New York City Politics Governing Gotham:

New York City Politics Bruce F. Berg, 2007-11-12 Most experts consider economic development to be the dominant factor influencing urban politics They point to the importance of the finance and real estate industries the need to improve the tax base and the push to create jobs Bruce F Berg maintains that there are three forces which are equally important in explaining New York City politics economic development the city's relationships with the state and federal governments which influence taxation revenue and public policy responsibilities and New York City's racial and ethnic diversity resulting in demands for more equitable representation and greater equity in the delivery of public goods and services New York City Politics focuses on the impact of these three forces on the governance of New York City's political system including the need to promote democratic accountability service delivery equity as well as the maintenance of civil harmony This second edition updates the discussion with examples from the Bloomberg and de Blasio administrations as well as current public policy issues including infrastructure housing and homelessness land use regulations and education **New York Politics** Edward V. Schneier, Antoinette Pole, Anthony Maniscalco, 2023-03-15 New York Politics examines aspects of state government that are often hidden in the secret sessions of the parties legislative conferences the closed door budget a complicated array of opaque agencies authorities and local governments and a campaign finance system that lacks transparency New York is unique among the American states in the existence of regional and demographic divisions making it difficult to govern Edward V Schneier Antoinette Pole and Anthony Maniscalco bring clarity and understanding to the politics of the Empire State This third edition of the leading textbook on New York politics combines historical legal statistical and journalistic sources with the candid perspectives of legislators lobbyists and other public officials Critical updates and new information include an analysis of the rise and fall of Governor Andrew Cuomo coverage of growing demographic diversity in New York State and its government and the impact of unified government when the legislature and executive branch are both controlled by the Democratic Party *The Oxford Handbook of New York State Government and Politics* Gerald Benjamin, 2012-09-20 The Oxford Handbook of New York State Government and Politics brings together top scholars and former and current state officials to explain how and why the state is governed the way that it is The book's thirty one chapters assemble new scholarship in key areas of governance in New York document the state's record in comparison to other U S states and identify directions for future research New York State: Peoples, Places, and Priorities Joanne Reitano, 2015-08-11 The state of New York is virtually a nation unto itself Long one of the most populous states and home of the country's most dynamic city New York is geographically strategic economically prominent socially diverse culturally innovative and politically influential These characteristics have made New York distinctive in our nation's history In New York State Peoples Places and Priorities Joanne Reitano brings the history of this great state alive for readers Clear and accessible the book features Primary documents and illustrations in each chapter encouraging engagement with historical

sources and issues Timelines for every chapter along with lists of recommended reading and websites Themes of labor liberty lifestyles land and leadership running throughout the text Coverage from the colonial period up through the present day including the Great Recession and Andrew Cuomo s governorship Highly readable and up to date New York State Peoples Places and Priorities is a vital resource for anyone studying teaching or just interested in the history of the Empire State

The Pragmatist Joseph P. Viteritti,2017 The two main characters of Joseph P Viteritti s *The Pragmatist* Bill de Blasio and New York City itself are used to tell the story of the rise fall and rebirth of progressivism in America s major urban center and in the process introduce us to the contributions and distractions of every mayor since La Guardia demonstrating that the road to progress was never a direct journey

Urban Politics Bernard H. Ross,Myron A. Levine,2011-08-10 This popular text mixes the best classic theory and research on urban politics with the most recent developments in urban and metropolitan affairs Its very balanced and realistic approach helps students to understand the nature of urban politics and the difficulty of finding effective solutions in a suburban and global age The eighth edition provides a comprehensive review and analysis of urban policy under the Obama administration and brand new coverage of sustainable urban development A new chapter on globalization and its impact on cities brings the history of urban development up to date and a focus on the politics of local economic development underscores how questions of economic development have come to dominate the local arena The book traces the changing style of community participation including the emergence of CDCs BIDs and other new style service organizations It analyzes the impacts of the New Regionalism the New Urbanism and much more at an approachable level The eighth edition is significantly shorter and more affordable than previous editions and the entire text has been thoroughly rewritten to engage students Boxed case studies of prominent recent and current urban development efforts provide material for class discussion and concluding material demonstrates the tradeoff between more ideal and more pragmatic urban politics Source material provides Internet addresses for further research

Robert Wagner and the Rise of New York City's Plebiscitary Mayoralty: The Tamer of the Tammany Tiger Richard M. Flanagan,2014-12-12 Robert Wagner was New York City s true New Deal mayor killed Tammany Hall The world Wagner shaped delivers municipal services efficiently at the cost of local democracy The story of Wagner s mayoralty will be of interest to anyone who cares about New York City local democracy and the debate about the legacy of the City s important leaders

Urban Politics Myron Levine,2015-02-20 This popular text mixes classic theory and research on urban politics with the most recent developments and data in urban and metropolitan affairs Its balanced and realistic approach helps students understand the nature of urban politics and the difficulty of finding effective solutions in a suburban and global age The ninth edition has been thoroughly rewritten and updated with a continued focus on economic development and race plus renewed attention to globalization gentrification and changing demographics Boxed case studies of prominent recent and current urban development efforts provide material for class discussion and concluding material demonstrates the tradeoff between more ideal and more

pragmatic urban politics Key changes in this edition include Every chapter has been thoroughly updated and rewritten The Ninth Edition reflects the most current census data and the newest trends in such areas as the new immigration suburbanization gentrification and big city revivals There is coverage of the big city pension crisis and politics in Stockton Detroit and other cities facing possible bankruptcy A brand new opening chapter introduces the concepts of the Global City the Entertainment City and the Bankrupt City New photos and boxes appear throughout the book Increased coverage of policies for sustainable urban development

The Lofts of SoHo Aaron Shkuda, 2024-06-19 A groundbreaking look at the transformation of SoHo American cities entered a new phase when beginning in the 1950s artists and developers looked upon a decaying industrial zone in Lower Manhattan and saw not blight but opportunity cheap rents lax regulation and wide open spaces Thus SoHo was born From 1960 to 1980 residents transformed the industrial neighborhood into an artist district creating the conditions under which it evolved into an upper income gentrified area Introducing the idea still potent in city planning today that art could be harnessed to drive municipal prosperity SoHo was the forerunner of gentrified districts in cities nationwide spawning the notion of the creative class In *The Lofts of SoHo* Aaron Shkuda studies the transition of the district from industrial space to artists enclave to affluent residential area focusing on the legacy of urban renewal in and around SoHo and the growth of artist led redevelopment Shkuda explores conflicts between residents and property owners and analyzes the city's embrace of the once illegal loft conversion as an urban development strategy As Shkuda explains artists eventually lost control of SoHo's development but over several decades they nonetheless forced scholars policymakers and the general public to take them seriously as critical actors in the twentieth century American city

We Are Gotham Richard A. Hall, Maria Antonieta Reyes, Josh Plock, 2022-09-20 The television series *Gotham* gave viewers a unique perspective on the fascinating world of Batman the legendary comic book character More than a simple origin story the series introduces viewers to a pre Batman Gotham City where young hero cop James Gordon fights a one man war on crime In a city where crime is evolving from traditional organized crime to a city plagued by flamboyant and psychotic super villains there is a desperate need for a Batman All of this is witnessed by Bruce Wayne who was orphaned after his parents were murdered This book details how characters and story lines throughout the series touch on modern America our ethics and flaws our fears and aspirations Chapters also explore the show's unique twists to classic depictions of the franchise's characters who have been adored by millions of fans across the decades Throughout the text the authors examine *Gotham* for its insight into 21st century America concluding in the exhilarating and frightening conclusion that We ARE Gotham

Racial Inequality in New York City since 1965 Benjamin P. Bowser, Chelli Devadutt, 2019-08-23 In the past the study of racial inequality in New York City has usually had a narrow focus examining particular social problems affecting ethnic racial groups In contrast this book provides a comprehensive overview of racial inequality in the city's economy housing and education sectors over the last half century A collection of original essays by some of New York's most well known and

emerging urban experts *Racial Inequality in New York City since 1965* explores what city government has done and failed to do to address racial inequality It examines the changes in circumstances of Asian Latino West Indian and African American New Yorkers outlining how theirs have either improved or deteriorated relative to their white counterparts The contributors also analyze how practices and policies in policing public housing public health and community services have maintained racial inequality and discuss how political participation can increase social capital among city residents in order to reduce racial inequality The book concludes by offering a compendium of practical recommendations and actions that can be implemented to address racial inequality in the city

City of Forests, City of Farms Lindsay K. Campbell, 2017-10-15 *City of Forests City of Farms* is a history of recent urban forestry and agriculture policy and programs in New York City Centered on the 2007 initiative PlaNYC this account tracks the development of policies that increased sustainability efforts in the city and dedicated more than 400 million dollars to trees via the MillionTreesNYC campaign Lindsay K Campbell uses PlaNYC to consider how and why nature is constructed in New York City Campbell regards sustainability planning as a process that unfolds through the strategic interplay of actors the deployment of different narrative frames and the mobilizing and manipulation of the physical environment which affects nonhuman animals and plants as well as the city's residents Campbell zeroes in on a core omission in PlaNYC's original conception and funding Despite NYC having a long tradition of community gardening particularly since the fiscal crisis of the 1970s the plan contained no mention of community gardens or urban farms Campbell charts the change of course that resulted from burgeoning public interest in urban agriculture and local food systems She shows how civic groups and elected officials crafted a series of visions and plans for local food systems that informed the 2011 update to PlaNYC *City of Forests City of Farms* is a valuable tool that allows us to understand and disentangle the political decisions popular narratives and physical practices that shape city greening in New York City and elsewhere

Mayor Michael Bloomberg Lynne A. Weikart, 2021-09-15 In *Mayor Michael Bloomberg* Lynne A Weikart dives into the mayoralty of Michael Bloomberg offering an incisive analysis of Bloomberg's policies during his 2002-2014 tenure as mayor of New York and highlighting his impact on New York City politics Michael Bloomberg became mayor of New York just four months after the 9/11 terrorist destruction of the World Trade Center and he led the rebuilding of a physically and emotionally devastated city so well that within two years the city had budget surpluses Weikart reveals how state and federal governments constrained Bloomberg's efforts to set municipal policy and implement his strategic goals in the areas of homelessness low income housing poverty education and crime External powers of state and federal governments are strong currents and Bloomberg's navigation of these currents often determined the outcome of his efforts Weikart evaluates Michael Bloomberg's mayoral successes and failures in the face of various challenges externally the constraints of state government and mandates imposed by federal and state courts and internally the impasse between labor unions and Bloomberg Weikart identifies and explores both the self-created restrictions of Mayor Bloomberg's own

management style and the courage of Mike Bloomberg's leadership

The Global City 2.0 Kristin Ljungkvist, 2015-08-27

Global cities all over the world are taking on new roles as they increasingly participate directly and independently in international affairs and global politics. So far surprisingly few studies have analyzed the role of the Global City beyond its already well explicated role in the globalized economy. How is it that local governments of Global Cities claim international political authority and develop what appears to be their own independent foreign and security policies despite the fact that such policy areas have traditionally been considered to be the core function of nation states and central governments? What does it mean to be and to govern the contemporary Global City? In this book Kristin Ljungkvist claims that we can better understand why local governments find it to be in their Global City's interest to claim international political authority by exploring how the city's role in the globalized world is constructed and narrated locally. A core claim is that Global City hood as a specific type of collective identity can play a constitutive part in such interest formation. Combining insights from International Relations and Urban Studies scholarship and with the help of a case study on New York City Ljungkvist develops a new analytical framework for studying the Global City as an international political actor. The Global City 2.0 shows that even as the Global City engages in various global issues such as global environmental governance or counterterrorism such pursuit will be framed and rationalized in terms of the city's economic growth. The quest for growth and global competitiveness are not necessarily the only available meanings attached to the being and governing of the contemporary Global City. However there seems to be a remarkable persistency and attraction in economic ideas and an economic conception of the Global City.

Defining Democracy Daniel O. Prosterman, 2012-12-27

In 1936 New Yorkers approved a radical change in local democracy. By a margin of nearly two to one they replaced the corrupt board of aldermen with a city council elected via proportional representation (PR). Rather than traditional winner take all elections between two candidates representing two political parties PR allowed voters to rank candidates on their ballots in order of preference and guaranteed victory to anyone polling more than 75,000 votes. This system enabled the election of the most diverse legislatures in New York's history comprised of the city's first African American legislators and unprecedented numbers of women and third party representatives. With their authority threatened the Democratic and Republican parties allied against PR and the system's coalition of supporters. Following several unsuccessful repeal attempts led by the two major parties the election of two Communists spurred a groundswell of red baiting that set the stage for a battle that would define New York City governance for generations. Defining Democracy examines struggles over electoral reform in New York City to clarify our understanding of democracy's evolution in the United States and the world. In the midst of global crises concerning the purpose and power of government during the Great Depression, Second World War and early Cold War New Yorkers debated the meaning of self rule in the United States. Through a series of campaigns over the expansion of voting rights in New York City activists challenged the boundaries of who could be elected, what interests could be represented and ultimately what

policies could be implemented at the local level **World Cities and Nation States** Greg Clark,Tim Moonen,2016-11-11 World Cities and Nation States takes a global perspective to show how national governments and states provinces regions continue to play a decisive and often positive partnership role with world cities The 16 chapter book comprised of two introductory chapters 12 central chapters that draw on case studies and two summary chapters draws on over 40 interviews with national ministers city government officials business leaders and expert academics **Cultures and Globalization** Helmut K Anheier,Yudhishtir Raj Isar,2012-03-31 Today is a new metropolitan age and for the first time ever more people live in cities than they do anywhere else As cities strengthen their international and cultural influence the global world is acted out most articulately in the world s urban hubs through its diverse cultures broad networks and innovative styles of governance Looking at the city through its internal dynamics the book examines how governance and cultural policy play out in a national and international framework Making a truly global contribution to the literature the editors bring together a truly international and highly respected bevy of scholars In doing so they skilfully steer debates beyond the city as an economic powerhouse to cover issues that fully comprehend a city s cultural dynamics and its impact on policy including alternative economies creativity migration diversity sustainability education and urban planning Innovative in its approach and content this book is ideal for students scholars and researchers interested in sociology urban studies cultural studies and public policy Battling Bella Leandra Ruth Zarnow,2019-11-26 Bella Abzug s promotion of women s and gay rights universal childcare green energy and more provoked not only fierce opposition from Republicans but a split within her own party The story of this notorious galvanizing force in the Democrats New Politics insurgency is a biography for our times Before Alexandria Ocasio Cortez Elizabeth Warren or Hillary Clinton there was New York s Bella Abzug With a fiery rhetorical style forged in the 1960s antiwar movement Abzug vigorously promoted gender parity economic justice and the need to bring Congress back to the people The 1970 congressional election season saw Abzug in her trademark broad brimmed hats campaigning on the slogan This Woman s Place Is in the House the House of Representatives Having won her seat she advanced the feminist agenda in ways big and small from gaining full access for congresswomen to the House swimming pool to cofounding the National Women s Political Caucus to putting the title Ms into the political lexicon Beyond women s rights Sister Bella promoted gay rights privacy rights and human rights and pushed legislation relating to urban environmental and foreign affairs Her stint in Congress lasted just six years it ended when she decided to seek the Democrats 1976 New York Senate nomination a race she lost to Daniel Patrick Moynihan by less than 1 percent Their primary contest while gendered was also an ideological struggle for the heart of the Democratic Party Abzug s protest politics had helped for a time to shift the center of politics to the left but her progressive positions also fueled a backlash from conservatives who thought change was going too far This deeply researched political biography highlights how as 1960s radicalism moved protest into electoral politics Abzug drew fire from establishment politicians across the political spectrum

but also inspired a generation of women *New York and Los Angeles* David Halle, Andrew A. Beveridge, 2013-05-23 This interdisciplinary analysis of New York and Los Angeles the nation's two largest cities and urban regions is the first in depth study of the two cities and regions to incorporate new census data and an analysis of the impact of the ongoing financial crisis and economic recession

Planning World Cities Peter Newman, Andy Thornley, 2011-06-21 This major comparative text on urban planning and the global and regional context in which it takes place examines what have been traditionally regarded as world cities New York London Tokyo and also a range of other important cities in America Europe and Asia The authors show the role planning has played in the way cities have responded to the forces of globalization and argue for the importance of diverse rather than one size fits all planning practices This fully revised second edition systematically brings the debates on the impact of globalization right up to date and provides integrated coverage of the latest planning theory and practice It also contains extended analysis of the implications of the rapid growth of Chinese cities such as Shanghai Hong Kong and Beijing New material is included on the impact of globalization on poorer mega cities like Mumbai and Johannesburg
