

NHA CPCT Exam Study Guide With 100% Complete Solution

Practice Test A - Correct Answer-

A patient care technician is making an open bed for a patient. Which of the following actions should the technician take? - Correct Answer-Fanfold the top linens at the foot of the bed (exp. this allows for easy access to the bed without the technician or patient needing to pull back the linens)

A patient care technician is observing a patient who is ambulating using a walker. Which of the following actions by the patient demonstrates correct technique? - Correct Answer-The patient advances the walker 24.4-45.7 cm (10 to 18 in) in front of their legs (exp. patients should step into the perimeter of the walker and advance it 10-18 inches)

A patient care technician should identify that which of the following is the minimum preferred volume of urine for a routine urinalysis? - Correct Answer-30 mL (exp. Although lab technicians prefer 50 mL for performing a routine urinalysis, 30 mL is the minimum preferred amount for a urinalysis)

A patient care technician is assigned to perform hourly, point-of-care glucose testing for a patient who has diabetes mellitus. Which of the following actions should the technician take? - Correct Answer-Use the facility's glucometer to perform the glucose tests on the patient (exp. The facility's glucometer is tested more frequently for accuracy)

A patient care technician is assisting a nurse to apply a hand-wrist immobility splint for a patient who has left-sided paralysis due to a stroke. The technician should identify that the splint will secure the patient's hand in which of the following positions? - Correct Answer-Wrist slight dorsiflexion (exp. A hand wrist splint helps with proper positioning and alignment by keeping the wrist in slight dorsiflexion and keeping the thumb slightly abducted in opposition to the fingers)

A patient care technician recently attended a seminar about hospice care. Which of the following statement's by the technician indicates an understanding of hospice care? - Correct Answer-"The cost of hospice care is reimbursed by Medicare or Medicaid." (exp. the goal of hospice care is not curative in nature. Its aim is to relieve pain and control symptoms of the disease)

A patient care technician is teaching a patient about HIPAA regulations. Which of the following client statements indicates an understanding of teaching? - Correct Answer-"My provider is required to report if I receive a diagnosis of tuberculosis" (exp. HIPAA regulations require providers to report instances of communicable diseases, including tuberculosis, to prevent an outbreak in the community)

Guide American Academy of Professional Coders, 2011-12-15 Packed with test taking tips and techniques the 2012 CPC CERTIFICATION STUDY GUIDE delivers a current and comprehensive review that is the ideal prep for the AAPC CPC Certification Exam The guide begins with a complete summary of the business of medicine ensuring a solid understanding of the medical office and the role of the coder It covers ICD 9 CM guidelines using real life examples Each body system is reviewed including coverage of the anatomy related diagnosis coding CPT coding HCPCS Level II coding and modifiers End of chapter questions are modeled after those on the actual certification exam and operative notes give readers further hands on experience coding what they have learned An end of guide practice exam gives readers additional practice putting their skills to the test **The Official CNA Study Guide** Deborah Clark, 2015-08-24 On Sale Now Get the Official CNA Study

Guide before the sale ends The Official CNA Study Guide was created so as to provide potential Certified Nursing Assistants that ability to effectively and efficiently prepare for the CNA exam Unlike most CNA Study Guides this Official CNA Study Guide boasts the most information practice tests and more for the lowest price on the market How The CNA Study Guide Can Help You Getting a CNA certification can be a difficult process First you need to pass your written exam and then you need to

get through the practical portion as well. Although your certification course should help to give you the CNA building blocks you'll still need something to help put it all together. This is where the Official CNA Study Guide can help. Through this professionally structured CNA Study Guide you'll get key points from CNA professionals' study tips to help improve your score and a layout to help you get more out of your studies in less time. In sum, this Certified Nursing Assistant Study Guide will help you and your studies become more efficient and effective.

What the Official CNA Study Guide Will Provide

The Official CNA Study Guide was structured so give you the necessary tools to build upon your course work and help to focus your studies in the area you need more help with. To accomplish such a task we've provided the following features inside the CNA study guide:

1. Pretest
2. Practice Tests with Answers Both Written and Critical Skills Coverage Set of Procedures the Critical Skills Practical Exam

Complete coverage of the CNA NNAAP Standardized Testing CNA Study Guide Benefits Break Down

The CNA Pretest has been designed to help you figure out where you are strongest and what subjects you need extra help with. This will ensure you spend the right amount of time on the right areas. The set of procedures in this CNA Study Guide have been developed to help you prepare for all of the different practical factors you will most likely have to perform during your Skill Test set. The procedures in this CNA Study Guide will help to ensure you can quickly flip through them and get the right information and quickly move on to the next set with the swipe of a finger if you're using our ebook version or turn of a page. Finally at the end we will have 2 full practice tests so that you can gauge whether or not you are fully ready for your final certification. This will focus on key questions that many previous CNAs have struggled with and will focus on those areas so as to give you the best indication of whether or not you are truly ready.

Reasons Why You Need This CNA Study Guide

Getting prepared for the CNA exam is no easy task. According to a result poll, over 27% of those that take the test fail. That means those students wasted their money and their time. This can be absolutely frustrating and cause many problems in the future. Another reason having a CNA Study Guide on hand is super important is that once you become a certified nursing assistant you will only have certification for that particular state. So if you move to another state at some point in your life you will have to re-certify in that state. That may sound easy considering you might have done it for years before moving, however, imagine taking the driver's test again after all those years of learning how to really drive a car. You probably don't follow all of the rules, right? Well, the same can happen to a CNA. They can develop the get it done the right way type attitude which won't test well on the certification exam. 10 out of 10 must have for all CNAs.

CNA Exam Cram *Official CPC Certification Study Guide*

American Academy of Professional Coders, 2012-12-07. Packed with test taking tips and techniques, the 2013 CPC CERTIFICATION STUDY GUIDE delivers a current and comprehensive review that is the ideal prep for the AAPC CPC Certification Exam. The guide begins with a complete summary of the business of medicine, ensuring a solid understanding of the medical office and the role of the coder. It covers ICD-9-CM guidelines using real life examples. Each body system is reviewed, including coverage of the anatomy related diagnosis coding, CPT coding, HCPCS Level II coding and modifiers. End

of chapter questions are modeled after those on the actual certification exam and operative notes give readers further hands on experience coding what they have learned An end of guide practice exam gives readers additional practice putting their skills to the test Important Notice Media content referenced within the product description or the product text may not be available in the ebook version

NCTRC Exam Practice Questions Exam Secrets Test Prep Staff Nctrc,2018-04-12 NCTRC Exam Practice Questions are the simplest way to prepare for the NCTRC test Practice is an essential part of preparing for a test and improving a test taker s chance of success The best way to practice taking a test is by going through lots of practice test questions If someone has never taken a practice test then they are unprepared for the types of questions and answer choices that they will encounter on the official test There is a tremendous advantage to someone taking the test that is already familiar with the questions and answer choices Another advantage of taking practice tests is that you can assess your performance and see if you need to

study and practice more or if you're already prepared enough to achieve success on your test day. If you do well on the practice test, then you know you're prepared. If you struggle on the practice test, then you know you may still have more work to do to get prepared. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our NCTRC Exam Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test, and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success, and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed and more importantly, why you missed them, to be able to avoid making the same mistakes again when you take the real test. That's why our NCTRC Exam Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.
