Modern China A Very Short Introduction Modern China A Very Short Introduction:

Modern China Rana Mitter, 2016-02-25 China today is never out of the news from international finance to human rights controversies global coverage of its rising international presence and the Chinese economic miracle It seems to be a country of contradictions a peasant society with some of the world's most futuristic cities heir to an ancient civilization that is still trying to find a modern identity This Very Short Introduction offers the reader an entry to understanding the world's most populous nation giving an integrated picture of modern Chinese society culture economy politics and art In this new edition Rana Mitter addresses China's current global position accounting for the country's growth in global significance over the past decade ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable *Modern China* Rana Mitter, 2009 A brief introduction to the history politics society and culture of China

Modern China: A Very Short Introduction Rana Mitter, 2008-02-28 China today is never out of the news from human rights controversies and the continued legacy of Tiananmen Square to global coverage of the Beijing Olympics and the Chinese economic miracle It seems a country of contradictions a peasant society with some of the world's most futuristic cities heir to an ancient civilization that is still trying to find a modern identity This Very Short Introduction offers the reader with no previous knowledge of China a variety of ways to understand the world's most populous nation giving a short integrated picture of modern Chinese society culture economy politics and art ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable [Great Joy Under Heaven](#) Nathan Morehart, 2024-12-01 A history of wildlife in China tracing the changes the country's fauna and flora have endured from the rise of the earliest civilizations to the present China is home to one of Earth's largest and most diverse mix of plant and animals Many are among the rarest creatures alive some now surviving only in captivity An unfortunate few went extinct early this century How did this come to pass Great Joy Under Heaven tells the history of dozens of species spread across the breadth of China from the taiga of Manchuria to the burning deserts of the far west from the bamboo forests of Sichuan to the tropical island of Hainan and from the Roof of the World down the Long River to the sea Spanning the ancient expulsion of rhinos and elephants from the Chinese heartland to the disappearance and return of the elaphure and takhi this volume recounts the drastic effects of humanity on the wildlife of China over the past 4 000 years and the ongoing struggles to save and restore some of what has been lost *Modern China* Xiaobing Li, 2015-11-23 Providing an indispensable resource for students educators businessmen and officials investigating the transformative experience of modern China this book provides

a comprehensive summary of the culture institutions traditions and international relations that have shaped today's China In *Modern China* author Xiaobing Li offers a resource far beyond a conventional encyclopedia providing not only comprehensive coverage of Chinese civilization and traditions but also addressing the values issues and critical views of China As a result readers will better understand the transformative experience of the most populous country in the world and will grasp the complexity of the progress and problems behind the rise of China to a world superpower in less than 30 years Written by an author who lived in China for three decades this encyclopedia addresses 16 key topics regarding China such as its geography government social classes and ethnicities gender based identities arts media and food each followed by roughly 250 short entries related to each topic All the entries are placed within a broad sociopolitical and socioeconomic contextual framework The format and writing consistency through the book reflects a Chinese perspective and allows students to compare Chinese with Western and American views

Offending Women in Contemporary China A. Shen, 2014-11-26 Through an empirical inquiry into three categories of offending women *Offending Women in Contemporary China* Gender and Pathways into Crime explores the socioeconomic conditions that facilitate women's pathways into crime and examines the interplay between gender class rapid social changes and female law breaking in neoliberal China

The Cold War Spencer C. Tucker, 2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material

The Cambridge History of War: Volume 4, War and the Modern World Roger Chickering, Dennis Showalter, Hans van de Ven, 2012-09-27 Volume IV of *The Cambridge History of War* offers a definitive new account of war in the most destructive period in human history Opening with the massive conflicts that erupted in the mid nineteenth century in the US Asia and Europe leading historians trace the global evolution of warfare through the age of mass the age of machine and the age of management They explore how industrialization and nationalism fostered vast armies whilst the emergence of mobile

warfare and improved communications systems made possible the total warfare of the two World Wars With military conflict regionalized after 1945 they show how guerrilla and asymmetrical warfare highlighted the limits of the machine and mass as well as the importance of the media in winning hearts and minds This is a comprehensive guide to every facet of modern war from strategy and operations to its social cultural technological and political contexts and legacies Urban Loopholes Ying Zhou,2017-06-26 Urban reuse creative production consumerism and heritage protection have formed an alliance for the transformation of inner city districts of Shanghai This in depth study based on the author s intimate familiarity of the local scene and supplemented by her critical outsider s insights describes the strategies players and processes of a uniquely Chinese model of urban transformation Concepts like Urban Loopholes Preservation via inhabitation and Gentrification with Chinese characteristics characterize the specific mechanisms for urban development in Shanghai Urban Loopholes invites the reader to rethink the necessity of urban resilience in the face of globalization s impact for change *Religious Publishing and Print Culture in Modern China* Philip Clart,Gregory Adam Scott,2014-12-16 Scholarly interest in print culture and in the study of religion in modern China has increased in recent years propelled by maturing approaches to the study of cultural history and by a growing recognition that both were important elements of China s recent past The influence of China in the contemporary world continues to expand and with it has come an urgent need to understand the processes by which its modern history was made Issues of religious freedom and of religion s influence on the public sphere continue to be contentious but important subjects of scholarly work and the role of print and textual media has not dimmed with the advent of electronic communication This book *Religious Publishing and Print Culture in Modern China 1800-2012* speaks to these contemporary and historical issues by bringing to light the important and abiding connections between religious development and modern print culture in China Bringing together these two subjects has a great deal of potential for producing insights that will appeal to scholars working in a range of fields from media studies to social historians Each chapter demonstrates how focusing on the role of publishing among religious groups in modern China generates new insights and raises new questions They examine how religious actors understood the role of printed texts in religion dealt with issues of translation and exegesis produced print media that heralded social and ideological changes and expressed new self understandings in their published works They also address the impact of new technologies such as mechanized movable type and lithographic presses in the production and meaning of religious texts Finally the chapters identify where religious print culture crossed confessional lines connecting religious traditions through links of shared textual genres commercial publishing companies and the contributions of individual editors and authors This book thus demonstrates how in embracing modern print media and building upon their longstanding traditional print cultures Christian Buddhist Daoist and popular religious groups were developed and defined in modern China While the chapter authors are specialists in religious traditions they have made use of recent studies into publishing and print culture and like many of the subjects of their

research are able to make connections across religious boundaries and link together seemingly discrete traditions

Stumbling Giant Timothy Beardson, 2013-05-21 A thoughtful reconsideration of China's actual place in the new world order based on reality rather than fanciful speculation Kirkus Reviews Can anything prevent China surpassing the United States and becoming the world's top superpower While predictions that China's rise to global supremacy is a near certainty have resulted in this belief becoming almost conventional wisdom this book boldly counters such widely held assumptions Investment strategist Timothy Beardson brings to light the daunting array of challenges that today confront China as well as the inadequacy of the policy responses Threats to China come on many fronts Beardson shows and by their number and sheer weight these problems will thwart any ambition to become the world's Number One power Drawing on extensive research and experience living and working in Asia over the last 35 years the author spells out China's situation an inexorable demographic future of a shrinking labor force relentless aging extreme gender disparity and even a falling population Also the nation faces social instability a devastated environment a predominantly low tech economy with inadequate innovation the absence of an effective welfare safety net an ossified governance structure and radical Islam lurking at the borders Beardson's nuanced firsthand look at China acknowledges its historic achievements while tempering predictions of its imminent hegemony with a no nonsense dose of reality Twentieth-century Colonialism and China Bryna Goodman, David S. G. Goodman, 2012 Colonialism in China was a piecemeal agglomeration that achieved its greatest extent in the first half of the twentieth century the last edifices falling at the close of the century The diversity of these colonial arrangements across China's landscape defies systematic characterization This book investigates the complexities and subtleties of colonialism in China during the first half of the twentieth century In particular the contributors examine the interaction between localities and forces of globalization that shaped the particular colonial experiences characterizing much of China's experience at this time In the process it is clear that an emphasis on interaction synergy and hybridity can add much to an understanding of colonialism in Twentieth Century China based on the simple binaries of colonizer and colonized of aggressor and victim and of a one way transfer of knowledge and social understanding To provide some kind of order to the analysis the chapters in this volume deal in separate sections with colonial institutions of hybridity colonialism in specific settings the social biopolitics of colonialism colonial governance and Chinese networks in colonial environments Bringing together an international team of experts Twentieth Century Colonialism and China is an essential resource for students and scholars of modern Chinese history and colonialism and imperialism Conflict in India and China's Contested Borderlands Kunal Mukherjee, 2019-01-04 For a long time India and China have been seen as the rising economic giants on the Asiatic mainland Studies of the conflicts which have plagued the borderlands of India and China however have tended to only analyse individual case studies without attempting to compare and contrast the situation in these conflicts This book compares and contrasts the situation in India's disputed borderlands Kashmir and the Indian north eastern states with China

s contested borderlands Xinjiang and Tibet The book looks at the root causes of the conflict and how these conflicts have evolved and changed their character with the passage of time Analysing how the countries have dealt with their territorial disputes from the 50 s till more recent times the author shows to what extent these state policies have exacerbated the already strained situation Using primary data collected primarily through interviews from the people inhabitants of these conflict zones the book throws new light on the problem This bottom up approach allows the people to speak and provides a different understanding of the nature of the conflict which may very well be the way forward for long lasting peace A comparative study of the conflicts in the contested borderlands of China and India the book will be of interest to scholars studying Asian security studies and Asian Politics particularly and Defence and Security Studies more generally

Will China Dominate the 21st Century? Jonathan Fenby, 2017-03-27 China s spectacular growth and expanding global role have led to visions of the 21st century being dominated by the last major state on earth ruled by a Communist Party In this new edition of his widely acclaimed book renowned China expert Jonathan Fenby shows why such assumptions are wrong He presents an analysis of China under Xi Jinping which explores the highly significant political economic social and international challenges it faces each involving structural difficulties that will put the system under strain Based on the author s extensive knowledge of contemporary China and his close analysis of Xi s leadership this incisive book offers a pragmatic view of where the country is heading at a time when its future is too important an issue for wishful theorizing

The Oxford Handbook of the History of Nationalism John Breuilly, 2013-03-07 The Oxford Handbook of the History of Nationalism comprises thirty six essays by an international team of leading scholars providing a global coverage of the history of nationalism in its different aspects ideas sentiments and politics Every chapter takes the form of an interpretative essay which by a combination of thematic focus comparison and regional perspective enables the reader to understand nationalism as a distinct and global historical subject The book covers the emergence of nationalist ideas sentiments and cultural movements before the formation of a world of nation states as well as nationalist politics before and after the era of the nation state with chapters covering Europe the Middle East North East Asia South Asia Southeast Asia sub Saharan Africa and the Americas Essays on everyday national sentiment and race ideas in fascism are accompanied by chapters on nationalist movements opposed to existing nation states nationalism and international relations and the role of external intervention into nationalist disputes within states In addition the book looks at the major challenges to nationalism international socialism religion pan nationalism and globalization before a final section considering how historians have approached the subject of nationalism Taken separately the chapters in this Handbook will deepen understanding of nationalism in particular times and places taken together they will enable the reader to see nationalism as a distinct subject in modern world history

1919 - The Year That Changed China Elisabeth Forster, 2018-03-05 The year 1919 changed Chinese culture radically but in a way that completely took contemporaries by surprise At the beginning of the year even well

informed intellectuals did not anticipate that for instance baihua a precursor of the modern Chinese language communism Hu Shi and Chen Duxiu would become important and famous all of which was very obvious to them at the end of the year Elisabeth Forster traces the precise mechanisms behind this transformation on the basis of a rich variety of sources including newspapers personal letters student essays advertisements textbooks and diaries She proposes a new model for cultural change which puts intellectual marketing at its core This book retells the story of the New Culture Movement in light of the diversified and decentered picture of Republican China developed in recent scholarship It is a lively and ironic narrative about cultural change through academic infighting rumors and conspiracy theories newspaper stories and intellectuals hell bent on selling agendas through powerful buzzwords Deterrence, Diplomacy and the Risk of Conflict Over Taiwan Bill Emmott, 2024-07-15 Russia's full scale invasion of Ukraine confirmed that revived great power competition has heightened the prospect of global conflict while restoring the concept of deterrence to centre stage The stakes in a conflict in East Asia however would be even higher than those in Ukraine A war over Taiwan could bring the United States and China the world's two greatest powers into a direct military conflict which would represent a contest for regional or global leadership and would be likely to draw other powers into the fight Such a war in which the nuclear question would be ever present can currently be described as possible avoidable but potentially catastrophic In this Adelphi book Bill Emmott evaluates the diplomatic and deterrence strategies that countries in and outside the Indo Pacific region are using to try to reduce the risk of that conflict occurring This book examines these strategies in the light of the lessons of the Ukraine war and identifies yardsticks with which to gauge their potential effectiveness and sustainability Our goal Emmott argues must be for all sides to regard such a US China conflict as inevitably catastrophic and therefore inconceivable *China in 2008* Kate Merkel-Hess, Kenneth L. Pomeranz, Jeffrey N. Wasserstrom, 2009-04-16 Introduction China in 2008 reflection on a year of great significance Kate Merkel Hess Anxieties of a prosperous age Tibet Meanwhile across the straits Nationalism and the torch Earthquake and recovery Shanghai images in Beijing's year Tiananmen reconsidered The road to the Olympics The Olympics as spectacle China after the games Follow the leader Things seen and unseen Pop culture in a global age Reinvented traditions China and the United States **The European Union and China** Georg Wiessala, John Wilson, Pradeep Taneja, 2009 EUROPEAN STUDIES An Interdisciplinary Series in European Culture History and Politics Contents Authors in this Volume Introduction THE CONTEXT OF EU CHINA RELATIONS AND THE HUMAN RIGHTS DILEMMA Eu China Relations Historical and Contemporary Perspectives The Development of Eu China Relations The Eu and China in the Context of Inter regionalism Duality Dialogue Discourse Some Perspectives on Human Rights in Eu China Relations Sport and Politics The 2008 Beijing Olympic Games ASPECTS OF THE GEO POLITICAL SETTING OF EU CHINA INTERACTION China Views Europe A Multi polar Perspective The European Union and China Indian Perceptions and Perspectives Russia's Closer Ties with China The Geopolitics of Energy and the Implications for the European Union The

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Modern China A Very Short Introduction Modern China A Very Short Introduction PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This

convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Modern China A Very Short Introduction Modern China A Very Short Introduction PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Modern China A Very Short Introduction Modern China A Very Short Introduction free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Modern China A Very Short Introduction Modern China A Very Short Introduction Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
