Burns' Pediatric Primary Care - E-Book Dawn Lee Garzon, Mary Dirks, Martha Driessnack, Karen G. Duderstadt, Nan M. Gaylord, 2023-11-27. Selected for Doody's Core Titles 2024 in Pediatrics. Build a comprehensive foundation in children's primary care. Burns Pediatric Primary Care 8th Edition covers the full spectrum of health conditions seen in primary care pediatrics, emphasizing both prevention and management. This in-depth, evidence-based textbook is the only one on the market written from the unique perspective of the Nurse Practitioner. It guides you through assessing, managing and preventing health problems in children from infancy through adolescence. Key topics include developmental theory, issues of daily living, the health status of children today and diversity and cultural considerations. Updated content throughout reflects the latest research, evidence, national and international protocols and standardized guidelines. Additionally, this edition includes three new chapters on topics such as palliative care, inclusivity, equity, diversity and justice, and child maltreatment. Comprehensive content provides a complete foundation in the primary care of children from the unique perspective of the Nurse Practitioner and covers the full spectrum of health conditions seen in the primary care of children, emphasizing both prevention and management. In-depth guidance covers assessing and managing pediatric health problems in patients from infancy through adolescence. Highlights indicate situations that require urgent action, consultation or referral for additional treatment outside the primary care setting. Coverage of activities related to every child's daily living, such as nutrition and toilet training, explores issues that could lead to health problems unless appropriate education and guidance are given. Algorithms throughout the book provide a concise overview of the evaluation and management of common disorders. Resources for providers and families are included throughout the text for further information. Expert editor team is well versed in the scope of practice and knowledge base of Pediatric Nurse Practitioners (PNPs) and Family Nurse Practitioners (FNPs).
