained leadership in cooperation with the power of the Spirit can create the possibility of new life in dying congregations.

*The Future of the Global Church* Patrick Johnstone, 2011-11-01. Where are we headed? In *The Future of the Global Church*, Patrick Johnstone, author of six editions of the phenomenal prayer guide *Operation World*, draws on his fifty years' experience to challenge us with his bold vision of the global Christian church. *The Future of the Global Church* weaves together the strands of history, demographics, and religion to present a breath-taking, full-colour graphical and textual overview of the past, present, and possible future of the Church around the world. *Pentecostal Preaching and Ministry in Multicultural and Post-Christian Canada* Steven M. Studebaker,2019-11-07 Over the past forty years Canada has become an increasingly secular multicultural and religiously plural society Indeed the church in Canada and Pentecostals in particular face a challenging context for responding to the call to bear witness to Christ in the power of the Holy Spirit Like the disciples on the day of Pentecost however we need the Holy Spirit to come upon us and liberate us from our post Christian pessimism We need the Holy Spirit to enable us to proclaim the gospel to the nations people that are no longer at the ends of the earth but making their home in Canada This book engages this new context and considers and proposes ways that pentecostal Christians and churches can respond to the challenges of the increasingly post Christian multicultural secular and religiously plural context of Canadian society **Transcending Architecture** Julio Bermudez,2015 Please fill in marketing copy
