## **New Philadelphia In Vintage Postcards Oh Postcard History Series:**

New Philadelphia in Vintage Postcards Erin L. VanFossen,2004 In 1772 Native Americans granted land in the Tuscarawas Valley to Moravian missionary David Zeisberger and he established the Christian community of Schoenbrunn Village which remained until 1777 when members were forced to relocate Then in late 1804 John Knisely his family and other pioneers braved the western frontier and settled on the Tuscarawas River near the Schoenbrunn Village site On October 23 1804 John Knisely founded the town of New Philadelphia He was a great philanthropist donating land to the city for future public buildings guaranteeing its selection as the Tuscarawas County Seat In Schoenbrunn Village which has been partially excavated and rebuilt as a historic site in New Philadelphia missionaries lived in harmony with Native Americans and so it seems fitting that New Philadelphia through the influence of John Knisely s generosity has maintained its image as the new city of brotherly love Two hundred years later the city strives to keep Knisely s dream alive with its generous allocation of resources and commitment to those in need     The Catskills in Vintage Postcards Irwin Richman,1999 From the 1890s through the 1920s the postcard was an extraordinarily popular means of communication Many of the postcards produced during this golden age and even some from later years can today be considered works of art Postcard photographers traveled the length and breadth of the nation snapping photographs of busy street scenes documenting local landmarks and assembling crowds of local children only too happy to pose for a picture These images printed as postcards and sold in general stores and five and dimes across the country survive as telling reminders of an important era in America s history This fascinating new history of the Catskills of New York showcases more than two hundred of the best most evocative vintage postcards available     **American Holiday Postcards, 1905-1915** Daniel Gifford,2013-08-29 In the early 20th century postcards were one of the most important and popular expressions of holiday sentiment in American culture Millions of such postcards circulated among networks of community and kin as part of a larger American postcard craze However their uses and meanings were far from universal This book argues that holiday postcards circulated primarily among rural and small town Northern white women with Anglo Saxon and Germanic heritages Through analysis of a broad range of sources Daniel Gifford recreates the history of postcards to account for these specific audiences and reconsiders the postcard phenomenon as an image based conversation among exclusive groups of Americans A variety of narratives are thus revealed the debates generated by the Country Life Movement the empowering manifestations of the New Woman the civic privileges of whiteness and the role of emerging technologies From Santa Claus to Easter bunnies flag waving turkeys to gun toting cupids holiday postcards at first seem to be amusing expressions of a halcyon past Yet with knowledge of audience and historical conflicts this book demonstrates how the postcard images reveal deep divides at the height of the Progressive Era     Subject Guide to Books in Print ,1991     **Atkinson's Evening Post and Philadelphia Saturday News** ,1906     *Warman's Americana and Collectibles* Edwin G. Warman,1988     **Lincoln Postcard Catalog** James L. Lowe,1973
