Its cuisine has developed as a lively potluck supper where discrete culinary traditions have survived, thrived and interacted. For almost 400 years, New York's culinary influence has been felt in other cities and communities worldwide. New York's restaurants such as Delmonico's created and sustained haute cuisine in this country. Grocery stores and supermarkets that were launched here became models for national food distribution. More cookbooks have been published in New York than in all other American cities combined. Foreign and fancy foods including hamburgers, pizza, hot dogs, Waldorf salad and baked Alaska were introduced to Americans through New York.
