The book concludes that the potential for a British Mittelstand existed but that British companies were often less well managed and had to operate within a less supportive external environment than that which favoured the Mittelstand Historical lessons learned from the management of these companies still resonate today and can help us to understand contemporary differences in business performance This book will therefore be of interest to scholars and students of twentieth century business and economic history as well as management studies Ebook: Understanding Human Sexuality Hyde; DeLamater, 2016-04-16 Ebook Understanding Human A Women's History of the Beatles Christine Feldman-Barrett, 2021-01-28 Winner of the 2022 Open Sexuality Publication Prize by the International Association for the Study of Popular Music IASPM ANZ A Women's History of the Beatles is the first book to offer a detailed presentation of the band's social and cultural impact as understood through the experiences and lives of women Drawing on a mix of interviews archival research textual analysis and autoethnography this scholarly work depicts how the Beatles have profoundly shaped and enriched the lives of women while also reexamining key influential female figures within the group's history Organized topically based on key themes important to the Beatles story each chapter uncovers the varied and multifaceted relationships women have had with the band whether face to face and intimately or parasocially through mediated popular culture Set within a socio historical context that charts changing gender norms since the early 1960s these narratives consider how the Beatles have affected women s lives across three generations Providing a fresh perspective of a well known tale this is a cultural history that moves far beyond the screams of Beatlemania

to offer a more comprehensive understanding of what the now iconic band has meant to women over the course of six Behaviour in Schools: Theory and Practice for Teachers Louise Porter, 2014-05-16 Behaviour management decades in the classroom can be one of the most challenging aspects of teaching but with the right approach it can be rewarding and enriching for both student and teacher The new edition of this best selling textbook provides a systematic and thoroughly updated overview of the major theories and styles of discipline in schools Drawing on the latest international research the book outlines how teachers can develop a personal style in classroom management based on a sound understanding of theory The emphasis is on proactive authoritative approaches to discipline to engage students and facilitate the achievement of educational and social goals The author demonstrates how it is within the power of schools and teachers to create the conditions under which even disadvantaged or disenchanted students strive to learn Behaviour in Schools 3E is the essential handbook for all trainee teachers and NQTs and a valuable reference for more experienced teachers who want to develop their approach to complex behavioural challenges Encyclopedia of Business Ethics and Society Robert W. Kolb, 2008 This encyclopedia spans the relationships among business ethics and society with an emphasis on business ethics and the role of business in society Unbreakable: The Spies Who Cracked the Nazis' Secret Code Rebecca E. F. Barone, 2022-10-25 Unbreakable is the edge of your seat true story of the codebreakers spies and navy fighters who helped defeat the Nazis and turned the tide of World War II perfect for fans of The Imitation Game Alan Gratz and Jennifer Nielsen A thrilling adventure of intrigue and daring worthy of the best James Bond stories James Ponti New York Times best selling author of City Spies As the Germans waged a brutal war across Europe details of every Nazi plan every attack every troop movement were sent over radio But to the Allied troops listening in and they were always listening the crucial messages sounded like gibberish The communications were encoded with a powerful cipher making all information utterly inaccessible unless you could unlock the key to the secret code behind the German's powerful Enigma machine Complete with more than sixty historical photos Unbreakable tells the true story of one of the most dangerous war time codebreaking efforts ever While Hitler marched his troops across newly conquered lands and deadly wolfpacks of German U Boats prowled the open seas a team of codebreakers spies and navy men raced against the clock to uncover the secrets that hid German messages in plain sight Victory or defeat in World War II would hinge on their desperate attempts to crack the code Perfect for fans of Bomb The Boys Who Challenged Hitler and The Nazi Hunters The Myth of American Idealism Noam Chomsky, Nathan J. Robinson, 2024-10-15 For anyone wanting to find out more about the world we live in there is one simple answer read Noam Chomsky The New Statesman A sharp indictment of both American foreign policy and the national myths that support it and an urgent warning of the threat that U S power poses to humanity s future The Myth of American Idealism offers a timely and comprehensive introduction to the incisive critiques of U S power that have made Noam Chomsky one of the most widely known public intellectuals of all time Surveying the history of U S military and economic activity around the world Chomsky and coauthor

Nathan J Robinson vividly trace the way the American pursuit of global domination has wrought havoc in country after country Chomsky and Robinson offer penetrating accounts of Washington's relationship with the Global South its role in the Israeli Palestinian conflict and the wars in Iraq and Afghanistan all justified with noble stories about humanitarian missions and the benevolent intentions of American policymakers The same myths that have led to repeated disastrous wars they argue are now imperiling humanity s future Examining nuclear proliferation and climate change they show how U S policies are continuing to exacerbate global threats For well over half a century Noam Chomsky has committed himself to exposing governing ideologies and criticizing his country's unchecked power At once thorough and devastating urgent and provocative The Myth of American Idealism offers a highly readable entry to a lifetime of thought and activism O Ship vs U-Boat David Greentree, 2014-02-20 A fully illustrated account of the British Q ship a heavily armed small craft disguised as a merchant vessel and its tactics against the Kaiser's formidable U boat fleet during World War I Q ships came in all shapes and sizes coastal steamer trawler barque yacht or schooner but all had to look harmless in order to lure their opponents to the surface and encourage them to attack Armaments differed according to ship size steamers commonly had 4in guns mounted amidships and in the bow trawlers 3 pdrs and sailing ships 12 pdrs David Greentree covers how the Q ship used a panic crew trained to act out an elaborate evacuation to convince the U boat commander that the ship was being abandoned by its crew The Q ship captain would remain behind with a handful of other crewmen manning the guns which remained hidden until the most opportune time to unmask and engage the U boat Packed with illustrations this book explores the Q ship concept in detail from its emergence early in the war when no other method seemed likely to counter the U boat threat and as it flourished until new technologies and tactics were developed tested and implemented **Soldier Boys** Dean Hughes, 2015-07-21 Two boys one German and one American are eager to join their respective armies during World War II The Secrets Ebook Bundle Kelley Armstrong, Vicki Grant, Marthe and their paths cross at the Battle of the Bulge Jocelyn, Kathy Kacer, Norah McClintock, Teresa Toten, Eric Walters, 2015-09-29 In early June 1964 the Benevolent Home for Necessitous Girls burns to the ground and its vulnerable residents are thrust out into the world The orphans who know no other home find their lives changed in an instant Arrangements are made for the youngest residents but the seven oldest girls are sent on their way with little more than a clue or two to their past and the hope of learning about the families they have never known On their own for the first time in their lives they are about to experience the world in ways they never imagined Bestselling authors Kelley Armstrong Vicki Grant Marthe Jocelyn Kathy Kacer Norah McClintock Teresa Toten and Eric Walters teamed up to create this series of linked YA novels Readers can discover all seven Secrets in any order in this thrilling collection This collection includes the seven following titles The Unquiet Past Small Bones A Big Dose of Lucky Stones on a Grave My Life Before Me Shattered Glass Innocent The Little Water Sprite Otfried Preussler, 2015-09-08 One spring day the little Water Sprite is born in a house of reeds at the bottom of a mill pond Duckweed soup pickled water
