Diaz, 2004-01-01 Female Citizens Patriarchs and the Law in Venezuela examines the effects that liberalism had on gender relations in the process of state formation in Caracas from the late eighteenth to the nineteenth century The 1811 Venezuelan constitution granted everyone in the abstract including women the right to be citizens and equals but at the same time permitted the continued use of older Spanish civil laws that accorded women inferior status and granted greater authority to male heads of households Invoking citizenship for their own protection and that of their loved ones some women went to court to claim the

same civil liberties and protections granted to male citizens In the late eighteenth century colonial courts dispensed some protection to women in their conflicts with men a century later however patriarchal prerogatives were reaffirmed in court sentences Discouraging as this setback was the actions of the women who had fought these legal battles raised an awareness of the discrepancies between the law and women s daily lives laying the groundwork for Venezuelan women s organizations in the twentieth century Drawing on a wealth of primary sources historian Arlene D az shows how the struggle for political power in the modern state reinforced and reproduced patriarchal authority She also reveals how Venezuelan women from different classes in public and private coped strategically with their paradoxical status as equal citizens who nonetheless lacked power because of their gender Shedding light on a fundamental but little examined dimension of modern nation building *Female Citizens Patriarchs and the Law in Venezuela* gives voice to historic Venezuelan women while offering a detailed look at a society making the awkward transition from the colonial world to a modern one *Only Love Can Make It Easy* Bill Coleman,Patty Coleman,1997 This marriage preparation program has been newly updated to reflect contemporary challenges that couples face in developing a healthy loving relationship *The End of Love* Sabrina Strings,2024-01-30 From Playboy to Jay Z the racial origins of toxic masculinity and its impact on women especially Black and insufficiently white women More men than ever are refusing loving partnerships and commitment and instead seeking out situationships When these men deign to articulate what they are looking for in a steady partner they ll often rely on superficial norms of attractiveness rooted in whiteness and anti Blackness Connecting the past to the present sociologist Sabrina Strings argues that following the Civil Rights movement and the integration of women during the Second Wave Feminist movement men aimed to hold on to their power by withholding love and commitment a basic tenet of white supremacy and male domination that served to manipulate all women From pornography to hip hop women especially Black and insufficiently white women were presented as gold diggers props for masturbation and side pieces Using historical research personal stories and critical analysis Strings argues that the result is fuccboism the latest incarnation of toxic masculinity This work shows that men are not innately toxic Nor do they hate love commitment or sex Instead men across race have been working a new code to effectively deny loving partnerships to women who are not pliant slim and white as a new mode of male domination **The Relationship Fix** Jenn Mann,2016-10-13 Relationships aren t easy even the good ones If you are on the verge of a divorce or break up in a great relationship but want to take it to the next level or single and want to make sure your next relationship is better this book is for you Based on cutting edge research and almost three decades of clinical experience as a Marriage and Family Therapist in private practice Dr Jenn Mann teaches you everything you need to know have a deeper more satisfying relationship and the skills to fix one that isn t working Reading Dr Jenn s book is like sitting down with her for a personal session in her treatment room Using her tell it like it is approach Dr Jenn guides you through the six steps needed to get your relationship on track and helps you to Use conflicts to strengthen your relationship Create connection with your partner even

if you haven't felt it for years Change bad patterns Recognize and know what to do when unresolved issues are hurting the relationship Negotiate effectively to get your needs met Make an effective apology using the four R's Learn to forgive Reignite your sex life The Relationship Fix is also filled with case studies and stories from Dr Jenn's clients on VH1's Couples Therapy with Dr Jenn and her popular radio show and on her own personal experiences **Cinema and Ireland** Kevin Rockett, Luke Gibbons, John Hill, 2014-01-21 This was the first comprehensive study of film production in Ireland from the silent period to the present day and of representations of Ireland and Irishness in native British and American films It remains an authority on the topic The book focuses on Irish history and politics to examine the context and significance of such films as Irish Destiny The Quiet Man Ryan's Daughter Man of Aran Cal The Courier and The Dead
