Pre-Application Meetings

To assist permit applicants in evaluating the permitting needs of a project, a pre-application meeting may be set up during the planning stages of a project. Typically this is several months before the actual submittal of a NSR application.

The pre-application meeting allows applicants to meet with the Air Engineering Permit Group to discuss a proposed project including what air emissions activity is planned, where the activity will be occurring, and what permitting requirements may apply to the project.

If interested in scheduling a pre-application meeting for a project, please refer to the [DEEP Permit and Licenses](#) webpage to complete the Pre-Application Questionnaire. If you have any questions please contact the Office of Planning and Program at (860-424-3003).
