**The Patriot's Creed** Kris Paronto, 2019-10-22 Army Ranger and bestselling author Kris Paronto reveals the values and creed shared by special forces for self improvement and living a purposeful life When Kris Paronto began talking with civilians about his experiences fighting the terrorist attack on the US State Department Special Mission Compound in Benghazi Libya on September 11 2012 he was surprised at how often people

told him that the story of his extraordinary battle gave them courage to face tough times in their everyday lives The odds were stacked against us that night but the truth is that we refused to quit and we beat them with faith teamwork and the principles that were first instilled in me when I joined the Army You can find those in the Rangers Creed and the Army Values he says and you don t have to be a Special Operations soldier to use them In The Patriot s Creed Kris Paronto uses the seven core Army Values that all soldiers learn in Basic Combat Training and the experiences of other servicemen and women and First Responders to explain how anyone can improve themselves the world around them and live a heroic life The stakes are dramatic for the brave men and women who put their lives on the line to fight for America and too many of their acts of courage and honor are unknown The examples of their persistence and discipline will be inspiring to anyone facing seemingly insurmountable obstacles At a time of national polarization Kris Paronto draws attention to values all readers can share and use and to the honor integrity and courage of true patriots who have gone to great lengths to protect and serve They embody the best of us and make Kris Paronto proud to be an American soldier      **Indestructible Armor** Wayne Hunt,2015-09-30

the divisive investigation Podliska finds Speaker Boehner's selection of party loyalists for the committee placement of vetted staff in crucial investigative assignments to ensure execution of party strategy and over emphasis on former Secretary of State and presidential candidate Hillary Clinton minimized the examination of White House Department of Defense and Intelligence Community responses As a result the investigation failed to determine responsibility for U S policy in Libya an accurate post attack narrative and why the military did not perform a timely rescue
