New Religious Movements A Documentary Reader:

New Religious Movements Dereck Daschke, W. Michael Ashcraft, 2005-06-17 An original collection of primary documents conveying the wide array of ideas connected to new religious movements New Religious Movements is a highly unique volume bringing together primary documents conveying the words and ideas of a wide array of new religious movements NRMs and offering a first hand look into their belief systems Arranged by the editors according to a new typology the text allows readers to consider NRMS along five interrelated pathways from those that offer new perceptions of existence or new personal identities to those that center on relationships within family like units to those movements that highlight the need for recasting the social order or anticipate the dawn of a new age The volume includes original documents from groups such as the Unification Church Theosophy Branch Davidians Wicca Jehovah s Witnesses Santeria and Seventh Day Adventists as well as many others Each section is prefaced by a contextual introduction and concludes with a list of sources for further reading New Religious Movements offers a rare inside look into the worldviews of alternative religious traditions and New Religious Movements in the USA Emily Suzanne Clark, Brad Stoddard, 2019-08-08 Organized in chronological order of the founding of each movement this documentary reader brings to life new religious movements from the 18th century to the present It provides students with the tools to understand questions of race religion and American religious history Movements covered include the Church of Jesus Christ of Latter day Saints Mormonism the Native American Church the Moorish Science Temple the Nation of Islam and more The voices included come from both men and women Each chapter focuses on a different new religious movement and features an introduction to the movement including the context of its founding two to four primary source documents about or from the movement suggestions for further reading Race and New Religious Movements in the USA Emily Suzanne Clark, Brad Stoddard, Organized in chronological order of the founding of each movement this documentary reader brings to life new religious movements from the 18th century to the present It provides students with the tools to understand questions of race religion and American religious history Movements covered include the Church of Jesus Christ of Latter day Saints Mormonism the Native American Church the Moorish Science Temple the Nation of Islam and more The voices included come from both men and women Each chapter focuses on a different new religious movement and features an introduction to the movement including the context of its founding two to four primary source documents about or from the movement suggestions for further reading **Religious Movements** Dereck Daschke, Michael Ashcraft, 2005-06-17 An original collection of primary documents conveying the wide array of ideas connected to new religious movements New Religious Movements is a highly unique volume bringing together primary documents conveying the words and ideas of a wide array of new religious movements NRMs and offering a first hand look into their belief systems Arranged by the editors according to a new typology the text allows readers to consider NRMS along five interrelated pathways from those that offer new perceptions of existence or new personal

identities to those that center on relationships within family like units to those movements that highlight the need for recasting the social order or anticipate the dawn of a new age The volume includes original documents from groups such as the Unification Church Theosophy Branch Davidians Wicca Jehovah s Witnesses Santeria and Seventh Day Adventists as well as many others Each section is prefaced by a contextual introduction and concludes with a list of sources for further reading New Religious Movements offers a rare inside look into the worldviews of alternative religious traditions Bloomsbury Companion to New Religious Movements George D. Chryssides, Benjamin E. Zeller, 2014-01-02 The Bloomsbury Companion to New Religious Movements covers key themes such as charismatic leadership conversion and brainwashing prophecy and millennialism violence and suicide gender and sexuality legal issues and the portrayal of New Religious Movements by the media and anti cult organisations Several categories of new religions receive special attention including African new religions Japanese new religions Mormons and UFO religions This guide to New Religious Movements and their critical study brings together 29 world class international scholars and serves as a resource to students and researchers The volume highlights the current state of academic study in the field and explores areas in which future research might develop Clearly and accessibly organised to help users quickly locate key information and analysis the book includes an A to Z of key terms extensive guides to further resources a comprehensive bibliography and a timeline of major developments in the field such as the emergence of new groups publications legal decisions and historical events Historical Introduction to the Study of New Religious Movements W. Michael Ashcraft, 2018-02-02 The American public s perception of New Religious Movements NRMs as fundamentally harmful cults stems from the anticult movement of the 1970s which gave a sometimes hysterical and often distorted image of NRMs to the media At the same time academics pioneered a new field studying these same NRMs from sociological and historical perspectives They offered an interpretation that ran counter to that of the anticult movement For these scholars in the new field of NRM studies NRMs were legitimate religions deserving of those freedoms granted to established religions Those scholars in NRM studies continued to evolve methods and theories to study NRMs This book tells their story Each chapter begins with a biography of a key person involved in studying NRMs The narrative unfolds chronologically beginning with late nineteenth and early twentieth century perceptions of religions alternative to the mainstream Then the focus shifts to those early efforts in the 1960s and 1970s to comprehend the growing phenomena of cults or NRMs using the tools of academic disciplines The book s midpoint is a chapter that looks closely at the scholarship of the anticult movement and from there moves forward in time to the present highlighting themes in the study of NRMs like violence gender and reflexive ethnography No other book has used the scholars of NRMs as the focus for a study in this way The material in this volume is therefore a fascinating viewpoint from which to explore the origins of this vibrant academic community as well as analyse the practice of Religious Studies more generally Race and New Religious Movements in the USA Emily Suzanne Clark, Brad Stoddard, 2019-08-08 Organized in

chronological order of the founding of each movement this documentary reader brings to life new religious movements from the 18th century to the present It provides students with the tools to understand questions of race religion and American religious history Movements covered include the Church of Jesus Christ of Latter day Saints Mormonism the Native American Church the Moorish Science Temple the Nation of Islam and more The voices included come from both men and women Each chapter focuses on a different new religious movement and features an introduction to the movement including the context of its founding two to four primary source documents about or from the movement suggestions for further reading Age, Neopagan, and New Religious Movements Hugh B. Urban, 2015-09-15 New Age Neopagan and New Religious Movements is the most extensive study to date of modern American alternative spiritual currents Hugh B Urban covers a range of emerging religions from the mid nineteenth century to the present including the Nation of Islam Mormonism Scientology ISKCON Wicca the Church of Satan Peoples Temple and the Branch Davidians This essential text engages students by addressing major theoretical and methodological issues in the study of new religions and is organized to guide students in their learning Each chapter focuses on one important issue involving a particular faith group providing readers with examples that illustrate larger issues in the study of religion and American culture Urban addresses such questions as Why has there been such a tremendous proliferation of new spiritual forms in the past 150 years even as our society has become increasingly rational scientific technological and secular Why has the United States become the heartland for the explosion of new religious movements How do we deal with complex legal debates such as the use of pevote by the Native American Church or the practice of plural marriage by some Mormon communities And how do we navigate issues of religious freedom and privacy in an age of religious violence terrorism and government surveillance Introducing World Religions Charles E. Farhadian, 2015-06-09 This beautifully designed full color textbook offers a comprehensive introduction to the world's religions including history beliefs worship practices and contemporary expressions Charles Farhadian a seasoned teacher and recognized expert on world religions provides an empathetic account that both affirms Christian uniqueness and encourages openness to various religious traditions. His nuanced ecumenical perspective enables readers to appreciate both Christianity and the world's religions in new ways The book highlights similarities dissimilarities and challenging issues for Christians and includes significant selections from sacred texts to enhance learning Pedagogical features include sidebars charts key terms an extensive glossary over two hundred illustrations and about a dozen maps This book is supplemented with helpful web materials for both students and professors through Baker Academic s Textbook eSources Resources include self guizzes discussion questions additional further readings a sample syllabus and a test bank

Reflections of Amma Amanda J. Lucia, 2014-03-14 Globally known as Amma meaning Mother Mata Amritanandamayi has developed a massive transnational humanitarian organization based in hugs She is familiar to millions as the hugging saint a moniker that derives from her elaborate darshan programs wherein nearly every day ten thousand people are embraced by

the guru one at a time events that routinely last ten to twenty hours without any rest for her Although she was born in 1953 as a low caste girl in a South Indian fishing village today millions revere her as guru and goddess a living embodiment of the divine on earth Reflections of Amma focuses on communities of Amma s devotees in the United States showing how they endeavor to mirror their guru s behaviors and transform themselves to emulate the ethos of the movement This study argues that inheritors and adopters of Hindu traditions differently interpret Hindu goddesses Amma and her relation to feminism and women s empowerment because of their inherited religious cultural and political dispositions In this insightful ethnographic analysis Amanda I Lucia discovers how the politics of American multiculturalism reifies these cultural differences in de facto congregations despite the fact that Amma s embrace attempts to erase communal boundaries in favor of global unity Religious Diversity and Children's Literature Connie R. Green, Sandra Brenneman Oldendorf, 2011-05-01 This book is an invaluable resource for enabling teachers religious educators and families to learn about religious diversity themselves and to teach children about both their own religion as well as the beliefs of others. The traditions featured include indigenous beliefs throughout the world Native American spirituality Hinduism Buddhism Judaism Christianity Orthodoxy Catholicism and Protestantism Islam Sikhism and other beliefs such as Bah Unitarian Universalism Humanism and Atheism Each chapter highlights a specific religion or spiritual tradition with a brief discussion about major beliefs misconceptions sacred texts and holy days or celebrations This summary of each tradition is followed by extensive annotated recommendations for children's and adolescent literature as well as suggested teaching strategies. The recommended literature includes informational books traditional religious stories and fiction with religious themes Teachers religious educators and family members will find the literature from these genres to be invaluable tools for bridging the religious experience of the child with that of the global society in which they live Introduction to New and Alternative Religions in America William M. Ashcraft, Eugene V. Gallagher, 2006-10-30 Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith s legitimacy beliefs methods of conversion and other facets of a religious movement s viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults

is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People's Temple the Branch Davidians Jehovah's Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven's Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more The FBI and Religion Sylvester A. Johnson, Steven Weitzman, 2017-02-07 the first to examine the fraught relationship between the Federal Bureau of Investigation and religious groups in the United States in the past century Encompassing religious organizations from established institutions to extremist groups and covering a period that includes the World Wars the Cold War the Civil Rights movement and 9 11 this book tackles questions of importance for understanding American religion the history of law enforcement and the future of religious liberty Back cover

Religion in America Julia Corbett Hemeyer,2016-02-19 Religion in America 7th Edition provides a comprehensive yet concise introduction to the changing religious landscape of the United States Extensively revised and updated to reflect current events and trends this new edition continues to engage students in reflection about religious diversity Julia Corbett Hemeyer presents the study of religion as a tool for developing appreciation of communities of faith other than one s own and for understanding the dynamics at work in religion in the United States today

The Religions of Canadians Jamie S. Scott,2012-01-01 The Religions of Canadians draws on the expert knowledge and personal insights of scholars in history the social sciences and the phenomenology of religion to introduce the beliefs and practices of nine religious traditions
The World's Religions in Figures Todd M. Johnson,Brian J. Grim,2013-03-25 Created by two of the field s leading experts this unique introduction to international religious demography outlines the challenges in interpreting data on religious adherence and presents a contemporary portrait of global religious belief Offers the first comprehensive overview of the field of

international religious demography detailing what we know about religious adherents around the world and how we know it Examines religious freedom and diversity including agnostics and atheists on a global scale highlighting trends over the past 100 years and projecting estimates for the year 2050 Outlines the issues and challenges related to definitions taxonomies sources analyses and other techniques in interpreting data on religious adherence Considers data from religious communities censuses surveys and scholarly research along with several in depth case studies on the global Muslim population religion in China and the religious demography of recently created Sudan and South Sudan Argues against the belief that the twentieth century was a secular period by putting forward new evidence to the contrary Provides resources for measuring both qualitatively and quantitatively important data on the world's religious situation in the twenty first century International Religious Demography 2018, 2018-07-03 The Yearbook of International Religious Demography presents an annual snapshot of the state of religious statistics around the world Every year large amounts of data are collected through censuses surveys polls religious communities scholars and a host of other sources These data are collated and analyzed by research centers and scholars around the world Large amounts of data appear in analyzed form in the World Religion Database Brill aiming at a researcher's audience The Yearbook presents data in sets of tables and scholarly articles spanning social science demography history and geography Each issue offers findings sources methods and implications surrounding international religious demography Each year an assessment is made of new data made available since the previous issue of the yearbook The 2018 volume features a wide range of subjects including approaches to measuring religious violence religious changes in the Indian Subcontinent religious demography in Lebanon Baptism and Godparenthood in Catholic Europe the relevance of social media data for religious demographic research and the methodological and practical challenges of measuring religiosity in Turkey Contributors are Todd M Johnson Gina Zurlo Peter Crossing Robert Brathwaite J K Bajaj M D Srinivas Wissam Raji Yves Rahme Marc Zeinoun Charbel Zeidan Guido Alfani Joey Marshall Zubeyir Nisanci Juan Carlos Esparza Ochoa Mar a Concepci n Serv n Nieto American Religious History Gary Scott Smith, 2020-12-07 A mix of thematic essays reference entries and primary source documents covering the role of religion in American history and life from the colonial era to the present Often controversial religion has been an important force in shaping American culture Religious convictions strongly influenced colonial and state governments as well as the United States as a new republic Religious teachings values and practices deeply affected political structures and policies economic ideology and practice educational institutions and instruction social norms and customs marriage and family life By analyzing religion s interaction with American culture and prominent religious leaders and ideologies this reference helps readers to better understand many fascinating often controversial religious leaders ideas events and topics The work is organized in three volumes devoted to particular periods Volume one includes a chronology highlighting key events related to religion in American history and an introduction that overviews religion in America during the period covered by the volume and roughly 10

essays that explore significant themes These essays are followed by approximately 120 alphabetically arranged reference entries providing objective fundamental information about topics related to religion in America Each volume presents nearly 50 primary source documents each introduced by a contextualizing headnote A selected general bibliography closes volume Yearbook of International Religious Demography 2016, 2016-07-18 The Yearbook of International Religious Demography presents an annual snapshot of the state of religious statistics around the world Every year large amounts of data are collected through censuses surveys polls religious communities scholars and a host of other sources These data are collated and analyzed by research centers and scholars around the world Large amounts of data appear in analyzed form in the World Religion Database Brill aiming at a researcher's audience The Yearbook presents data in sets of tables and scholarly articles spanning social science demography history and geography Each issue offers findings sources methods and implications surrounding international religious demography Each year an assessment is made of new data made available since the previous issue of the yearbook Contributors are Todd Johnson Gina Zurlo Peter Crossing Juan Cruz Esquivel Fortunato Mallimaci Annalisa Butticci Brian Grim Philip Connor Ken Chitwood Vegard Skirbekk Marcin Stonawski Rodrigo Franklin de Sousa Davis Brown Juan Carlos Esparza Ochoa and Maria Concepci n Serv n Nieto Becoming a Witch Andrea Maraschi, Angelica Aurora Montanari, 2023-12-31 This book is not about witches First of all because it focuses on the Middle Ages And despite common misconceptions among the general public the figure of the witch as a woman who seals a pact with the Devil is not a medieval invention Becoming a Witch explores the feminization of what civil and religious authorities defined as magic in medieval times It looks into the complex connections between women the natural the supernatural and the tragedy of existence The chapters in this book span from the far north of Europe to the Mediterranean area and investigate topics such as divination erotic magic flying and dancing bodies cannibalism milk stealing witchcraft the circulation of superstitious knowledge among women Otherness agency and last but not least contemporary representations of the witch in books TV series and cinema productions From whom did women learn their beliefs and remedies Were they really in contact with demons Were they a social threat And most importantly should men fear and stop them

New Religious Movements A Documentary Reader Introduction

In todays digital age, the availability of New Religious Movements A Documentary Reader books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of New Religious Movements A Documentary Reader books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of New Religious Movements A Documentary Reader books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing New Religious Movements A Documentary Reader versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, New Religious Movements A Documentary Reader books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing New Religious Movements A Documentary Reader books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for New Religious Movements A Documentary Reader books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them

accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, New Religious Movements A Documentary Reader books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of New Religious Movements A Documentary Reader books and manuals for download and embark on your journey of knowledge?

FAQs About New Religious Movements A Documentary Reader Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. New Religious Movements A Documentary Reader is one of the best book in our library for free trial. We provide copy of New Religious Movements A Documentary Reader in digital format, so the resources that you find are reliable. There are also many Ebooks of related with New Religious Movements A Documentary Reader. Where to download New Religious Movements A Documentary Reader online for free? Are you looking for New Religious Movements A Documentary Reader PDF? This is definitely going to save

you time and cash in something you should think about.
