Jan Fliessbach

Modality Oxford Surveys In Semantics And Pragmatics:

Modality Paul Portner, 2009-01-22 This is a book about semantic theories of modality Its main goal is to explain and evaluate important contemporary theories within linguistics and to discuss a wide range of linguistic phenomena from the perspective of these theories The introduction describes the variety of grammatical phenomena associated with modality explaining why modal verbs adjectives and adverbs represent the core phenomena Chapters are then devoted to the possible worlds semantics for modality developed in modal logic current theories of modal semantics within linguistics and the most important empirical areas of research The author concludes by discussing the relation between modality and other topics especially tense aspect mood and discourse meaning Paul Portner s accessible guide to this key area of current research will be welcomed by students of linguistics at graduate level and above as well as by researchers in philosophy computational science and related fields

Mood Paul Portner, 2018-01-05 This book presents the essential background for understanding semantic theories of mood Mood as a category is widely used in the description of languages and the formal analysis of their grammatical properties It typically refers to the features of a sentence individual morphemes or grammatical patterns that reflect how the sentence contributes to the modal meaning of a larger phrase or that indicate the type of fundamental pragmatic function that it has in conversation In this volume Paul Portner discusses the most significant semantic theories relating to the two main subtypes of mood verbal mood including the categories of indicative and subjunctive subordinate clauses and sentence mood encompassing declaratives interrogatives and imperatives He evaluates those theories compares them and draws connections between seemingly disparate approaches and he formalizes some of the literature s most important ideas in new ways in order to draw out their most significant insights Ultimately this work shows that there are crucial connections between verbal mood and sentence mood which point the way towards a more general understanding of how mood works and its relation to other topics in linguistics it also outlines the type of semantic and pragmatic theory which will make it possible to explain these relations The book will be a valuable resource for researchers and students from advanced undergraduate level upwards in the fields of semantics and pragmatics philosophy computer science and psychology

Graded Modality Daniel Lassiter, 2017-05-19 This book explores graded expressions of modality a rich and underexplored source of insight into modal semantics Studies on modal language to date have largely focussed on a small and non representative subset of expressions namely modal auxiliaries such as must might and ought Here Daniel Lassiter argues that we should expand the conversation to include gradable modals such as more likely than quite possible and very good He provides an introduction to qualitative and degree semantics for graded meaning using the Representational Theory of Measurement to expose the complementarity between these apparently opposed perspectives on gradation The volume explores and expands the typology of scales among English adjectives and uses the result to shed light on the meanings of a variety of epistemic and deontic modals It also demonstrates that modality is deeply intertwined with probability and

expected value connecting modal semantics with the cognitive science of uncertainty and choice Modal Verbs and Modality in Literary and Non-Literary Texts Monika Skorasińska,2023-02-21 This collection presents a range of research on modality in the English language It includes comprehensive analyses of English modal verbs in different types of genres including Early Modern English plays and children s literature as well as speeches academic and functional texts The volume fills a niche in the study of modality in English non literary written texts and contributes to the current knowledge on modality and the system of modal verbs in the English language Space and Quantification in Languages of China Dan Xu,Jingqi Fu,2014-11-24 This volume provides general linguists with new data and analysis on languages spoken in China regarding various aspects of space and quantification using different approaches Contributions by researchers from Mainland China Hong Kong Japan Europe the United States and Australia offer insights on aspects of language ranging from phonology and morphology to syntax and semantics while the approaches vary from formal historical areal typological and cognitive linguistics to second language acquisition After separate volumes on space and quantification in languages of China the studies in this volume combine space and quantification to allow readers a view of the intersection of the two topics Each article contributes to general linguistic knowledge while discussing a particular aspect of space or quantification in a particular language dialect offering new data and analysis from languages that are spoken in the same geographical area and that belong to various language families that exist and evolve in close contact with one another *International Perspectives on Translation, Education and Innovation in Japanese and Korean Societies* David G. Hebert,2018-03-08 This book studies the three concepts of translation education and innovation from a Nordic and international perspective on Japanese and Korean societies It presents findings from pioneering research into cultural translation Japanese and Korean linguistics urban development traditional arts and related fields Across recent decades Northern European scholars have shown increasing interest in East Asia Even though they are situated on opposite sides of the Eurasia landmass the Nordic nations have a great deal in common with Japan and Korea including vibrant cultural traditions strong educational systems and productive social democratic economies Taking a cross cultural and interdisciplinary approach and in addition to the examination of the three key concepts the book explores several additional intersecting themes including sustainability nature humour aesthetics cultural survival and social change discourse and representation This book offers a collection of original interdisciplinary research from the 25th anniversary conference of the Nordic Association for Japanese and Korean Studies 2013 Its 21 chapters are divided into five parts according to interdisciplinary themes Translational Issues in Literature Analyses of Korean and Japanese Languages Language Education Innovation and New Perspectives on Culture and The Arts in Innovative Societies **Prose and Poetry through Time** Stephen Huebscher,2024-10-02 This is the first major study of the Biblical Hebrew verbal system of a prophetic book It is also the first book length study in over 60 years to focus on how genre affects the Hebrew verbal system It advances a data driven argument that Biblical Hebrew verb forms do

not function one way in prose and another way in poetry Lastly the author addresses the diachronic development of Hebrew between the destruction of the First Temple and the writing of the Dead Sea Scrolls

Syntax, semantics, and the lexicon Łukasz Jędrzejowski,Uwe Junghanns,Kerstin Schwabe,Carla Umbach,2025-05-20 This book is dedicated to Ilse Zimmermann who was a pioneer of Generative Grammar in Germany and made important contributions to the analysis of German and Slavic languages It contains original articles by Zimmermann as well as newly written papers inspired by her work Zimmermann s original articles cover a wide range of topics over a long period of research the earliest dating from 1983 and they make it clear that issues that are highly topical today have long been the subject of linguistic research The newly written papers are closely related to Zimmermann s topics ranging from DP structure verbal inflection and reciprocity to the modification of causative verbs all from a Slavic perspective They are rounded off by a contribution highlighting the leading role played by the Strukturelle Grammatik research group of which Zimmermann was a member in the development of linguistics in Germany Dieses Buch ist Ilse Zimmermann gewidmet die eine Pionierin der Generativen Grammatik in Deutschland war und wichtige Beitr ge zur Analyse des Deutschen und der slawischen Sprachen geleistet hat Es enth lt sowohl Originalartikel von Zimmermann als auch neu verfasste Beitr ge die durch ihre Arbeit inspiriert wurden Zimmermanns Originalartikel decken ein breites Spektrum von Themen in einem langen Forschungszeitraum ab der fr heste datiert aus dem Jahr 1983 und sie machen deutlich dass Fragen die heute hochaktuell sind schon lange Gegenstand der linguistischen Forschung sind Die neu verfassten Kapitel stehen in engem Zusammenhang mit Zimmermanns Themen Sie reichen von der DP Struktur ber verbale Flexion und Reziprozit t bis hin zur Modifikation kausativer Verben alles aus slawischer Perspektive Abgerundet werden sie durch einen Beitrag der die f hrende Rolle der Forschungsgruppe Strukturelle Grammatik deren Mitglied Zimmermann war f r die Entwicklung der Linguistik in Deutschland hervorhebt

Annual Review of South Asian Languages and Linguistics Rajendra Singh,2010-12-23 South Asia is home to a large number of languages and dialects Although linguists working on this region have made significant contributions to our understanding of language society and language in society on a global scale there is as yet no recognized international forum for the exchange of ideas amongst linguists working on South Asia The Annual Review of South Asian Languages and Linguistics is designed to be just that forum It brings together empirical and theoretical research and serves as a testing ground for the articulation of new ideas and approaches which may be grounded in a study of South Asian languages but which have universal applicability Each volume will have three major sections I Invited contributions consisting of state of the art essays on research in South Asian languages II Refereed open submissions focusing on relevant issues and providing various viewpoints III Reports from around the world book reviews and abstracts of doctoral theses

Secondary Content ,2019-06-07 In addition to expressing some main content utterances often convey secondary content which is content that is not their main point but which rather provides side or background information is less prominent than the main content and shows distinctive behavior with respect

to its role in discourse structure and which discourse moves it licenses This volume collects original research papers on the semantics and pragmatics of secondary content By covering a broad variety of linguistic phenomena that convey secondary content including expressives various particles adverbials pronouns quotations and dogwhistle language the contributions show that secondary content is pervasive throughout different aspects of natural language and provide new insight into the nature of secondary content through new semantic and pragmatic analyses *Epistemic Indefinites* Luis

Alonso-Ovalle, Paula Menendez-Benito, 2015 This book examines the semantics and pragmatics of determiners or pronouns that signal ignorance on the part of the speaker such as Spanish *algun* It offers novel empirical observations and important theoretical insights on epistemic indefinites and related topics such as modal free relatives modified numerals and epistemic modals *The intonation of expectations* Jan Fliessbach, 2023-06-08 This book provides a new perspective on prosodically

marked declaratives wh exclamatives and discourse particles in the Madrid variety of Spanish It argues that some marked forms differ from unmarked forms in that they encode modal evaluations of the at issue meaning Two epistemic evaluations that can be shown to be encoded by intonation in Spanish are obviousness and mirativity which present the at issue meaning as expected and unexpected respectively An empirical investigation via a production experiment finds that they are associated with distinct intonational features under constant focus scope with stances of dis agreement showing an impact on obvious declaratives Wh exclamatives are found not to differ significantly in intonational marking from neutral declaratives showing that they need not be miratives Moreover we find that intonational marking on different discourse particles in natural dialogue correlates with their meaning contribution without being fully determined by it In part these findings quantitatively confirm previous qualitative findings on the meaning of intonational configurations in Madrid Spanish But they also add new insights on the role intonation plays in the negotiation of commitments and expectations between interlocutors

From Perception to Communication Robin Cooper, 2023 This book characterizes a notion of type that covers both linguistic and non linguistic action and lays the foundations for a theory of action based on a Theory of Types with Records TTR The theory of language based on action developed in the book allows the adoption of a perspective on linguistic content centred on interaction in dialogue *New Frontiers in Artificial Intelligence* Kazuhiro Kojima, Maki Sakamoto, Koji

Mineshima, Ken Satoh, 2019-10-10 This book constitutes extended revised and selected papers from the 10th International Symposium of Artificial Intelligence supported by the Japanese Society for Artificial Intelligence JSAI isAI 2018 It was held in November 2018 in Yokohama Japan The 28 paper full papers and 5 short papers were carefully selected from 97 submissions The papers selected cover topics in Artificial Intelligence such as AI and law business intelligence human intelligence logic and engineering and data analytics and applications **The Verb in the Amarna Letters from Canaan** Krzysztof J.

Baranowski, 2016-11-14 The Amarna letters from Canaan offer us a unique glimpse of the historical and linguistic panorama of the Levant in the middle of the fourteenth century BCE Their evidence regarding verbs is crucial for the historical and

comparative study of the Semitic languages Proper evaluation of this evidence requires an understanding of its scribal origin and nature For this reason The Verb in the Amarna Letters from Canaan addresses the historical circumstances in which the linguistic code of the letters was born and the unique characteristics of this system The author adduces second language acquisition as a proper framework for understanding the development of this language by scribes who were educated in centers on the cuneiform periphery In this way the book advances a novel interpretation the letters testify to a scribal interlanguage that was born of the local use of cuneiform and was affected by the fossilization and transfer processes taking place in these language learners This vision of the linguistic system of the letters as the learners interlanguage informs the main part of the book which is devoted to verbal morphology and semantics The chapter on morphology offers an overview of conjugation patterns and morphemes in terms of paradigms Employing a variationist approach it also analyzes the bases on which the verbal forms were constructed Next the individual uses of each form are illustrated by numerous examples that provide readers with a basis for discovering alternative interpretations The systemic view of each form and the various insights that permeate this book provide invaluable data for the historical and comparative study of the West Semitic verbal system particularly of ancient Hebrew Ugaritic and Arabic *Modification* Marcin Morzycki, 2015-11-12 Modifiers and modification have been a major focus of inquiry for as long as the formal study of semantics has existed and remain at the heart of major theoretical debates in the field Modification offers comprehensive coverage of a wide range of topics including vagueness and gradability comparatives and degree constructions the lexical semantics of adjectives and adverbs crosscategorical regularities and the relation between meaning and syntactic category Morzycki guides the reader through the varied and sometimes mysterious phenomena surrounding modification and the ideas that have been proposed to account for them Presenting disparate approaches in a consistent analytical framework this accessibly written work which includes an extensive glossary of technical terms is essential reading for researchers and students of all levels in linguistics the philosophy of language and psycholinguistics **Language** George Melville Bolling, Bernard Bloch, 2010 Proceedings of the annual meeting of the Society in v 1 11 1925 34 After 1934 they appear in Its Bulletin **The Routledge Handbook of Metaphysical Grounding** Michael Raven, 2020-05-04 Some of philosophy's biggest questions both historically and today are in virtue of questions In virtue of what is an action right or wrong In virtue of what am I the same person my mother bore In virtue of what is an artwork beautiful Philosophers attempt to answer many of these types of in virtue of questions but philosophers are also increasingly focusing on what an in virtue of question is in the first place Many assume at least as a working hypothesis that in virtue of questions involve a distinctively metaphysical kind of determinative explanation called ground This Handbook surveys the state of the art on ground as well as its connections and applications to other topics The central issues of ground are discussed in 37 chapters all written exclusively for this volume by a wide range of leading experts The chapters are organized into the following sections I History II Explanation and Determination III Logic and

Structure IV Connections V Applications Introductions at the start of each section provide an overview of the section s contents and a list of Related Topics at the end of each chapter points readers to other germane areas throughout the volume The resulting volume is accessible enough for advanced students and informative enough for researchers It is essential reading for anyone hoping to get clearer on what the biggest questions of philosophy are really asking **Journal of Linguistics** ,2010-03 **The ^AOxford Handbook of Tense and Aspect** Robert I. Binnick,2011-07-01 This Handbook is a comprehensive authoritative and accessible guide to the topics and theories that currently form the front line of research into tense aspect and related areas

Modality Oxford Surveys In Semantics And Pragmatics Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the power of words has be evident than ever. They have the ability to inspire, provoke, and ignite change. Such could be the essence of the book **Modality Oxford Surveys In Semantics And Pragmatics**, a literary masterpiece that delves deep to the significance of words and their impact on our lives. Modality Oxford Surveys In Semantics And Pragmatics Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Modality Oxford Surveys In Semantics And Pragmatics free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Modality Oxford Surveys In Semantics And Pragmatics free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Modality

Oxford Surveys In Semantics And Pragmatics free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Modality Oxford Surveys In Semantics And Pragmatics. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Modality Oxford Surveys In Semantics And Pragmatics any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Modality Oxford Surveys In Semantics And Pragmatics Books

1. Where can I buy Modality Oxford Surveys In Semantics And Pragmatics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Modality Oxford Surveys In Semantics And Pragmatics book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Modality Oxford Surveys In Semantics And Pragmatics books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Modality Oxford Surveys In Semantics And Pragmatics audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Modality Oxford Surveys In Semantics And Pragmatics books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
