### *Key Issues in Corrections* Jeffrey Ian Ross, 2016-09-28

Key Issues in Corrections is a fascinating book that critically analyzes the most important challenges affecting the correctional system in the United States Jeffrey Ian Ross an expert in the field builds on his acclaimed book Special Problems in Corrections to examine both long standing and emerging issues grounding the discussion in empirical research and current

events This fully updated edition integrates new scholarship lawsuits and the use of technology introduces and evaluates new corrections policies and practices and features two new sections The Privatization of Prisons and The Death Penalty as well as links to a companion website Offering a no nonsense approach to the problems faced by correctional officers correctional managers prisoners and the public this solutions focused book will be a vital resource for students of criminology *Coyotes* Ted Conover,1987-08-12 To discover what becomes of Mexicans who cross into the United States without a visa Conover traveled and worked alongside them for more than a year This is the chronicle of his journey Ted Conover has written a book about the Mexican poor that is at once intimate and epic *Coyotes* is travel literature social protest and affirmation I can compare this book to the best of George Orwell s journeys to the heart of poverty Richard Rodriguez author of *Brown and Hunger* of Memory **The Art of Public Writing** Zachary Michael Jack,2020-10-28 Today s professionals recognize the need to elevate written communication beyond argument driven pedantry political polemic and obtuse pontification Whether the goal is to write the next serious work of best selling nonfiction to develop a platform as a public scholar or simply to craft clear and concise workplace communication *The Art of Public Writing* demystifies the process showing why it s not just nice but necessary to connect with those inside and outside one s area of expertise Drawing on a diverse set of examples ranging from Charles Darwin s *On the Origin of Species* to Steven Levitt s *Freakonomics* Zachary Michael Jack offers invaluable advice for researchers scholars and working professionals determined to help interpret field specific debates for wider audiences address complex issues in the public sphere and successfully engage audiences beyond the Corner Office and the Ivory Tower *Desperately Seeking Ethics* Howard Good,2004-09-08 Trends prevailing in the media suggest a seemingly disintegrating concept of media ethics It is no surprise being ethical is hard work and could very well put a person in conflict with prevailing trends Many of the people cited within the 13 essays of *Desperately Seeking Ethics* illustrate this from Socrates and Martin Luther King Jr who both died for their principles to reporter David Kidwell of the Miami Herald who chose jail over testifying for the prosecution in a murder trial This is not just another media ethics book Engaging and non conventional it breaks away from the usual text practice of presenting the ethical theories of well known philosophers in watered down form Instead the contributors all of whom teach media ethics select a poem movie song speech or other cultural document analyze it for implied or explicit ethical lessons and then apply the lessons of that work to a specific case that involved controversial media conduct In addition to endnotes each chapter contains questions for discussion and a list of further readings Where possible the contributors have included all or part of the poems speeches and other documents they analyze as sources of ethical instruction and inspiration *Negotiating Cultures and Identities* John L. Caughey,2006-12-01 *Negotiating Cultures and Identities* examines issues methods and models for doing life history research with individual Americans based on interviews and participant observation John L. Caughey helps students and other researchers explore the ways in which contemporary Americans are influenced by multiple cultural traditions including ethnic religious and

occupational frames of reference Using the example of Salma a bicultural woman of Pakistani descent who lives in the United States and the story of Gina a multicultural American Caughey examines how to capture the complexity of each situation including step by step methods and exercises that lead the student interviewer through the process of locating and interviewing a research participant making sense of the material obtained and writing a cultural portrait Arguing that comparison between the subject s life and one s own is an essential part of the process the methodology also encourages the investigator to research his or her own social and cultural orientations along the way and to contrast these with those of the subject The book offers a practical manageable and engaging form of qualitative research It prepares the student to do grounded experiential work outside the classroom and to explore important issues in contemporary American society including ethnicity race identity disability gender class occupation religion and spirituality as they are culturally understood and experienced in the lives of individual Americans

Fire in the Big House Mitchel P. Roth, 2019-10-08 On

April 21 1930 Easter Monday some rags caught fire under the Ohio Penitentiary's dry and aging wooden roof shortly after inmates had returned to their locked cells after supper In less than an hour 320 men who came from all corners of Prohibition era America and from as far away as Russia had succumbed to fire and smoke in what remains the deadliest prison disaster in United States history Within 24 hours moviegoers were watching Path's newsreel of the fire and in less than a week the first iteration of the weepy ballad Ohio Prison Fire was released The deaths brought urgent national and international focus to the horrifying conditions of America's prisons at the time of the fire the Ohio Penitentiary was at almost three times its capacity Yet amid darkening world politics and the first years of the Great Depression the fire receded from public concern In *Fire in the Big House* Mitchel P Roth does justice to the lives of convicts and guards and puts the conflagration in the context of the rise of the Big House prison model local and state political machinations and American penal history and reform efforts The result is the first comprehensive account of a tragedy whose circumstances violent unrest overcrowding poorly trained and underpaid guards unsanitary conditions inadequate food will be familiar to prison watchdogs today

**Inside Rikers** Jennifer Wynn, 2002-07-24 Rikers Island just six miles from the Empire State Building is one of the largest most complex and most expensive penal institutions in the world yet most New Yorkers couldn't find it on a map Jennifer Wynn the director of the Fresh Start program at Rikers takes readers into the jails and then back out to the communities where her students were born and raised She chronicles their journeys as they struggle to go straight and find respect in a city that fears and rejects them Part memoir part social commentary *Inside Rikers* details the author's experiences on Rikers Wynn offers a compelling portrait of its 18 000 inmates and how Rikers was transformed from one of the most violent jails into one of the safest

**Voices from American Prisons** Kaia Stern, 2014-06-20 *Voices From American Prisons* Faith Education and Healing is a comprehensive and unique contribution to understanding the dynamics and nature of penal confinement In this book author Kaia Stern describes the history of punishment and prison education in the United States and proposes that specific religious and racial ideologies notions of sin evil and otherness continue to shape our relationship to crime and punishment through contemporary penal policy Inspired by people who have lived worked and studied in U S prisons Stern invites us to rethink the current punishment crisis in the United States Based on in depth interviews with people who were incarcerated as well as extensive conversations with students teachers corrections staff and prison administrators the book introduces the voices of those who have participated in the few remaining post secondary education programs that exist behind bars Drawing on individual narrative and various modern day case examples Stern focuses on dehumanization resistance and community transformation She demonstrates how prison education is essential can provide healing and yet is still not enough to interrupt mass incarceration In short this book explores the possibility of transformation from a retributive punishment system to a system of justice The book's engaging human accounts and multidisciplinary perspective will appeal to criminologists sociologists historians theologians and scholars of

education alike *Voices from American Prisons* will also capture general readers who are interested in learning about a timely and often silenced reality of contemporary modern society      **Spirituality in Dark Places** D. Jeffreys, 2013-03-12 Jeffreys explores the spiritual consequences and ethics of modern solitary confinement and emphasizes how solitary confinement damages our spiritual lives He focuses particularly on how it destroys one's relationship to time and undermines our creativity and proposes institutional changes in order to mitigate profound damage to prisoners      **The Encyclopedia of American Prisons** Carl Sifakis, 2014-06-30 Examines the history of prisons in the United States with articles about convict labor escapes famous and infamous wardens fires notable prisoners riots prison society reformers terminology and more
