Tribal Lores Archimede Fusillo,2020-08-04 Only the good die young is just a cliché until it impacts directly on you When the new neighbours Frankie Rescio's newest mate Lochie Marsh's parents invite his family over for an Australia Day BBQ Frankie knows the idea is fraught with danger It's not just that the two families have their own take on the world and how it functions They have each created a suitable veneer of respectability to mask the fractures and dysfunctions that might otherwise tear their lives apart Each family holds fast to its own tribal lores of what is and isn't normal in a world that needs to be held at arm's length for the sake of survival the individual and the family's both Frankie Rescio is in Year 10 His sister is dead His younger brother is about to start Year 7 at Frankie's school and next door Lochie is about to have his already less than perfect world invaded by an estranged family member his now pregnant half sister Emma and her layabout boyfriend Just when it seems each family's life had found a safe passage between them and us Frankie and Lochie inadvertently

Fusillo,Josie Montano,2024-11-18 Two teens from different sides of the country collide on the other side of the world in a little Italian village Cynical and mistrusting of their heritage Nick and Lia are thrust into a foreign world of their ancestors by a chance decision Unknown to each other they set out on a long journey back to the old country to appease their respective grandparents only to find themselves involved in a mystery that could tear their individual families apart Somewhere in the not too recent past a misguided moment of youthful naivety threatened to crumble the hopes and aspirations of more than just the people involved Now with hindsight and in an effort to know the truth before it's too late Nick and Lia have to put aside their differences and put right the many past wrongs as they uncover a family secret that bonds them for life In the process do they reveal their own hidden secrets Little did they know they have more in common than they realised
