High Expectations Thom S. Rainer, 1999-02-15 For over a quarter of a century the problem of losing church members has progressively increased Today the situation is so bad that less than one third of the members in some churches attend worship services Church leaders are crying for help In an effort to help church leaders the Billy Graham School of the Southern Baptist Theological Seminary conducted a massive research project involving nearly 287 churches The most revealing aspect of the study was that the higher expectations placed on members the greater the likelihood that the

members would stay and be involved with the church Using the data gathered from this project Thom Rainer presents the first ever comprehensive study about closing the back door Rainer looks at why people are leaving the church and how church leaders can keep the members     Excellent Protestant Congregations Paul Wilkes,2001-01-01 Profiles eight dynamic and diverse congregations identifying the characteristics that make each distinctive while explaining how any church can apply their ideas locally in a resource that also lists more than 300 recommended Protestant congregations Original

**Southern Baptist Periodical Index** ,1983     **The Church Member** Jared C. Wellman,2012-11-12 The Church Member is written as a handbook It is a collection of exegetical studies on strategic passages that cover the biblical expectations for those who profess Jesus Christ It provides sound interpretation to some of the most controversial issues in the church today such as baptism the Lord s Supper worship through music and church leadership While it is written from a Southern Baptist perspective this book is the result of experiences from a variety of other denominations It captures what the Scriptures teach regarding membership in a church and ultimately reveal that church is more than something a believer does it is something he is If you are interested in understanding your place in the body of Christ this book is for you     **Guide to Microforms in Print** ,2001     *A Book to Change Your Life* ; Dmin Sandidge,2009-03 What Others Say about This Book Dr Sandidge has written a very comprehensive book on leadership Every pastor and church leader can find many tidbits of information that will improve their leadership skills This book will provide help in building a ministry team approach There are many helpful ideas for the church leader to develop other leaders for the church and especially Bible teachers A helpful and insightful book Dr Frank Schmitt Professor of Church Ministries Liberty Baptist Theological Seminary and Graduate School 1971 University Blvd Lynchburg VA 24502 Dr Oneal Sandidge is not only a perceptive author but he has also lived and worked in the field of Christian Education at numerous institutions of higher education I have observed Oneal professionally as a teacher and lecturer for many years He has character insight and experience that qualify him to share concepts of the Christian ministry in general and Christian education in particular that will be life changing for his readers Dr James B Keiller Vice President Dean for Academic Affairs Beulah Heights University Atlanta Georgia Dr Oneal Sandidge has written a great book for training pastors church leaders and ministry leaders for improving church ministry This powerful book deals specifically with church ministry Dr Sandidge has used his exceptional skills from serving as Director of Christian Education college professor and ministerial experiences to suggest ways for rethinking ministry This book will help pastors church officials ministry leaders and those who teach church leadership Any reader would benefit from this book Bishop Alfred A Owens Jr Senior Pastor of Greater Mt Calvary Holy Church and Professor Howard University School of Divinity Washington DC     **Dr. Hand's Mind On** Dr. Allen Hand,2022-04-15 Every once in a while I get a chance to listen to broadcasts on radio or watch networking on television And the more and more I do this the more and more I get deeply concerned with the quality of so called religious material presented on such via comments discussions lectures preachings

teachings etc Every so often it is spiritually impressed upon me I get led to deal with some of the monumental misunderstandings that menaces the messianic ministry mission momentum motion motive and movement There are two strategies tactics ways to deal with this type of teaching and preaching one is defensive and one is offensive The offensive tactic strategy way to guard against it is to constantly teach and preach against it thereby exposing it for what it is and minimizing it if not eliminating it this is referred to as the sword of the Spirit which is the word of God the defensive tactic strategy way to guard against it is to block or prevent it from entering your mind by literally putting a spiritual device of some sort over your mind this is referred to as the helmet of salvation The material presented in this book is just a way to help us fight defensively and offensively by first knowing what we need to fight against As a side note the state of apostasy of the professing church is the final stage of the religious order just prior to the Rapture which is phase one of two of our Christ s Second Coming I strongly admonish and request that each believer in Jesus Christ adopt the same attitude and mentality that the church of Berea adopted in the word of God especially when it comes to the word of God

*A Well-Trained Wife* Tia Levings,2024-08-06 The instant New York Times bestseller Today it hit me when he hit me blood shaking in my brain Maybe there wasn't a savior coming Maybe it was up to me to save me Recruited into the fundamentalist Quiverfull movement as a young wife Tia Levings learned that being a good Christian meant following a list of additional life principles a series of secret special rules to obey Being a godly and submissive wife in Christian Patriarchy included strict discipline isolation and an alternative lifestyle that appeared wholesome to outsiders Women were to be silent keepers of the home Tia knew that to their neighbors her family was strange but she also couldn't risk exposing their secret lifestyle to police doctors teachers or anyone outside of their church Christians were called in scripture to be in the world not of it So she hid in plain sight as years of abuse and pain followed When Tia realized she was the only one who could protect her children from becoming the next generation of patriarchal men and submissive women she began to resist and question how they lived But in the patriarchy a woman with opinions is in danger and eventually Tia faced an urgent and extreme choice stay and face dire consequences or flee with her children Told in a beautiful honest and sometimes harrowing voice *A Well Trained Wife* is an unforgettable and timely memoir about a woman's race to save herself and her family and details the ways that extreme views can manifest in a marriage

**Evangelical Gotham** Kyle B. Roberts,2016-11-07 At first glance evangelical and Gotham seem like an odd pair What does a movement of pious converts and reformers have to do with a city notoriously full of temptation and sin More than you might think says Kyle B Roberts who argues that religion must be considered alongside immigration commerce and real estate scarcity as one of the forces that shaped the New York City we know today In *Evangelical Gotham* Roberts explores the role of the urban evangelical community in the development of New York between the American Revolution and the Civil War As developers prepared to open new neighborhoods uptown evangelicals stood ready to build meetinghouses As the city's financial center emerged and solidified evangelicals capitalized on the resultant wealth technology and resources to expand their missionary and benevolent causes When they began to feel that the city's morals had degenerated evangelicals turned to temperance Sunday school prayer meetings antislavery causes and urban missions to reform their neighbors The result of these efforts was *Evangelical Gotham* a complicated and
