from the King James Version of the Bible **The Secret Astrology of the Bible** Michael Ledo, 2010-05-02 The Secret Astrology of the Bible by Michael Ledo is a landmark book that will change the way the scholarly community and the general public views the Bible history and myth Epic in scope this provocative book explores the connections between religious belief and cosmic theory even as it attempts to explain contradictions and irregularities in the text The Bible states Ledo was constructed as a living document with much of its text expanded as time went on If readers stripped away this added material they could actually be left with an Early Bronze Age text over a thousand years older than what is currently accepted by scholars This text suggests Ledo would be a veritable cosmic myth which follows the constellations with stories in a contiguous fashion that combine both history and myth Originally sold as On Earth as it is in Heaven The Cosmic Roots of the Bible **Strong's Exhaustive Concordance of the Bible** James Strong, 2007 Allows the reader to easily find all biblical occurrences of a word in the King James Version points the reader to the underlying Hebrew and Greek words using the Strong's numbering system updated Hebrew and Greek dictionaries give brief definitions of each word of the original languages Cover *Strong's Concise Concordance & Vine's Concise Dictionary of the Bible* James Strong, W. The Trouble with the Trinity Carlos A. Pinkham, 2019-07-26 One God or one with several forms Or maybe two three or perhaps many separate Gods If you seriously study all the Christian religions you will find that each of these possibilities is claimed That is one trouble with the Trinity there are just too many possibilities Which if any is right Which view does the Bible support And if it supports one view how strongly and in exactly what way The Trouble with the Trinity attempts to study

every verse in God's Word that links a name for one or more members of the Godhead with a nearby word or concept for God. Nearly a thousand verses meet this condition. Collating them into logical categories reveals the eight and only eight possible ways and combinations that could help us understand that the Father, Son, and Holy Spirit is Three in One. Moreover, when the verses in each of these eight ways are further organized, they provide deep insights into the nature of God. And when the eight ways are woven together, they reveal a startling symbol with relevance to Judaism, Christianity, Islam, geometry, and our neural network. Furthermore, these insights are reinforced through the symbolism of the colors used in the tabernacle when these colors are properly applied to the eight parts of the symbol. The book incorporates mathematics and science, especially the biological sciences, written with plain language into the discussions of the Trinity. Some of the proposed connections have never been posited elsewhere. It also considers other symbols and icons of the Trinity for their ability to reflect aspects of the Triune Godhead. The Trouble with the Trinity is not written for the theologian, although it includes a section that presents a theological discussion of the Trinity. Rather, it is written for those who are curious about or confused by the Trinity. 100820838002256 **Coming Back to the Kingdom of God** Bill Mitchell, 2020-09-03. God gave us a Kingdom we just need to take it. Those are the life-changing words of Bill Mitchell, who reveals how coming to the Kingdom of God can change your life, whether you've ever gone to church or not. Mitchell's treatise affirms the work of more than forty different authors who wrote sixty-six different books proclaiming the greatest story of our lives. He seeks to answer questions such as: How to know what God has given to us? What is the purpose of our Lord? Why we must be born of water and the Spirit? What it means to love God and your neighbor as yourself. The author concludes that for us to get back to the Kingdom of God, we must do as our Lord has said: That is everyone. We cannot all do as each of us desires and expect to be right with God. The message of our Lord is consistent and does not waver. Recognize God for who He is and what He has given to us through His Son, Jesus Christ, with the lessons and insights in *Coming Back to the Kingdom of God*. *Our Godly Sexual Beings* Donna Mack with Kristi Miller, 2023-09-08. *Our Godly Sexual Beings* explores scripture and other ancient texts to unveil one of humanity's great mysteries: God's purpose for designing our Godly sexual beings. After thirty years of committed research and study, Donna Mack perceived an essential missing link from the age-old battle of God vs. Satan. While other books have attempted to discuss human sexuality, none have done so with as many biblical and scholarly-backed references as *Our Godly Sexual Beings*. One fascinating revelation in scripture is just how sacred human sexuality exists for God. The Bible sings with this truth, and Donna dives into this mystery to reveal the greatest love story ever told. With the help of over 1,300 references, Donna uncovers God's design for sex and Satan's influence that morphed this gift into a lie of lust. This book is full of many revelations and truths that will allow the reader to experience freedom from sexual sin, shame, and bondage. **Biblical**

Exegesis, Fourth Edition John H. Hayes, Carl R. Holladay, 2022-10-04 This is a beginner's guide to biblical exegesis providing exegetical methods, practices, and theories. This book provides simple, helpful information and guidance about doing exegesis without being overly prescriptive. It succinctly introduces students to various methods, provides basic bibliographies that take students beyond an introductory discussion, and emphasizes exegesis as an everyday activity based on commonsense principles rather than as an esoteric enterprise. This revised edition of this perennially best-selling textbook includes discussions of emerging methods of interpretation aimed at a contemporary audience. Several chapters have been updated and improved, and readers will find an incisive new chapter on exegesis with a focus on identity and advocacy. Holladay has also written a new concluding chapter on exegesis as the art of seeing. Bibliographies are updated, and a helpful glossary is included in this new edition.

Created in the Image of God Otis Lee Gaston, 2023-08-02 We are told in the Scriptures that God desires that we know Him more than He desires sacrifices. Hosea 6:6. The way to know God is through the study of His word, the Bible, and a personal relationship with Him through our acceptance of the salvation offered through His Son, Jesus. The primary goal of *Created in the Image of God* is for us to know God through studying the Trinity, the three-part structure of God as presented in the Bible, and comparing and contrasting the Trinity with the three-part structure of mankind who is created in the image of God. Genesis 1:26. *Created in the Image of God* attempts to bring forth relevant Scriptures as pertaining to the Trinity and the creation of mankind, as well as applicable thoughts of theological scholars as they pertain to this topic. Through the study of the trichotomic structure of mankind, we will see how mankind is able to relate to God, the meaning of regeneration at salvation, the distinction between the indwelling and the filling of the Holy Spirit, the root cause of addictive behaviors, the reason that mankind is above and different from the rest of the animal

kingdom and the purpose and cause of prevenient grace Above all the hope of Created in the Image of God is that it leads readers to know God more fully so that we can love him more wholly **Colossians & Philemon** Allan R Bevere,2016-07-13
