**Saving a Sick America** Michael L. Brown, PhD, 2017-09-26 Nationally syndicated radio host and columnist Michael Brown provides a handbook for a biblically based moral and cultural renaissance revealing that the key to recapturing America s greatness consists in returning to our spiritual and moral roots America is at a tipping point and never has this been more apparent than right now We are in danger of losing our spiritual and moral heritage making many believe that we have fallen beyond the point of recovery This book is here to say that yes we have fallen In fact fallen much further than we realize but that our country s best days are ahead with the help of a radical moral and cultural revolution beginning with the church This book is a manual for the revolution On all fronts Americans are talking about the need for revolution arguing from the left and the right that the status quo must go This book comes at just the right time as people are wondering what in the world has happened to our country from the homes to the college campuses from the inner cities to the White House from our national debt to the material found on our computers and TV screens In clear compelling prose Brown covers topics ranging from the sexualization of pop culture to the dumbing down of our schools to the undermining of family structures to a pervasive culture of entitlement while pointing consistently to the Bible s solution to these issues A radical call for reformation written with sobriety and hope *Saving a Sick America* provides the inspiration and guidance necessary for a moral and cultural revolution

**Hijacked!** Clarence Washington Sr., 2021-06-24 In this four volume series *Hijacked How Dr King s Dream Became a Nightmare* author Clarence Washington Sr dissects Dr Martin Luther King s dream and explores how our failure to adhere to its principles has allowed the dream to be hijacked and turned to a nightmare and it s time to wake up In the second volume of the *Hijacked* collection *The Hijack* the author analyzes the various methods by which Dr King s

dream is being hijacked and demonstrates the fruitless negative results that such methods are destined to impart to individual Americans and the nation as a whole This volume uncovers hidden agendas of the disciples of Saul Alinsky s rules for radicals the disciples of James Cone s Black liberation theology and the hidden agendas of other leftists and progressive elitists in America The author reveals how their philosophically biblically and historically errant ideologies have pervaded the minds of desperate people of meager means the softminded and the easily deceived in our nation with belief systems that have enslaved instead of freeing them For the full dissection of Dr King s dream and how our failure to adhere to its principles has led to a nightmare explore the other volumes in *Hijacked How Dr King s Dream Became a Nightmare* Other volumes in this series focus on the dream the nightmare and how we can recover *The World From Outside Its Box* Brent Lang,2016-10-24 *The World from Outside Its Box* takes an in depth look at what many of us do not consider as we get caught up in our everyday routines our collection of thoughts and emotions that wrap us up into what we think is our reality *The World from Outside Its Box* is exactly that a world from outside its box *Barack Obama's Promised Land* Jack Cashill,2021-07-06 In his introduction to the world at the 2004 Democratic National Convention then state senator Barack Obama insisted There is not a liberal America and a conservative America there is the United States of America There is not a Black America and a White America and Latino America and Asian America there s the United States of America But as his latest memoir *A Promised Land* makes clear Obama inhabits a smug elite liberal America in which conservatives are not welcome Indeed from Obama s perspective their every thought gesture and vote is insincere and likely racist Although the Obama memoir is obsessed with race Obama as president and as writer has refused to address the one problem he knew to be at the heart of America s racial divide the disintegration of the black family While Obama and his peers have profited from the opportunities America offers his lack of courage has doomed the black inner city to another generation of crime drugs and educational failure To divert attention from his own failure Obama has cast the right as the other in his ongoing melodrama driving a wedge between black and white that will take generations to heal *Liberalism Or How to Turn Good Men Into Whiners, Weenies and Wimps* Burgess Owens,2016-07-19 As seen on Tucker Carlson Tonight and The Ingraham Angle on Fox News As heard on Mark Levin and Glenn Beck radio *The Black middle class saviors of the American way Liberalism or How to Turn Good Men into Whiners Weenies and Wimps* documents the role of the 21 white self avowed socialist atheist and Marxist founders of the NAACP and their impact on the Black community s present status at the top of our nations misery index It highlights the decades of anti Black legislation supported by liberal black leaders who prioritized class over race in their zeal for the promises of socialism Their anti Black legislation dating back with the 1932 Davis Bacon Act continues today to suppress inter community Black capitalism federal construction related Black employment work and job experience for Black teenagers quality education access for urban black children and the role of black men as leaders within the family unit *Liberalism or How to Turn Good Men into Whiners Weenies and Wimps* highlights the strategy used in
