The Time Keeper Mitch Albom, 2013 The inventor of the world's first clock is punished for trying to measure time He's banished to a cave for centuries At last Father Time is granted his freedom and a mission a chance to redeem himself by teaching two people the meaning of time The Time Keeper Mitch Albom, 2012 Given one last chance at redemption Father Time the inventor of the world's first clock must teach two earthly people the true meaning of time a journey that leads him to a teenage girl who is about to give up on life and a wealthy businessman who The Time Keeper Mitch Albom, 2012-09-04 From the author who s inspired millions worldwide with books like Tuesdays with Morrie and The Five People You Meet in Heaven comes his most imaginative novel yet The Time Keeper a compelling fable about the first man on Earth to count the hours The man who became Father Time In Mitch Albom's exceptional work of fiction the inventor of the world's first clock is punished for trying to measure God's greatest gift. He is banished to a cave for centuries and forced to listen to the voices of all who come after him seeking more days more years Eventually with his soul nearly broken Father Time is granted his freedom along with a magical hourglass and a mission a chance to redeem himself by teaching two earthly people the true meaning of time He returns to our world now dominated by the hour counting he so innocently began and commences a journey with two unlikely partners one a teenage girl who is about to give up on life the other a wealthy old businessman who wants to live forever To save himself he must save them both And stop the world to do so Told in Albom s signature spare evocative prose this remarkably original tale will inspire readers everywhere to reconsider their own notions of time how they spend it and how precious it truly is The Tyranny of Speed: How to Reclaim Your Time in a Hurried World Sandy Clarke, Eugene Tee, 2025-09-12 The Tyranny of Speed How to Reclaim Your Time in a Hurried World draws on psychological research mindfulness and personal experience encouraging readers to reconsider the societal narratives around productivity and redefining our relationship with the prevailing culture of immediacy and perpetual busyness At its heart The Tyranny of Speed invites us to step off the treadmill of relentless striving to savour the beauty in everyday moments and to cultivate a mindful and ultimately more meaningful way of being Through their reflections and insights the authors offer readers valuable strategies to create a life with increased purpose and contentment in an age of shallow Tacking into the Wind Dick Vander Woude, 2015-04-14 I joined the teachers revolution of the 60s expecting distraction to work for a just and honored profession Colliding symbiotic values fomented into the experiences that defined my future The established order asked us to comply and compromise Idealism required us to accommodate pragmatism while never compromising our passion for justice Mine is a story about choices Choices that took me from school teacher to teacher advocate from the teachings of John Calvin to the philosophy of Baruch Spinoza from conservative to the progressive left A path guided by inculcated values influenced by social and political events molded by mentors and interrupted by tragedy Along the way I met great teachers organizers philosophers policy makers writers and presidents Born into a conservative

rural Iowa family I was inspired by Bobby Kennedy s promise of withdrawal from Viet Nam and his passion to fulfill Martin Luther King s vision of a just society But Bobby was gone and with him much of the hope he had inspired Flying away from my safe predictable life as a teacher near Lake Okoboji I hoped to embrace a new life as an organizer Today as I reflect on life s lessons I believe that justice mercy and humility should guide the organizer s mantra Educate Agitate Organize

Once Upon a Rhyme Antony L. Saragas, 2020-09-10 This book is not about poetry even though the title and limericks sprinkled within might lead you to that notion This book is not about sports though many of the characters connect as coaches or teammates This book is not even about a father and son even though it deals with a man and his recently deceased father This is a familiar tale of family friendship community loss and the renewal of faith Even though the book takes place over the course of only one week its message delves deeply into life and living We all question the usefulness of our past the course of our present and on our more challenging days the point of our future We wonder about the significance of our efforts In other words this book poses the question we often ignore through activity defy with arrogance or accept as unanswerable What's the point In the vein of film classic It's a Wonderful Life author Antony Saragas reminds you that life is worth living and that sometimes your friends and family are your angels **Iust a Girl** Karen Ann Harden, 2020-06-21 Sanctuary Trauma in other words trauma caused by those closest to us in our home environment where we are supposed to be safe often goes undetected This is a story about how it is possible to embrace our childhood wounds that have shaped us and redefine our story moving into adulthood so we do not pass on abusive cycles within our own home She also names out the challenges we may have to reach out to those children who are hurting and who need us most when their home environment is in chaos To challenge the old story of What is wrong with you to What happened to you This book takes you on a journey a soul journey First to understand the dynamics of an unsafe home and how it can affect a child s perception of life through the eyes of Karen's shared experience and secondly to understand the effort it takes to move out of the path of being a victim to an empowered path of being your truest self Karen encourages others to take this journey with her to seek understanding and to reflect on your own life s journey toward healing and ultimately to change the story of your life Of Love and Faith Han Birondo, 2024-04-29 I m Zaki Strange but his voice echoed inside me in a similar fashion when one struck the bell in the church the sound of it travelled through the walls of my ears and cascaded to my throat then hit my rib cages and caused an unexpected jolt in my heart If love s a destination then the heart would know when one had finally arrived In his arms I found home But it's hard to understand the ways of fate In the fantasy world of Disney love is enough In the real world of men and women and at the time when people differ from each other not just by races but also by beliefs

there are age old traditions that cannot be bypassed by means of love There are no fairy tales there are few love stories and this one far from ordinary At the core of this story are two hearts with differing faiths The divide is as old as time and the differences as complex as history itself
