Theology and Exegesis Zondervan, 2021-12-14 The Exegesis Quick Reference Tool Every Pastor Teacher Student and Scholar Needs The Concise New International Dictionary of New Testament Theology and Exegesis CNIDNTE by

Christopher A Beetham is a significant resource for those looking for a quick reference guide to aid in exegesis and interpretation. It retains all the essentials of the monumental and magisterial New International Dictionary of New Testament Theology and Exegesis edited by Moises Silva bringing together its most important elements into one accessible volume. This reference includes the most vital relevant information needed to delve deep into the study of the Greek words used in Scripture for study of the New Testament its texts and theology. This volume offers a wealth of background and information on the meaning of Greek words in the New Testament as well as related usage in classical Greek sources the Greek Old Testament Septuagint and extrabiblical Second Temple Jewish literature. This significant tool offers the following features: All the nearly 800 entries covering over 3 000 Greek words found in the full edition are included and presented in the same order and arrangement. Retains approximately 60 percent of the original edition with the emphasis now on synchronic word study and usage in the Greek Old Testament extrabiblical Second Temple literature and especially the New Testament. The unique arrangement according to Greek words and use of English concepts is retained from the full edition and allows all users to access Greek terms regardless of their level of competence in Greek. This edition retains the significant semantic domain tool that directs the reader to all the Greek words that have something to do with a particular English word or concept. For example under the English words Resurrection there is a list of four Greek words that are related to that topic. Discussions reflect the latest in modern scholarship. Bibliographies retain essential references to other standard lexicons and theological dictionaries. The Concise New International Dictionary of New Testament Theology and Exegesis is the ideal tool for pastors Bible teachers students and scholars engaging in exegesis. It is packed with the essential information needed to study the New Testament.

The NIV Exhaustive Concordance John R. Kohlenberger, 1990. This book offers a scripture reference index which relates to more than one of the bibles in the New International Version range. All major words and proper names together with many minor words are listed.

Greek for the Rest of Us William D. Mounce, 2003. You don't have to be a Greek student to understand biblical Greek. If you'd love to learn Greek so you can study your Bible better but you can't spare two years for college or seminary courses then Greek for the Rest of Us is for you. Developed by renowned Greek teacher William Mounce this revolutionary crash course on baby Greek will acquaint you with the essentials of the language and deepen your understanding of God's Word. You'll gain a sound knowledge of basic Greek and you'll learn how to use tools that will add muscle to your Bible studies. In six sections Greek for the Rest of Us will help you: Recite the Greek alphabet. Read and pronounce Greek words. Learn the Greek noun and verbal system. Conduct Greek word studies. Decipher why translations are different. Read better commentaries. Greek for the Rest of Us broadens your knowledge still further with an appendix on biblical Hebrew. It also includes a CD ROM for your computer featuring the author's class lectures in audio combined with text and overheads.
