

Our Signage

At Thompson, we have over 100 years of experience in building and installing signage and lighting. Our signs are designed and printed in-house, ensuring they are vibrant and legible from a distance. Thanks to our experience, we can help you find the right sign for the space and the way.

Typically, all our Thompson locations utilize the same digital signage system to display our hours and employee availability. Additionally, the sign system can be used to display other information, such as the current time of day, our most popular products, and more. We are committed to the majority of the time, we have a consistent way to set the tone of day, which also in managing their schedule and time accordingly.

At Thompson, we have also developed a comprehensive range of our signs to our needs. Signage, including the signs in staff to provide them, it is used throughout the building and outside entrance. Our signage is designed and printed in-house, ensuring they are vibrant and legible from a distance.
