Reaching People under 30 while Keeping People over 60 Edward H Hammett, 2015-11-10 Seasoned church consultant Edward H Hammett shares his latest insights and suggestions for churches seeking to serve all generations This is an updated version of Hammett s 2007 book *Reaching People Under 40 while Keeping People Over 60* that expands the reach another decade and emphasizes diversity with insight from new contributors Paul L Anderson and Cornell Thomas A TCP Books title *Reaching People Under 40 while Keeping People over 60* Edward H Hammett, 2007-02-01 Many established churches are facing a number of challenges in today s increasingly secular culture Such a shift in many communities creates a challenge of church growth and church health when it seems that satisfying the needs of one group creates barriers to reaching another group So many are asking How do you keep people over sixty years of age who often hold church culture values while at the same time reach people under forty who often hold postmodern values If a church is interested in growing this situation becomes a major challenge *Reaching People under 40 while Keeping People over 60* looks at the church as it seeks to function in a new world It looks at the differences in the generations and at postmodernism not just a generational difference but a global change Most importantly *Reaching People under 40 while Keeping People over 60* looks at what a church can do in this new age to help the church survive and thrive Foreword by Bill Easum A TCP Leadership Series title

The Christian Journey Donald C. Taft, 2009-04-13 This book was created in response to requests from many pastors and lay leaders in churches across America where a Lay Ministry Week end was carried out Frequently pastors would ask us if there was a small group study to help the church assimilate the information presented during the week end a study that could be conducted over a period of several weeks using a lay facilitator It is principally designed for Christians on the journey to discovering more about how God might want to use them in their daily walk The material in the book is identical to the material presented during the week end and is designed with small group questions for each chapter [Banned Questions About the Bible](#) Christian D Piatt, 2011-03-31 From Christian Piatt When I was a teenager my youth minister threw a bible at my head for asking questions Too often for various reasons people don t have the opportunity to ask the hard questions they have about faith religion salvation and the bible And when questions are left unanswered in communities of faith people either seek answers elsewhere or lose interest all together The purpose of the series is to collect the most compelling and challenging questions from various theological areas and pose them to a panel of experts who are challenged with responding in two hundred words or less in plain English This volume addresses challenging or controversial questions about scripture collected from people on Facebook MySpace Twitter and other social networking media Respondents include theology professors clergy lay leaders liberals conservatives and voices representing a spectrum of views The idea behind the books is not so much to provide definitive answers as it is to stimulate thought reflection and discussion By offering multiple perspectives readers have the opportunity to arrive at their own questions Better they come to understand that questioning

faith is not taboo but rather that it can be at the foundation of a strong and growing faith The directive given to each respondent guided them to be concise and to speak in plain language but also not to rely exclusively on the Bible says it justifications or to wax abstract or overly intellectual Instead they write from personal experience as much as possible and provide real life contexts that will allow the average seeker or churchgoer to apply such ideas to their daily lives

Recovering Hope for Your Church Edward H Hammett,2014-08-30 Why seems to be on the lips of many church judicatory and denominational leaders today Why has our church plateaued Why are so few young leaders going into church based ministries Why are so few interested in church these days *Recovering Hope* uncovers the whys creating space to embrace new realities commit to the tough road of recovery and develop new skills structures and ministry designs through a process of spiritual discernment congregational coaching and a deeper reliance on the work and ministry of the Holy Spirit Eddie Hammett a Professional Certified Coach and Church and Clergy Coach for the Cooperative Baptist Fellowship of North Carolina provides a step by step process of hope and health to encourage guide and inspire pastors leaders churches regions and denominations that recovery of hope is possible A TCP Leadership Series title **Newbie Author - This Chick's**
