Mister Pip By Lloyd Jones:

Mister Pip Lloyd Jones, 2007-07-31 In a novel that is at once intense beautiful and fablelike Lloyd Jones weaves a transcendent story that celebrates the resilience of the human spirit and the power of narrative to transform our lives On a copper rich tropical island shattered by war where the teachers have fled with most everyone else only one white man chooses to stay behind the eccentric Mr Watts object of much curiosity and scorn who sweeps out the ruined schoolhouse and begins to read to the children each day from Charles Dickens's classic *Great Expectations* So begins this rare original story about the abiding strength that imagination once ignited can provide As artillery echoes in the mountains thirteen year old Matilda and her peers are riveted by the adventures of a young orphan named Pip in a city called London a city whose contours soon become more real than their own blighted landscape As Mr Watts says A person entranced by a book simply forgets to breathe Soon come the rest of the villagers initially threatened finally inspired to share tales of their own that bring alive the rich mythology of their past But in a ravaged place where even children are forced to live by their wits and daily survival is the only objective imagination can be a dangerous thing

Mister Pip by Lloyd Jones Elaine Barry, 2007

Mister Pip Lloyd Jones, 2012-08-22 You cannot pretend to read a book Your eyes will give you away So will your breathing A person entranced by a book simply forgets to breathe The house can catch alight and a reader deep in a book will not look up until the wallpaper is in flames After the trouble starts and the soldiers arrive on Matilda's island there comes a time when all the white people have left Only Mr Watts remains and he wears a red nose and pulls his wife around on a trolley the kids call him Popeye behind his back But there is no one else to teach them their lessons and no books left to learn from except for Mr Watt's battered copy of *Great Expectations* by my friend Mr Dickens As Mr Watts stands before the class and reads Dickens's hero Pip starts to come alive in Matilda's imagination Soon he has become as real to her as her own family and the greatest friendship of her life has begun But Matilda is not the only one who believes in Pip And on an island at war the power of the imagination can be a dangerously provocative thing A dazzling achievement *Mister Pip* is a love song to the power of storytelling It is about belonging and losing one's way about love grief and memory and it shows how books can change lives forever

Bierbaum,2011-10-18 A shadow in its most literal sense is the projection of a silhouette against a surface and the obstruction of direct light from hitting that surface For writers and artists the shadows cast by their precursors can be either a welcome influence one consciously evoked in textual production via homage or bricolage or can manifest as an intrusive haunting prohibitive presence one which threatens to engulf the successor Many writers and artists are affected by an anxious and ambiguous relationship with their precursors while others are energised by this relationship The role that intertextuality plays in creative production invites interrogation and this publication explores a range of conscious and unconscious influences informing relations between texts and contexts between predecessors and successors The chapters revolve around intertextual influence ranging from conscious imitation and intentional allusion to Julia Kristeva s idea of intertextuality Do all texts contain references to and even quotations from other texts Do such references help shape how we read This multidisciplinary work includes chapters on the long shadows cast by Shakespeare Dante Scott Virgil and Ovid the shadows of colonial precursors on postcolonial successors the shadows cast over Kipling and Murdoch and chapters on other writers dramatists and filmmakers and their relationships with precursor figures With its focus on intertextual relationships this book contributes to the thriving fields of adaptation studies and studies of intertextuality *Dickens Adapted* John

Glavin,2017-03-02 From their first appearance in print Dickens s fictions immediately migrated into other media and particularly in his own time to the stage Since then Dickens has continuously apparently inexhaustibly functioned as the wellspring for a robust mini industry sourcing plays films television specials and series operas new novels and even miniature and model villages If in his lifetime he was justly called The Inimitable since his death he has become just the reverse the Infinitely Imitable The essays in this volume all appearing within the past twenty years cover the full spectrum of genres Their major shared claim to attention is their break from earlier mimetic criteria does the film follow the novel to take the new works seriously within their own generic and historical contexts Collectively they reveal an entirely other Dickensian oeuvre which ironically has perhaps made Dickens better known to an audience of non readers than to those who know the books themselves *Hand Me Down World* Lloyd Jones,2010-10-25 This is a story about a woman And the truck driver who mistook her for a prostitute The old man she robbed and the hunters who smuggled her across the border The woman whose name she stole the wife who turned a blind eye This is the story of a mother searching for her child This is the novel you cannot stop thinking about A quiet mysterious unnamed woman has come from Africa on an impassioned quest From the shoreline of Tunisia to the confusion of Berlin she relies on strangers some generous some exploitive to guide her passage encountering love and betrayal in its many guises along the way When the truth behind this spellbinding story is finally revealed we are forced to revisit everything that has gone before Also available as an eBook **The Digital Afterlives of Jane Austen** K.
