### Welcome to the NextGen Programming Software!!

Thank you for trying the NextGen programming software. This software is intended for use with Intermatic® brand Next Generation time switches. Use for any other purpose is strictly prohibited.

The first screen will give you the opportunity to Browse CD, Install, Contact Us, or Exit the installation utility. To install the NextGen programming software click "Install".

Selecting "Browse CD" will pull up a menu of screens which will allow you to view this manual or the various guides which ship with the Next Generation time switch for installation and manual data entry.

To view these guides you will need the Adobe Acrobat Reader® installed on your computer. If you do not have Adobe Acrobat Reader® installed it is included along with the option to install it from the CD. After reviewing the included information you can return to the main menu by clicking the "Main Menu" button.

**NOTE:** It is not necessary to have the CD in the drive to use the NextGen programming software, however documentation including this manual are available on the CD.

### Installation

After selecting "Install", the installation wizard will begin and ask you to confirm the installation. You will also be presented with Intermatic's software license agreement. After agreeing to the terms of use, the software will be loaded onto the hard drive of your computer.

When the installation is complete, the installation wizard will display that it has completed the installation. Click finish to leave the installation wizard.
