Nice Jesus Storyteller Stephen I Wright:

The Dardenne Brothers' Cinematic Parables Joel Mayward, 2022-09-30 The Dardenne Brothers Cinematic Parables examines the work of Belgian filmmakers Jean Pierre and Luc Dardenne who have been celebrated for their powerfully affecting social realist films Though the Dardenne brothers films rarely mention religion or God they have received wide recognition for their moral complexity and spiritual resonance This book brings the Dardennes filmography into consideration with theological aesthetics Christian ethics phenomenological film theory and continental philosophy The author explores the brothers nine major films beginning with The Promise 1996 and culminating in Young Ahmed 2019 through the hermeneutics of philosopher Paul Ricoeur By using Ricoeur s description of parable as a narrative metaphor which generates an existential limit experience Joel Mayward crafts an innovative Ricoeurian hermeneutic for making theological interpretations of cinema Drawing upon resources from three disciplinary spheres theology philosophy and film studies in a dynamic interweaving approach Mayward proposes that the Dardennes create postsecular cinematic parables which evoke theological and ethical responses in audiences imaginations through the brothers distinctive filmmaking style what is termed transcendent realism The book ultimately demonstrates how the Dardenne brothers are truly doing not merely depicting theology and ethics through the cinematic form it presents film as theology what Mayward refers to as theocinematics This is valuable reading for scholars of theology philosophy and film studies as well as film critics and cinephiles interested in the cinema of the Dardenne brothers **Deconstruct Faith, Discover Jesus** Preston

Ulmer, 2023-06-06 What If Deconstructing Your Faith Isn t a Phase but a Holy Process There s probably a really good reason you picked up this book Are you desperate to be in relationship with family or friends who are questioning their faith Are you experiencing your own deconstruction of faith Here is your invitation to rethink everything you thought you knew In this process you ll learn why it s important to deconstruct and how we are wired to do it define deconstruction and deconversion what they really mean consider WWJD What Would Jesus Deconstruct and apply the FUSE method to deconstruct for yourself Deconstruct Faith Discover Jesus will help you to enter the mindset of a deconstructionist A worldview with a high capacity for paradoxes A mental space that outweighs your self interest in being right A tendency to see Christian beliefs as inseparable from Christian ethics In doing so you will find the original deconstructionist Jesus right beside you *Stories with Intent* Klyne R. Snodgrass, 2018-02-16 Winner of the 2009 Christianity Today Award for Biblical Studies Stories with Intent offers pastors and students a comprehensive and accessible guide to Jesus parables Klyne Snodgrass explores in vivid detail the historical context in which these stories were told the part they played in Jesus overall message and the ways in which they have been interpreted in the church and the academy Snodgrass begins by surveying the primary issues in parables interpretation and providing an overview of other parables often neglected in the discussion from the Old Testament Jewish writings and the Greco Roman world He then groups the more important parables of Jesus thematically and offers a

comprehensive treatment of each exploring both background and significance for today This tenth anniversary edition includes a substantial new chapter that surveys developments in the interpretation of parables since the book's original 2008 publication *Hide and Seek* Benson P. Fraser, 2020-07-21 As bearers of the divine image all of us are storytellers and artists However few people today believe in truth that is not empirically knowable or verifiable the sort of truth often trafficked through direct forms of communication Drawing on the works of Søren Kierkegaard Benson P Fraser challenges this penchant for direct forms of knowledge by introducing the indirect approach which he argues conveys more than mere knowledge but the capability to live out what one takes to be true Dr Fraser suggests that stories aimed at the heart are powerful instruments for personal and social change because they are not focused directly on the individual listener rather they give the individual room or distance to reconsider old meanings or ways of understanding Indirect communication fosters human transformation by awaking an individual to attend to images or words that carry deep symbolic force and that modify or replace one's present ways of knowing and ultimately make one capable of embodying what he or she believes Through an examination of the indirect approach in Kierkegaard Jesus C S Lewis and Flannery O Connor Fraser makes a strong case for the recovery of indirect strategies for communicating truth in our time *What Are They Saying About the Parables? Second Edition* Fowler, David B., 2021 Much has changed in the more than two decades since the first edition of this book appeared Parable scholarship continues to be a dynamic area of New Testament research and a number of important studies were published and significant developments have occurred during those years Jesus's parables these simple but profound stories continue to challenge us and even after many readings continue to reveal new insights

Matthew's Parable of the Royal Wedding Feast Ruth Christa Mathieson, 2023-06-02 Ruth Christa Mathieson's unique reading of Matthew's parable of the royal wedding feast Matt 22:1-14 which concludes with the king's demand that one of the guests be bound and cast out into the outer darkness focuses on the means of the underdressed guest's expulsion Using sociorhetorical interpretation Mathieson draws the parable into conversation with early Jewish narratives of the angel Raphael binding hands and feet 1 Enoch Tobit and the protocol for expelling individuals from the community in Matt 18 She asserts that readers are invited to consider if the person who is bound and cast out is a danger to the little ones of the community of faith unless removed and restrained *Performing Early Christian Literature* Kelly Iverson, 2021-10-07 Scholars of early Christian literature acknowledge that oral traditions lie behind the New Testament gospels While the concept of orality is widely accepted it has not resulted in a corresponding effort to understand the reception of the gospels within their oral milieu In this book Kelly Iverson reconsiders the experiential context in which early Christian literature was received and interpreted He argues that reading and performance are distinguishable media events and significantly that they produce distinctive interpretive experiences for readers and audiences alike Iverson marshals an array of methodological perspectives demonstrating how performance generates a unique experiential context that shapes and

informs the interpretive process Iverson's study explores the dynamic oral environment in which ancient audiences experienced the gospel stories He shows why an understanding of oral performance has important implications for the study of the NT as well as for several issues that are largely unquestioned by biblical scholars The Parables of Jesus the Galilean Ernest van Eck, 2016-08-09 Who do we meet in the stories Jesus told In *The Parables of Jesus the Galilean Stories of a Social Prophet* a selection of the parables of Jesus is read using a social scientific approach The interest of the author is not the parables in their literary contexts but rather the parables as Jesus told them in a first century Jewish Galilean sociopolitical religious and economic setting Therefore this volume is part of the material turn in parable research and offers a reading of the parables that pays special attention to Mediterranean anthropology by stressing key first century Mediterranean values Where applicable available papyri that may be relevant in understanding the parables of Jesus from a fresh perspective are used to assemble solid ancient comparanda for the practices and social realities that the parables presuppose The picture of Jesus that emerges from these readings is that of a social prophet The parables of Jesus as symbols of social transformation envisioned a transformed and alternative world This world for Jesus was the kingdom of God

Encountering the Parables in Contexts Old and New T. E. Goud, J.R.C. Cousland, John P. Harrison, 2022-08-25 The contributors to this book pursue three important lines of inquiry into parable study in order to illustrate how these lessons have been received throughout the millennia The contributors consider not only the historical and material world of the parables composition and focusing on the social political economic and material reality of that world but also seek to connect how the parables may have been seen and heard in ancient contexts with how they have been and continue to be seen and heard Intentionally allowing for a bounded openness of approach and interpretation these essays explore numerous contexts encounters and responses Examining topics ranging from ancient harvest imagery and dependency relations to contemporary experience with the narratives and lessons of the parables this volume seeks to link those very real ancient contexts with our own varied modern contexts Parables in Changing Contexts Marcel Poorthuis, Eric Ottenheim, 2019-12-30 In *Parables in Changing Contexts* new venues in the comparative study of parables are addressed by scholars of Judaism New Testament Buddhism and Islam Essays cover parables in the synoptic Gospels Rabbinic midrash and parabolic tales and fables in the Babylonian Talmud Three essays address parables in Islam and Buddhism The volume shows how parables are suitably adapted in terms of form and rhetoric to enhance religious identity formation Parables serve as media as sensational forms making the sacred present albeit encoded or riddled in all cases invoking the listener's active interpretative participation and cultural imagination Adapting a multidisciplinary approach to these gems of storytelling parables in a particular way provide new insights in the cultures that produced them *The Fourfold Gospel, Volume 3* John DelHousaye, 2023-07-25 In the spirit of Ludolph of Saxony c 1295 1378 and Ignatius of Loyola 1491 1556 *The Fourfold Gospel* invites the reader into the mystery of God's redemption in Jesus Christ All the parallel passages in the Gospels are glossed together along with the unique

material using a medieval interpretive approach called the Quadriga or the acronym PaRDeS in Hebrew Meditating on the literal canonical moral and theological senses of Scripture offers a scaffolding for the spiritual formation of the reader This volume focuses on the illuminative stage of discipleship the goal of the parables along with Jesus's conflict with enemies and our mission

Jesus and the Gospels, Third Edition Craig L. Blomberg, 2022-11-15 In *Jesus and the Gospels* New Testament scholar Craig Blomberg immerses the reader in the historical and cultural world of Gospel narratives for them to better understand and appreciate their focal point Jesus of Nazareth

The Power of Parables, 2023-11-07 The *Power of Parables* documents the surprising ways in which Jewish and Christian parables bridge religion with daily life This 2019 conference volume rediscovers the original power of parables to shock and affect their audience which has since been reduced by centuries of preaching and repetition Not only do parables enhance the perspective on Scripture or the kingdom of heaven they also change the sensory regime of the audience in perceiving the outer world The theological differences in their applications appear secondary in view of their powerful rhetoric and suggest a shared genre

What Was Jesus Hoping to Achieve? Roger Amos, 2022-01-03 What led a thirty year old carpenter builder from an obscure village in Galilee to abandon his trade and become the itinerant preacher teacher and healer described in the Gospels Many Christians including even some ministers if asked precisely what outcome Jesus was hoping to achieve from his earthly ministry are more likely to utter gasps of astonishment or admissions of ignorance I've never thought about it than to give a considered opinion even though the matter could hardly be more central to the Christian faith In the past scholars have attempted to discover Jesus agenda by analyzing his teaching and actions as recorded in the Gospels Their efforts however identified a diversity of conflicting aims Roger Amos in contrast explores the factors impacting Jesus that led him to undertake his ministry He uncovers a Galilee racked by deprivation unemployment debt hunger and crime and a Jesus determined to confront the establishment and improve conditions for ordinary Jews But how could a village carpenter backed by a band of fishermen accomplish that Following clues in the Gospels that other expositors have overlooked the author reveals the intriguing story underlying the familiar gospel narrative

[The Parables in Q](#) Dieter Roth, 2018-05-17 Few New Testament topics have been discussed as often and as intensely as Q the hypothesized second major source alongside the gospel of Mark for the gospels of Matthew and Luke and the parables And yet no monograph to date has been devoted to considering the parables in Q In addition to filling this gap in New Testament scholarship Dieter T Roth addresses the need to move scholarship on both Q and the parables forward along methodological and interpretive lines Roth considers Q not as a text behind Matthew and Luke that needs to be reconstructed but rather as an intertext between Matthew and Luke that offered plots characters and images in parables that were taken up by Matthew and Luke and utilized in their own respective texts In addition Roth draws on recent parables research in his examination of the 27 parables in Q two spoken by John the Baptist one by the Centurion and 24 by Jesus in order to consider their purpose and function in this early Christian text

Loving Jewish People Paul O.

Bischoff,2025-08-21 Jewish people are experiencing another Holocaust The only difference between today s catastrophic extermination of Jews and that of Nazi Germany s is technology German efficiency murdered Jewish people and disposed of their bodies in short order Iranian murderous terror toward Jewish people is taking longer Missiles are hit and miss Why does the world hate the Jews It all starts with God An anti God spirit prevails in cultures around the world The Jews are God s first people on earth They are God s method of blessing all families and nations Maybe it s jealousy No matter what you can t love God and hate the Jews Ironically the very religion which owes its existence to Judaism Christianity has historically been the perpetrator of Jewish hatred The church was a bystander while others executed their mission of annihilation The opposite of hate is love To reverse current global anti Jewish feeling requires loving Jewish people as human beings It must start with a repentant church willing to admit confess and plead forgiveness from any Jewish person The church needs to practice what it believes to love God with all its heart body soul and spirit by demonstrating concrete ways to love its neighbor the Jewish people

The Formative Stratum of the Sayings Gospel Q Llewellyn Howes,2021-02-15 In this study Llewellyn Howes analyses the formative stratum of the Sayings Gospel Q arguing for the inclusion of traditionally excluded texts Novel interpretations of certain Q texts enable the author to reconsider the overarching message of Q s earliest redactional layer This results in interesting and important consequences for our understanding of Jesus as a historical figure

The Robe Lloyd C. Douglas,1999 Christ s robe has a strange effect on the pagan soldier who wins it in a dice game after the Crucifixion

Help My Unbelief! J. Timothy Allen,2017-08-04 Help My Unbelief is for a small but growing number of Christians who are asking critical questions about their faith their church s history and the Bible Around the 60s CE doubts arose as tensions within Judaism escalated questions about Jesus and his delayed return were voiced and Roman persecutions intensified Jesus was one of a number of itinerant preachers miracle workers and insurrectionaries What set him apart from others Using the Gospel of Mark the author demonstrates that doubts existed within the early Christian community Doubting Christians can take comfort that Mark addressed these issues then and thus provides a guide for living in today s ever questioning world of faith
