New York Times Sunday Book Review:

The Virtue of Suspense Rick Cypert, 2008 Does experiencing a suspenseful situation allow one to develop virtue The suspense writer Charlotte Armstrong 1905-69 no doubt believed that it could In her works she implied the benefits of experiencing suspense by illustrating the rhetorical benefits of resolving it ethically or virtuously Thus in their dealings with other characters her protagonists discover a virtuous approach to resolving suspense that involves an expanded view of the language one uses and the perspective one adopts After writing a number of theatrical plays Armstrong began writing mysteries whodunits and then at the advice of her literary agent changed directions She began writing suspense stories so that her readers if not the other characters would know the identity of the villain This move left her free to focus on how one creates suspense and to what end Her shift in focus coincided with the family's move from New Rochelle NY to Glendale CA in the mid 1940s in time for Armstrong to absorb the elements of suspense in the new genre of film noir Nonetheless while informed by film noir Armstrong's work is set in the everyday the commonplace where with one simple action a series of events are set into motion that keep readers in high suspense In Armstrong's correspondence one observes the lucrative market of women's magazines and newspapers for serialized novels and short stories the painful bottom line of publishing houses the diplomatic skills of literary agents toward their authors the advent of television and its markets for and marketing of literary works and the ever present and ever elusive offers from the film industry This book seeks to understand Armstrong's contribution to popular fiction through an exploration of her childhood diaries her adult correspondence her published and cinematic works the reviews of those works and the recollections of her agent children and grandchildren What emerges is the portrait of a writer whose determination curiosity analytic mien and ideas about humanity shaped her writing in ways that fascinated her critics and readers a fashion that perhaps unconsciously recognized the virtue of suspense in her written works BOOK JACKET **Nominations of Jeffrey Garten, Mary Jo Bane, George Munoz, and June Gibbs Brown** United States. Congress. Senate. Committee on Finance, 1993 The Evil of Banality Elizabeth K. Minnich, 2024-10-08 In this expanded edition of *The Evil of Banality* Elizabeth Minnich argues for a tragic yet hopeful explanation of extensive evil her term for systematic normalized harm doing on the scale of genocide slavery sexualized dominance The book now includes a new preface new chapter and expanded afterword addressing ongoing extensive evils the paradox of lying and the importance of developing the thinking without which conscience remains mute Extensive evils are actually carried out not by psychopaths but by people like your quiet next door neighbor your ambitious colleagues There simply are not enough moral monsters to do the long hard work of extensive evils nor enough saints for extensive good In periods of extensive evil people little different from you and me do its work for no more than a better job a raise the house of the family disappeared last week So how can there be hope Such evils are neither mysterious nor demonic If we avoid romanticizing both the worst and best of which humans are capable we can recognize and say no to extensive evil practice and sustain extensive good where

they must take root in ordinary lives Inside Newark Robert Curvin, 2014-07-09 For decades leaders in Newark New Jersey have claimed their city is about to return to its vibrant past How accurate is this prediction Is Newark on the verge of revitalization Robert Curvin who was one of New Jersey's outstanding civil rights leaders examines the city chronicling its history politics and culture Throughout the pages of *Inside Newark* Curvin approaches his story both as an insider who is rooting for Newark and as an objective social scientist illuminating the causes and effects of sweeping changes in the city Based on historical records and revealing interviews with over one hundred residents and officials *Inside Newark* traces Newark's history from the 1950s when the city was a thriving industrial center to the era of Mayor Cory Booker Along the way Curvin covers the disturbances of July 1967 called a riot by the media and a rebellion by residents the administration of Kenneth Gibson the first black mayor of a large northeastern city and the era of Sharpe James who was found guilty of corruption Curvin examines damaging housing and mortgage policies the state takeover of the failing school system the persistence of corruption and patronage Newark's shifting ethnic and racial composition positive developments in housing and business complexes and the reign of ambitious mayor Cory Booker *Inside Newark* reveals a central weakness that continues to plague Newark that throughout this history elected officials have not risen to the challenges they have faced Curvin calls on those in positions of influence to work for the social and economic improvement of all groups and concludes with suggestions for change focusing on education reform civic participation financial management partnerships with agencies and business improving Newark's City Council and limiting the term of the mayor If Newark's leadership can encompass these changes Newark will have a chance at a true turnaround Watch a video with Robert Curvin Watch video now <http://www.youtube.com/watch?v=v6zV2OQ8A>

El Paso's Muckraker Garna L. Christian, 2015-02-15 A muckraking newspaperman who was once nationally known as a historian of the West Owen Payne White 1879-1946 brought local history to center stage intrigued readers nationally with tales of the Old West and spotlighted corruption in high and low places This long overdue biography restores this overlooked writer to the forefront of western history and journalism White spent his early writing career as a newspaper columnist until his history of *El Paso Out of the Desert The Historical Romance of El Paso* catapulted him into the major leagues of journalism when the publisher brought it to the attention of the *New York Times* and the *American Mercury* White moved to New York and went on to publish eight books on the Old West an autobiography and dozens of articles as a staff editor at *Collier's* He uncovered hypocrisy heroism and crime earning national recognition as well as death threats and a million dollar lawsuit His knowledge of Mexico also allowed him to follow leads south of the border where he covered the aftermath of the Mexican Revolution Through it all White never lost his sardonic wit his scrupulous directness or his intellectual and political independence **American Poetry since 1945** Eleanor Spencer-Regan, 2017-09-16 This book features a collection of essays on some of the key poets of post war America written by leading scholars in the field All the essays have been newly commissioned to take account of the diverse movements in

American poetry since 1945 and also to reflect retrospectively on some of the major talents that have shaped its development In the aftermath of the Second World War American poets took stock of their own tumultuous past but faced the future with radically new artistic ideals and commitments More than ever before American poetry spoke with its own distinctive accents and declared its own dreams and desires This is the era of confessionalism beat poetry protest poetry and avant garde postmodernism This book explores the work of John Berryman Robert Lowell Elizabeth Bishop Adrienne Rich and Sylvia Plath as well as contemporary African American poets and new poetic voices emerging in the 21st century This New Casebook introduces the major American poets of the post war generation evaluates their achievements in the light of changing critical opinion and offers lively incisive readings of some of the most challenging and enthralling poetry of the modern era

African American Culture and Society After Rodney King Josephine Metcalf, Carina Spaulding, 2016-03-09 1992 was a pivotal moment in African American history with the Rodney King riots providing palpable evidence of racialized police brutality media stereotyping of African Americans and institutional discrimination Following the twentieth anniversary of the Los Angeles uprising this time period allows reflection on the shifting state of race in America considering these stark realities as well as the election of the country's first black president a growing African American middle class and the black authors and artists significantly contributing to America's cultural output Divided into six sections The African American Criminal in Culture and Media Slave Voices and Bodies in Poetry and Plays Representing African American Gender and Sexuality in Pop Culture and Society Black Cultural Production in Music and Dance Obama and the Politics of Race and Ongoing Realities and the Meaning of Blackness this book is an engaging collection of chapters varied in critical content and theoretical standpoints linked by their intellectual stimulation and fascination with African American life and questioning how and to what extent American culture and society is past race The chapters are united by an intertwined sense of progression and regression which addresses the diverse dynamics of continuity and change that have defined shifts in the African American experience over the past twenty years

In Their Own Words Fred Erisman, 2021-01-15 Amelia Earhart's prominence in American aviation during the 1930s obscures a crucial point she was but one of a closely knit community of women pilots Although the women were well known in the profession and widely publicized in the press at the time they are largely overlooked today Like Earhart they wrote extensively about aviation and women's causes producing an absorbing record of the life of women fliers during the emergence and peak of the Golden Age of Aviation 1925-1940 Earhart and her contemporaries however were only the most recent in a long line of women pilots whose activities reached back to the earliest days of aviation These women too wrote about aviation speaking out for new and progressive technology and its potential for the advancement of the status of women With those of their more recent counterparts their writings form a long sustained text that documents the maturation of the airplane aviation and women's growing desire for equality in American society In Their Own Words takes up the writings of eight women pilots as evidence of the ties between the growth of

American aviation and the changing role of women Harriet Quimby 1875 1912 Ruth Law 1887 1970 and the sisters Katherine and Marjorie Stinson 1893 1977 1896 1975 came to prominence in the years between the Wright brothers and World War I Earhart 1897 1937 Louise Thaden 1905 1979 and Ruth Nichols 1901 1960 were the voices of women in aviation during the Golden Age of Aviation Anne Morrow Lindbergh 1906 2001 the only one of the eight who legitimately can be called an artist bridges the time from her husband s 1927 flight through the World War II years and the coming of the Space Age Each of them confronts issues relating to the developing technology and possibilities of aviation Each speaks to the importance of assimilating aviation into daily life Each details the part that women might and should play in advancing aviation Each talks about how aviation may enhance women s participation in contemporary American society making their works significant documents in the history of American culture Nominations of Jeffrey E. Garten, Lauri J. Fitz-Pegado, John Despres, and William J. Gilmartin United States. Congress. Senate. Committee on Banking, Housing, and Urban Affairs,1993

Encyclopedia of Romance Fiction Kristin Ramsdell,2018-09-07 As the first encyclopedia solely devoted to the popular romance fiction genre this resource provides a wealth of information on all aspects of the subject Romance fiction accounts for a large share of book sales each year and contrary to popular belief not all of its readers are women roughly 16 percent are men This enormously popular genre continues to captivate people reading for pleasure and it also commands a growing amount of academic interest Included are alphabetically arranged reference entries on significant authors along with works themes and other topics The articles are written by scholars librarians and industry professionals with a deep knowledge of the genre and so provide a thorough understanding of the subject An index provides easy access to information within the entries and bibliographies at the end of each entry a general bibliography and a suggested romance reading list allow for further study of the genre John Dickson Carr S. T. Joshi,1990 John Dickson Carr is known as the master of the locked room mystery the impossible crime But Carr also wrote short stories radio plays essays introductions and book reviews S T Joshi has written the first full length study of Carr s entire work and pays particular attention to this author s three best known detectives Henri Bencolin Dr Gideon Fell and Sir Henry Merrivale

The Internet David Pogue,J. D. Biersdorfer,2006 A guide to the Internet covers such topics as broadband connections searching the Web online shopping games and gambling sites trip planning email instant messaging blogs and downloading songs and videos The River of Life Michael Marchand,Kristiina Vogt,Asep Suntana,Rodney Cawston,John Gordon,Mia Siscawati,Daniel Vogt,John Tovey,Ragnhildur Sigurdardottir,Patricia Roads,2013-10-29 Sustainability defines the need for any society to live within the constraints of the land s capacity to deliver all natural resources the society consumes This book compares the general differences between Native Americans and western world view towards resources It will provide the nuts and bolts of a sustainability portfolio designed by indigenous peoples This book introduces the ideas on how to link nature and society to make sustainable choices To be sustainable nature and its endowment needs to be linked to human behavior similar to the

practices of indigenous peoples The main goal of this book is to facilitate thinking about how to change behavior and to integrate culture into thinking and decision processes Telling the Untold Story Steve Weinberg,1992 Author of his own controversial unauthorized biography of Armand Hammer Steve Weinberg here shows how a new generation of biographers is revealing the lives of powerful individuals in dramatic and important new ways Trained as investigative journalists today s writers have entered a domain once dominated by university scholars Unlike their more academic predecessors who often wrote nonjudgmental books on the public lives of long dead individuals these new biographers are willing to tackle such powerful living subjects as Nancy Reagan Henry Kissinger Hugh Hefner Pete Rose and Fidel Castro Few of these books are adoring Without cooperation from their subjects and sometimes under threat of lawsuit these writers are probing into private lives and enabling readers to make up their own minds about public figures Tracing the evolution of the craft of biography up to the present day Weinberg draws on interviews with some of today s best biographers as well as his own experience with the Hammer biography to highlight the careers of some of the writers whose work exploded the boundaries of traditional biography When Robert Caro became the first journalist to win a Pulitzer Prize for Biography for his book on Robert Moses it marked the dawn of a new approach to the craft Weinberg also explores the techniques of Philadelphia Inquirer journalists Donald Barlett and James Steele whose jointly authored biographies of Howard Hughes and Nelson Rockefeller mark another sign of how far the genre of biography has come The book is enriched by samples of investigative biography at its best including a scathingly honest profile of the reigning queen of unauthorized biography Kitty Kelley and Calvin Trillin s fascinating New Yorker profile of the Miami Herald s inimitable police reporter Edna Buchanan The living of a life is more difficult than the chronicling of it but the chronicling is certainly no simple task writes Weinberg Telling somebody else s life fully fairly and compellingly is probably an impossible task But it is important to keep pushing the limits of the possible For writers reviewers publishers and general readers Telling the Untold Story is a fascinating look at how a new kind of biographer has forever changed our expectations of the genre and continues to push biography to exciting new limits

Encyclopedia of Nordic Crime Fiction Mitzi M. Brunsdale,2016-04-27 Since the late 1960s the novels of Sjowall and Wahloo s Martin Beck detective series along with the works of Henning Mankell Hakan Nesser and Stieg Larsson have sparked an explosion of Nordic crime fiction grim police procedurals treating urgent sociopolitical issues affecting the contemporary world Steeped in noir techniques and viewpoints many of these novels are reaching international audiences through film and television adaptations This reference guide introduces the world of Nordic crime fiction to English speaking readers Caught between the demands of conscience and societal strictures the detectives in these stories like the heroes of Norse mythology know that they and their world must perish but fight on regardless of cost At a time of bleak eventualities Nordic crime fiction interprets the bitter end as a celebration of the indomitable human spirit Edwidge Danticat Mary Ellen Snodgrass,2022-05-18 A comet in the mounting firmament of third world non white female writers Edwidge Danticat

Understanding Alice McDermott Margaret Hallissy,2020-01-27 Alice McDermott winner of the National Book Award American Book Award and Whiting Award and three time finalist for the Pulitzer Prize recently published her eighth novel *The Ninth Hour* to great critical and popular acclaim Her previous books including *Charming Billy* *At Weddings and Wakes* and *That Night* have been lauded as crowning achievements of Irish American fiction An Irish American Catholic born and raised in New York McDermott uses multiple identities and a distinctive nonchronological narrative style to create an unmistakable trademark She currently serves as the Richard A Macksey Professor of the Humanities at Johns Hopkins University *Understanding Alice McDermott* begins with a brief biography and transitions into a linear inquiry of McDermott s published works In addition to interrogating her recurring motifs of memory and heritage Margaret Hallissy tracks various themes that appear throughout the novels religion generational trauma geography family motherhood and displacement topics that intertwine and inform the mentality of McDermott s characters This volume deftly leads the reader through each of McDermott s novels seeking connections and facilitating conversations among her earliest and most recent works Hallissy demonstrates a deep critical understanding of intersections in McDermott s canon Her characters in some ways are beleaguered by society s perception of them uneducated lower middle class immigrants or children of immigrants but are also positively defined by their collective dream of a lost homeland and the shared hardship of motherhood By tracing the shifting themes and motifs through eight novels uncollected short stories and essays published during McDermott s fruitful career *Understanding Alice McDermott* provides a window into the decades long development of a contemporary master

Happy Days and Wonder Years Daniel Marcus,2004-03-19 In the twenty first century why do we keep talking about the Fifties and the Sixties The stark contrast between these decades their concurrence with the childhood and youth of the baby boomers and the emergence of television and rock and roll help to explain their symbolic power In *Happy Days and Wonder Years* Daniel Marcus reveals how interpretations of these decades have figured in the cultural politics of the United States since 1970 From Ronald Reagan s image as a Fifties Cold Warrior to Bill Clinton s fandom for Elvis Presley and John F

Kennedy politicians have invoked the Fifties and the Sixties to connect to their public Marcus shows how films television music and memoirs have responded to the political nostalgia of today and why our entertainment remains immersed in reruns revivals and references to earlier times This book offers a new understanding of how politics and popular culture have influenced our notions of the past and how events from long ago continue to shape our understanding of the present day

Adventuring in the Englishes Ikram Ahmed Ibrahim Elsherif, Piers Michael Smith, 2014-10-16 This book is a compilation of articles dealing with linguistic and literary concerns relating to the global production and consumption of literature in English and global instruction and education in the English language The umbrella theme of the book is English Language and Literature in a Globalized World or The Global Appropriation and hybridization of English The contributing authors are international scholars and creative writers from different parts of the world who offer unique perspectives on the ways in which the English language and English literature are constantly developing and changing in a postcolonial global world They are mostly professors of English who have cross cultural teaching experiences and who live or have lived and worked in both Anglophone and non Anglophone countries To many of them English is their dominant language but not the mother tongue All of them are bilingual or even trilingual Thus their scholarly investigations are flavoured with their personal experiences or adventures with the language and its users Their unique visions reveal a process of adoption adaptation reinvention and appropriation of both the language and its literature in a multi national multi cultural and multi lingual community of a world where English has become the most recognizable sign of globalization This book will appeal to all scholars and practitioners of English language and literature particularly those interested in colonial and postcolonial studies modern and post modern studies ethnic and minority studies feminist studies cross cultural studies linguistics semantics ESP and curriculum development
