The Biology of Belief 10th Anniversary Edition Bruce H. Lipton, PHD,2016-10-11 This 10th anniversary edition of Bruce Lipton s best selling book The Biology of Belief has been updated to bolster the book s central premise with the latest scientific discoveries and there have been a lot in the last decade The Biology of Belief is a groundbreaking work in the field of new biology Former medical school professor and research scientist Bruce H Lipton Ph D presents his experiments and those of other leading edge scientists which examine in great detail the mechanisms by which cells receive and process information The implications of this research radically change our understanding of life showing

that genes and DNA do not control our biology instead DNA is controlled by signals from outside the cell including the energetic messages emanating from our positive and negative thoughts This profoundly hopeful synthesis of the latest and best research in cell biology and quantum physics has been hailed as a major breakthrough showing that our bodies can be changed as we retrain our thinking

The Crafty Poet II: A Portable Workshop Diane Lockward, 2017-01-10 The Crafty Poet II is organized into ten sections beginning with Revising Your Process That section is followed by one on Entryways into Poems which considers how a poet might get going with a poem and how a poet might pull in a reader with humor and enticing titles There is in depth discussion of the importance of choosing the right words using syntax line breaks and spacing to advantage and enhancing the music of poems There is a meaty section on how to add complication to your poems another on how to divert or transform your poems from their original intention and another on special forms of poems In Expanding the Material three poets consider how to write poetic sequences using paintings photographs and history The final section Revision moves beyond the usual advice to get rid of adjectives as one poet offers ways to revise via sound another offers a series of expansion strategies and finally poet Dick Allen issues a warning against excessive revision All ten sections include three craft tips each provided by an experienced accomplished poet Each of these thirty craft tips is followed by a Model poem and a Prompt based on the poem Each model poem is used as a mentor expressing the underlying philosophy of the book that the best teacher of poetry is a good poem Each prompt is followed by two Sample poems which suggest the possibilities for the prompts and should provide for good discussion about what works and what doesn't Each section includes a Poet on the Poem Q A about the craft elements in one of the featured poet's poems Each section concludes with a Bonus Prompt each of which provides a stimulus on those days when you just can't get your engine started
