Mission In The Old Testament Israel As A Light To The Nations:

Mission in the Old Testament Walter C. Kaiser, 2000-04 This capable treatment contends that the missionary mandate does not begin with the Great Commission but runs through the entire Old Testament *A light to the nations; a study of the Old Testament conception...* Robert Martin-Achard, 1962 *The Old Testament in the Life of God's People* Jon Isaak, 2009-06-30 This book celebrates the contributions to Old Testament theology of Elmer A. Martens, President and Professor of Old Testament at Mennonite Brethren Biblical Seminary, Fresno, California, both positions now Emeritus. It includes 3 essays written by Martens himself as well as 15 others written by his former students, colleagues, friends, and even one of his professors. The essays are clustered around three topics Christians use of the Old Testament aligning God's people with God's call for justice and addressing the issue of land in the life of God's people, each of which reflects an area of special interest to Martens. A biographical sketch, a list of the honoree's varied publications, and indexes are included. Martens has had a productive career as teacher, author, and preacher, a career spanning almost six decades and five continents. After 40 years of seminary teaching, Elmer is known to many as professor. He taught his signature class, Old Testament theology, from 1968 to 2004 at Mennonite Brethren Biblical Seminary, shaping an entire generation of preachers and Bible teachers. His Old Testament theology textbook, *God's Design*, now in its third edition, continues to be used at the seminary as well as in translation in numerous other schools around the world. *Theology of Mission* J. D. Payne, 2022-02-16 God's mission is on every page of Scripture. In *Theology of Mission: A Concise Biblical Theology*, J. D. Payne traces the theme of mission throughout Scripture. The Bible is a story of God's mission; God takes initiative to dwell with humanity. He desires to be known. To this end, he sends and is sent. Through Christ, God redeems sinful humans and recreates the cosmos. And he has invited his people to join in this mission. Payne shows that God's mission is on every page of the Bible and is foundational to the church's own existence. With reflection questions following concise chapters, all readers can consider their place in God's work. *Mission after Pentecost (Mission in Global Community)* Amos Yong, 2019-10-15 Bringing Pentecostal theology into the Bible and mission conversation, Amos Yong identifies the role of the divine spirit in God's mission to redeem the world. As he works through the Bible from Genesis to Revelation, Yong emphasizes the global missiological imperative: People of all nations reaching out to people of all nations. Sidebars include voices from around the globe who help the author put the biblical text into conversation with twenty-first century questions, offering the church a fresh understanding of its mission and how to pursue it in the decades to come. **Contextualization and the Old Testament** Jerry Hwang, 2022-09-26 Christianity is often viewed in Asia as a Western imposition. Challenging this, Dr. Jerry Hwang examines the Old Testament's cultural engagement of its ancient Near Eastern context, arguing that Scripture itself provides the ultimate model for contextualizing theology in Asia. While it is common for missiological studies to ignore the Old Testament in their discussion of contextualization, truly biblical contextualization must include the whole Bible, not simply the New Testament. This study

provides insightful discourse between the Old Testament and various Asian contexts while demonstrating how Asian perspectives can help overcome the Eurocentrism prevalent in Old Testament scholarship This is an ideal resource for scholars and practitioners interested in a biblical perspective of contextualization especially as related to constructing theology that honors the truth of Scripture in the context of Asia **Old Testament Theology** Robin Routledge,2020-05-21

Numerous useful books on Old Testament theology are now available However they often give too much information or too little Some can seem large and daunting to the ordinary student or pastor and because of their layout information may be hard to access Others take a more introductory approach and do not deal with many of the theological issues and questions that the Old Testament raises Robin Routledge s aim is to bridge this gap He provides a substantial overview of the central issues and themes in Old Testament theology in the main body of the text with more detailed discussion and references for further reading in the footnotes His purpose is to examine the theological significance of the various texts in their wider canonical context noting unity and coherence within the Old Testament and to some extent between the Old and New Testaments whilst also being aware of diversity A brief outline of the relationship between exegesis and biblical theology within the overall task of interpreting and applying biblical material is given in the first chapter His hope as a Christian minister is that while this volume has grown out of a teaching context and is intended for students it will also be of benefit to others who want to take the theological content of the Old Testament seriously and to apply its message to the life and ministry of the church today *The Missions and Missional Purpose of Ephesians* Timothy A. van Aarde,2023-01-12

The purpose of the letter to the Ephesians is unknown The book suggests that the purpose of Ephesians is about missions and being missional The author of Ephesians committed the task of missions to the church The author located the mission of the church in the redemptive plan of God The redemptive plan oikonomia of God consists of historical epochs of missions the mission of Israel the mission of Christ the mission of the disciples the mission of the apostles and the mission of the church The term missional has been used ambiguously The existence of a distinction between the mission of the church and missional church is demonstrated and both expressions of mission are grounded in the biblical text of Ephesians The mission of the church is grounded in an exposition of Eph 1 3 and the missional church is grounded in an exposition of Eph 4 6 The author of the letter intended for the mission to the nations to be continued by the church this is the mission of the church He intended for the members of the church to continue to reach out to their local community this is expressed by the missional church The mission of the church has been grounded in the Great Commission The missional church is grounded in the values morals and lifestyle principles set out in Eph 4 6 Biblical Missions Thomas Nelson,2025-02-25
