*New Rights Advocacy* Paul J. Nelson, Ellen Dorsey, 2008 The authors introduce a concept they call new rights advocacy which has at its core three main trends They draw on case studies of international NGOs and employ perspectives from the fields of human rights international relations and development theory to better understand the changes occurring within NGOs

*Introducing Globalization* Richard W. Mansbach, Edward Rhodes, 2012-08-23 Looking for a reader on globalization that is just as exciting as the topic itself That comprehensively covers the issues and perspectives you and your students want to talk about That frames the readings with clear substantial and original analysis by a pair of preeminent scholars In their new edited volume Mansbach and Rhodes offer the guidance students need to work through the varied and lively selections of scholarly and journalistic theoretical and practical pieces from both U S and international writers

**Expanding Human Rights** Alison Brysk, Michael Stohl, 2017-01-27 The 21st century demands expanding rights as the established human rights regime is necessary but not sufficient This project will analyze the global dynamics of the mobilization of new actors claims institutions and modes of accountability Our multi disciplinary multi method analysis draws from a full range of global experience with balanced attention to civil political and social economic rights from LGBT movements in the new Europe to campaigns for the right to food in India

**Contesting World Order?** Joe Wills, 2017-04-13 Global and domestic policies and the rapid processes of economic globalisation have led to burgeoning levels of inequality Drawing upon insights from critical international relations theory this book explores how global justice movements use socioeconomic rights to challenge neo liberal global governance

*Demands of Justice* Ann Marie Clark, 2022-02-24 Clark demonstrates how human rights advocates developed unique tools to oppose human rights violations and seek justice in global politics

*Global Development and Human Rights* Paul J. Nelson, 2021-06-22 Global Development and Human Rights analyses global efforts to implement long term goals that seek to promote the health happiness and freedoms of individuals

Legal Mobilization under Authoritarianism Waikeng Tam, 2012-11-29 Legal mobilization is the process by which individuals invoke their legal rights and use litigation to defend or develop these rights against the government In recent years increasing attention has been paid to this phenomenon as it occurs under authoritarian regimes It is often suggested that in such situations legal mobilization is caused by the strategic interests of the ruling elites Using the case study of post colonial Hong Kong where legal mobilization has by no means unfolded as political authorities would wish Waikeng Tam casts doubt on this contention To do so he examines in depth why and how legal mobilization arises under authoritarianism Tam analyses quantitative data of changes in the Hong Kong judiciary agendas over the last three decades and uses detailed interviews with activists politicians cause lawyers judges and government officials to reveal the complex underlying socio political forces at play

Power, Gender and Social Change in Africa Raj Bardouille, Margaret Grieco, 2009-03-26 Gender plays a hugely significant and too often under considered role in predicting how accessible resources such as education wage based employment

physical and mental health care adequate nutrition and housing will be to an individual or community According to a 2001 World Bank report titled Engendering Development Through Gender Equality in Rights Resources and Voice enormous disparities exist between men and women in terms of basic rights and the power to determine the future both in Africa and around the globe A better understanding of the links between gender public policy and development outcomes would allow for more effective policy formulation and implementation at many levels This book through its discussion of the challenges achievements and lessons learned in efforts to attain gender equality sheds light on these important issues The book contains chapters from an interdisciplinary group of scholars including sociologists economists political scientists scholars of law anthropologists historians and others The work includes analysis of strategic gender initiatives case studies research and policies as well as conceptual and theoretical pieces With its format of ideas resources and recorded experiences as well as theoretical models and best practices the book is an important contribution to academic and political discourse on the intricate links between gender power and social change in Africa and around the world

**Stemming the Tide** Madeline Baer, 2017-08-01 When privatization of public services swept the developing world in the 1990s it was part of a seemingly unstoppable tide of

neoliberal reforms aimed at reducing the role of the state and reorienting economies toward market led policymaking Water privatization one of the more unpopular policies of the neoliberal development paradigm sparked a particularly fierce debate and gave rise to a movement of self proclaimed water warriors who advocated for legal recognition of water as a basic human right to be protected and fulfilled by states Broadening the debate Madeline Baer questions whether either approach the market approach or a human rights based approach leads to improved access to water More specifically Baer explores how the human right to water and sanitation is fulfilled in different contexts whether neoliberal policies like privatization pose a threat to the right to water and whether rights fulfillment leads to meaningful social change Using two case studies Chile the most extreme case of water privatization in the developing world and Bolivia the birthplace of the global movement for the human right to water Stemming the Tide uncovers the conditions under which the right to water and sanitation can be fulfilled as well as the obstacles to fulfillment Ultimately this book argues that deepening mechanisms for citizen participation strengthening accountability and creating alternatives to the state market binary can help achieve meaningful social transformation in the water sector Rights-Based Community Practice and Academic Activism in a Turbulent World

Jim Torczyner, 2020-12-20 Drawing on a theoretical model of coexistence premised on universality reciprocity and inclusion this book focusses on the development of academic social work programs and cross border partnerships to promote social justice and peace in Israel Palestine and Jordan Using the model of rights based practice initiated by Professor Torczyner in Montreal and brought to the Middle East in the 1990s it shows how the creation and brokering of cross border partnerships added the concept of rights based practice to the lexicon of these countries established groundbreaking advocacy centers in the hearts of disadvantaged communities developed academic social work programs and initiated important policy changes in each country to reduce inequality and promote social inclusion Showing how this evolving method of rights based practice rooted in theories of coexistence was uniquely adapted in different contexts and cultures while negotiating complex volatile political environments it illustrates how long term peace can be advanced when like minded people irrespective of nationality or religion find ways to promote common interest and a regional culture where all people share the same rights This book will be of interest to all social work students and practitioners interested in community organization and rights based practice as well as scholars policy makers and practitioners of international development political science peace studies Jewish studies Middle Eastern studies reconciliation and conflict resolution **The SAGE Encyclopedia of War: Social**
