**Challenged Young Adult Books** Pat R. Scales,2016-09-08 A Day No Pigs Would Die Speak Thirteen Reasons Why These are some of the most beloved and most challenged books Leaving controversial titles such as these out of your collection or limiting their access is not the answer to challenges While ALA s Office for Intellectual Freedom reports more than 4 500 challenges to young adult literature from 2000 through 2009 This authoritative handbook gives you the information you need to defend challenged books with an informed response and ensure free access to young book lovers With a profile of each book that includes its plot and characters related materials and published reviews awards and prizes and Web and audiovisual resources you will be prepared to answer even the toughest attacks Young Adult Literature, Libraries, and

Conservative Activism Loretta M. Gaffney,2017-02-01 This incisive study analyzes young adult YA literature as a cultural phenomenon explaining why this explosion of books written for and marketed to teen readers has important consequences for how we understand reading in America As visible and volatile shorthand for competing views of teen reading YA literature has become a lightning rod for a variety of aesthetic pedagogical and popular literature controversies Noted scholar Loretta Gaffney not only examines how YA literature is defended and critiqued within the context of rapid cultural and technological changes but also highlights how struggles about teen reading matter to and matter in the future of librarianship and education The workbridges divides between literary criticism professional practices canon building literature appreciation genre classifications and recommendations standard histories and commentary It will be useful in YA literature course settings in Library and Information Science Education and English departments It will also be of interest to those who study right wing culture and movements in media studies cultural studies American studies sociology political science and history It is of additional interest to those who study print culture publishing and the book histories of teenagers and research on teen reading Finally it will offer those interested in teenagers literature libraries technology and politics a fresh way to look at book challenges and controversies over YA literature **Young Adult Literature** Michael Cart,2010-09-01 This

insightful and often humorous work presents the evolution of YA lit in an appealing way making it equally useful for students of literary studies *Teaching Young Adult Literature* Mike Cadden,Karen Coats,Roberta Seelinger Trites,2020-04-01 Offers pedagogical techniques for teaching classic and contemporary young adult YA literature and texts about growing to adulthood Addresses issues of selecting classroom texts building cultural awareness responding to censorship and reading both emotionally and critically Gives syllabus suggestions for undergraduate and graduate courses in literature education and library science **Young Adult Literature: From Romance to Realism, Third Edition** Michael Cart,2017-11-21

**Transforming Young Adult Services** Anthony Bernier,2019-05-20 Now showcasing an even more rigorous debate

about the theory and practice of YA librarianship than its first edition this provocative presentation of diverse viewpoints by leaders in the field Catholic Library World has been updated and expanded to incorporate recent advances in critical youth studies

Representing the Rainbow in Young Adult Literature Christine A. Jenkins, Michael Cart, 2018-03-20 Discussions of gender and sexuality have become part of mainstream conversations and are being reflected in the work of more and more writers of fiction particularly in literature aimed at young adult audiences But young readers regardless of their sexual orientation don't always know what books offer well rounded portrayals of queer characters and situations Fortunately finding positive role models in fiction that features LGBTQ themes has become less problematic though not without its challenges In Representing the Rainbow in Young Adult Literature LGBTQ Content since 1969 Christine Jenkins and Michael Cart provide an overview of the literary landscape An expanded version of The Heart Has Its Reasons this volume charts the evolution of YA literature that features characters and themes which resonate not only with LGBTQ readers but with their allies as well In this resource Jenkins and Cart identify titles that are notable either for their excellence accurate thoughtful and tactful depictions or deficiencies books that are wrongheaded stereotypical or outdated Each chapter has been significantly updated and this edition also includes new chapters on bisexual transgender and intersex issues and characters as well as chapters on comics graphic novels and works of nonfiction This book also features an annotated bibliography and a number of author title lists of books discussed in the text that will aid teachers librarians parents and teen readers Encompassing a wider array of sexual identities Representing the Rainbow in Young Adult Literature is an invaluable resource for young people eager to read about books relevant to them and their lives

Children's and Young Adult Literature and Culture Amie A. Doughty, 2016-08-17 This collection of essays explores a wealth of topics in children's and young adult literature and culture Contributions about picture books include analyses of variants of the folktale The Little Red Hen and bullying Race and gender are explored in essays about picture books featuring children as consumable objects about books focused on African American female athletes and about young adult dystopian fiction Gender itself is further explored in articles about Monster High Joyce Carol Oates's Beasts and The Hunger Games and Divergent Essays about fantasy literature include an exploration of environmentalism in Rick Riordan's The Heroes of Olympus a discussion of Severus Snape as a Judas figure an explication of Chapter 5 of The Hobbit and an analysis of ghosts and nationalism in Eva Ibbotson's The Haunting of Granite Falls An essay about Horrible Histories explores television genre and the way history is coded Other contributions explore how teaching literature to reluctant readers can be effective through multimodal texts and how Harry Potter has played a role in the popularity of young adult literature for adult readers

**Young Adult Literature in Action** Rose Brock, 2019-06-14 Taking a genre approach this overview of young adult literature shows new librarians and library science students the criteria to use for selecting quality books including recommended titles This third edition of Young Adult Literature in Action draws on the success of the previous two editions authored by Rosemary Chance updating

and expanding on them to meet the needs of today's librarians and library science students. It includes a new focus on diverse books, LGBTQ selections, the role of book formats, and the relevance of librarians serving teen populations, and is an ideal resource for teaching young adult literature courses. Organized by major genre divisions, this easy-to-use book includes new information on timely topics such as audio and e-books, accessible books, and graphic novels. Each chapter includes revised and updated information on collaborative activities, featured books, special topics, and programs, selected awards and celebrations, historical connections, recommended resources, issues for discussion, author comments, and assignment suggestions. Further updates include citations of exemplary young adult books and award winners, references, websites, and a bibliography.

**Integrating Young Adult Literature through the Common Core Standards** Rachel L. Wadham, Jon W. Ostenson, 2013-01-07 This book advocates for a stronger role for young adult literature in ELA classrooms, compellingly documenting how this body of work meets both the needs of adolescent students and the demands of the common core for complex texts and tasks. Integrating Young Adult Literature through the Common Core Standards provides a compelling template for teachers that uses young adult literature and inquiry learning to meet students' needs and the demands of the common core standards. The first part of the book addresses the widely adopted common core state standards by examining closely the standards model of text complexity and demonstrating how young adult literature can fill the requirements of this model. The second part provides theoretical discussions and analysis of the standards as well as concrete applications of young adult literature within the classroom in order to give school professionals a comprehensive understanding of how young adult literature and the standards can work together. The book empowers schools and teachers to make intelligent, informed decisions about texts and instructional practices that benefit their students. Finally, the authors explore a powerful teaching approach that integrates current understandings about learning young adult literature and the common core standards in a way that will facilitate greater learning and understanding in English classrooms.

**Teaching Young Adult Literature Today** Judith A. Hayn, Jeffrey S. Kaplan, 2012-03-15 Teaching Young Adult Literature Today introduces the reader to what is current and relevant in the plethora of good books available for adolescents. More importantly, literary experts illustrate how teachers everywhere can help their students become lifelong readers by simply introducing them to great reads, smart, insightful, and engaging books that are specifically written for adolescents. Hayn, Kaplan, and their contributors address a wide range of topics: how to avoid common obstacles to using YAL, selecting quality YAL for classrooms while balancing these with curriculum requirements, engaging disenfranchised readers, pairing YAL with technology as an innovative way to teach curriculum standards across all content areas. Contributors also discuss more theoretical subjects such as the absence of lesbian, gay, bisexual, transgender, and questioning LGBTQ young adult literature in secondary classrooms and contemporary YAL that responds to the changing expectations of digital generation readers who want to blur the boundaries between page and screen.

*The Essential Guide to Children's Books and Their Creators*, Upon publication

Anita Silvey's comprehensive survey of contemporary children's literature *Children's Books and Their Creators* garnered unanimous praise from librarians, educators, and specialists interested in the world of writing for children. Now *The Essential Guide to Children's Books and Their Creators* assembles the best of that volume in one handy, affordable reference geared specifically to parents, educators, and students. This new volume introduces readers to the wealth of children's literature by focusing on the essentials: the best books for children, the ones that inform, impress, and most important, excite young readers. Updated to include newcomers such as J.K. Rowling and Lemony Snicket and to cover the very latest on publishing and educational trends, this edition features more than 475 entries on the best-loved children's authors and illustrators, numerous essays on social and historical issues, thirty personal glimpses into craft by well-known writers, illustrators, and critics, and invaluable reading lists by category. *The Essential Guide to Children's Books and Their Creators* summarizes the canon of contemporary children's literature in a practical guide essential for anyone choosing a book for or working with children.

*Queer Anxieties of Young Adult Literature and Culture* Derriitt Mason, 2020-12-28. Selected as the Children's Literature Association's 2023 Honor Book. Young adult literature featuring LGBTQ characters is booming. In the 1980s and 1990s, only a handful of such titles were published every year. Recently, these numbers have soared to over one hundred annual releases. Queer characters are also appearing more frequently in film, on television, and in video games. This explosion of queer representation, however, has prompted new forms of longstanding cultural anxieties about adolescent sexuality. What makes for a good coming-out story? Will increased queer representation in young people's media teach adolescents the right lessons and help queer teens live better, happier lives? What if these stories harm young people instead of helping them? In *Queer Anxieties of Young Adult Literature and Culture*, Derriitt Mason considers these questions through a range of popular media, including an assortment of young adult books, *Caper in the Castro*, the first ever queer video game, online fan communities, and popular television series *Glee* and *Big Mouth*. Mason argues themes that generate the most anxiety about adolescent culture: queer visibility, risk-taking, HIV/AIDS, dystopia, and horror, and the promise that *It Gets Better* and the threat that it might not. Challenge us to rethink how we read and engage with young people's media. Instead of imagining queer young adult literature as a subgenre defined by its visibly queer characters, Mason proposes that we see queer YA as a body of transmedia texts with blurry boundaries, one that coheres around affect, specifically anxiety, instead of content. **Reading**

***Young Adult Literature: A Critical Introduction*** Carrie Hintz, Eric L. Tribunella, 2024-10-23. *Reading Young Adult Literature* is the most current, comprehensive, and accessible guide to this burgeoning genre, tracing its history and reception with nuance and respect. Unlike any other book on the market, it synthesizes current thinking on key issues in the field and presents new research and original analyses of the history of adolescence, the genealogy of YA literature, key genres, and modes of writing for young adults, and ways to put YA in dialogue with canonical texts from the high school classroom. *Reading Young Adult Literature* speaks to the core concerns of contemporary English studies with its attention to literary

history literary form and theoretical approaches to YA Ideal for education courses on Young Adult Literature it offers prolonged attention to YA literature in the secondary classroom and cutting edge approaches to critical visual and multimodal literacy The book is also highly appealing for library science courses offering an illuminating history of YA Librarianship and a practical overview of the YA field      **Crash Course in Young Adult Services** Sarah

Flowers,2017-10-10 Learn how to improve teen services in public libraries by better understanding teen development and having positive interactions with teens to provide appropriate and interesting collections and services A library can be a tremendous resource for teens one that helps them to learn about themselves and the world they live in But teenagers are intrinsically different from children and from adults and these critical developmental differences affect the ways they interact with others both in the world at large and in the library Serving teens effectively in the library requires a basic understanding of who teens are and the developmental tasks they face factors that affect all aspects of library service from the specific programs and services we offer to the ways that staff provide assistance to the teen who is seeking help at a library service desk This book enables library workers to better understand adolescent development which allows them to provide a positive library experience for teens Readers will learn how to supply excellent library services with and for teens including in the areas of collection development readers advisory reference and homework help programming and advocacy The book identifies the best ways to have positive interactions with teens in the library based on their mental development and details best practices for teen services The concluding section discusses advocating for teens with emphasis on their right to privacy and equal access to materials and services      **Inclusive Young Adult Fiction** Melanie Ramdarshan

Bold,2019-01-04 This book examines diversity or the lack thereof in young adult fiction YA publishing It focuses on cultural hegemony in the United Kingdom and explores how literary culture aimed at young adults reproduces and perpetuates racial and ethnic cultural hierarchies Diversity is described by the We Need Diverse Books project as all diverse experiences including but not limited to LGBTQIA Native people of color gender diversity people with disabilities and ethnic cultural and religious minorities This study focuses on people of colour While previous studies have looked at the representation of ethnic minorities in books for children and young adults this book examines the experiences of own voice cultural producers that create a counter narrative Specifically this book will investigate the output and experiences of British young adult fiction authors of colour BAME authors published in the UK during the period 2006 2016 drawing upon semi structured interviews with a sample of authors
