Missing Arlyn Atadero,2017-02-07 Discover the bombshell cold case that rocked the state of Colorado for five years and changed the way many viewed their world forever On October 2nd 1999 3 year old Jaryd Atadero vanished on a group hike in the Comanche Peak Wilderness As hours turned into days and days into months Jaryd s father Allyn goes through hell and high water to combat nightmarish circumstances hindering the search threatening the very core of his existence circumstances which would bring most ordinary people to the breaking point and beyond Sound like fiction It isn t And it s only the very tip of the iceberg But underlying the tragedy is an insurmountable hope that can only come from above and a sustaining love that redefines what it means to be a follower of Christ in the throes of losing the most precious thing on earth to a parent Missing When the Son Sets lets you step into the heart and soul of Allyn and his family as they struggle to come to grips with a mystery that remains unsolved to this day Including the real police reports and letters from those involved in the search You get an unfiltered look at how emotionally exhausting it is to lose a child How did Jaryd vanish Who or what took him The book will leave you with more questions than answers but with a heightened sense of the reality we live in This is the most emotionally challenging book I have ever read There were parts that left me feeling drained and others that left me downright angry If I had been in Allyn s shoes when he had to confront some of the situations he was faced with I d still be on probation Do yourself a favor and pick up this book Despite the tragic nature of the story the grating frustrations faced by the Atadero family and those who fought for them there is a strong inspirational foundation that will leave you strengthened in the end Zebulon Rogers
