The Ashgate Research Companion to Critical Geopolitics Merje Kuus, 2016-04-01 Since the late 1980s critical geopolitics has gone from being a radical critical perspective on the disciplines of political geography and international relations theory to becoming a recognised area of research in its own right Influenced by poststructuralist concerns with the politics of representation critical geopolitics considers the ways in which the use of particular discourses shape political practices Initially critical geopolitics analysed the practical geopolitical language of the elites and intellectuals of statecraft Subsequent iterations have considered the role that popular representations of the international political world play As critical geopolitics has become a more established part of political geography it has attracted ever more critique from feminists for its apparent blindness to the embodied effects of geopolitical praxis and from those who have been uncomfortable about its textual focus while others have challenged critical geopolitics to address alternative resistant forms of geopolitical practice Again critical geopolitics has been reworked to incorporate these challenges and the latest iterations have encompassed normative agendas non representational theory emotional geographies and affect It is against the vibrant backdrop of this intellectual development of critical geopolitics as a subdiscipline that this Companion is set Bringing together leading researchers associated with the different forms of critical geopolitics this volume produces an overview of its achievements limitations and areas of new and potential future development The Companion is designed to serve as a key resource for an interdisciplinary group of scholars and practitioners interested in the spatiality of politics

Queering Knowledge Paul Boyce, E.J. Gonzalez-Polledo, Silvia Posocco, 2019-08-28 This volume draws on the significance of the work of Marilyn Strathern in respect of its potential to

queer anthropological analysis and to foster the reimagining of the object of anthropology The authors examine the ways in which Strathern's varied analytics facilitate the construction of alternative forms of anthropological thinking and greater understanding of how knowledge practices of queer objects subjects and relations operate and take effect Queering Knowledge offers an innovative collection of writing bringing about queer and anthropological syntheses through Strathern's oeuvre It will be relevant to scholars from anthropology as well as a number of other disciplines including gender sexuality and queer studies Winner of the 2020 Ruth Benedict Prize for Outstanding Edited Volume Routledge Handbook on Middle East Cities Haim Yacobi, Mansour Nasasra, 2019-07-01 Presenting the current debate about cities in the Middle East from Sana'a Beirut and Jerusalem to Cairo Marrakesh and Gaza the book explores urban planning and policy migration gender and identity as well as politics and economics of urban settings in the region This handbook moves beyond essentialist and reductive analyses of identity urban politics planning and development in cities in the Middle East and instead offers critical engagement with both historical and contemporary urban processes in the region Approaching Cities as multi-dimensional sites products of political processes knowledge production and exchange and local and global visions as well as spatial artefacts Importantly in the different case studies and theoretical approaches there is no attempt to idealise urban politics planning and everyday life in the Middle East which as with many other cities elsewhere are also situations of contestation and violence but rather to highlight how cities in the region and especially those which are understudied revolve around issues of housing infrastructure participation and identity amongst other concerns Analysing a variety of cities in the Middle East the book is a significant contribution to Middle East Studies It is an essential resource for students and academics interested in Geography Regional and Urban Studies of the Middle East

Protest Camps in International Context Gavin Brown, Anna Feigenbaum, Fabian Frenzel, Patrick McCurdy, 2017-03-29 From the squares of Spain to indigenous land in Canada protest camps are a tactic used around the world Since 2011 they have gained prominence in recent waves of contentious politics deployed by movements with wide-ranging demands for social change Through a series of international and interdisciplinary case studies from five continents this topical collection is the first to focus on protest camps as unique organisational forms that transcend particular social movements contexts Whether erected in a park in Istanbul or a street in Mexico City the significance of political encampments rests in their position as distinctive spaces where people come together to imagine alternative worlds and articulate contentious politics often in confrontation with the state Written by a wide range of experts in the field the book offers a critical understanding of current protest events and will help better understanding of new global forms of democracy in action

Heteroactivism Catherine Jean Nash, Kath Browne, 2020-10-29 Around the world LGBTQ activists have won an unprecedented series of political victories from marriage equality to increased representation in government But this success has sparked a backlash While there has been much scrutiny of the role of the Christian right in opposing LGBTQ equality in the US the backlash goes far beyond these traditional elements and also extends beyond the US to countries including the UK Ireland and Canada In this book Nash and Browne consider the rise of the new heteroactivism showing how social media and new sources of funding have reinvigorated the opponents of LGBTQ rights They also show how the rhetoric and tactics of this new generation of heteroactivists differ from that of their predecessors exploiting notions of parental rights and freedom of speech to assert heteronormative values in spaces ranging from schools to workplaces They also reveal the increasingly transnational nature of anti LGBTQ activism with growing links between heteroactivists in the US UK and beyond

Queer Festivals Konstantinos Eleftheriadis, 2025-10-01 To what extent is queer anti identitarian And how is it experienced by activists at the European level At queer festivals activists artists and participants come together to build new forms of sociability and practice their ideals through anti binary and inclusive idioms of gender and sexuality These ideals are moreover channelled through a series of organisational and cultural practices that aim at the emergence of queer as a collective identity Through the study of festivals in Amsterdam Berlin Rome Copenhagen and Oslo *Queer Festivals Challenging Collective Identities in a Transnational Europe* thoughtfully analyses the role of activist practices in the building of collective identities for social movement studies as well as the role of festivals as significant repertoires of collective action and sites of identitarian explorations in contemporary Europe

Rethinking Transgender Identities Petra L. Doan, Lynda Johnston, 2022-03-24 This volume explores the diversity and complexity of transgender people s experiences and demonstrates that gendered bodies are constructed through different social cultural and economic networks and through different spaces and places *Rethinking Transgender Identities* brings together original research in the form of interviews participatory methods surveys cultural texts and insightful commentary The contributing scholars and activists are located in Aotearoa New Zealand Brazil Canada Catalan China Japan Scotland Spain and the United States The collection explores the relationship between transgender identities and politics lived realities strategies mobilizations age ethnicity activisms and communities across different spatial scales and times Taken together the chapters extend current research and provide an uthoritative state of the art review of current research which will appeal to cholars and graduate

students working within the fields of sociology gender studies sexuality and queer studies family studies media and cultural studies psychology health law criminology politics and human geography **Claiming Home** Tina Büchler,2022-01-05

Through biographical narratives *Claiming Home* traces how queer migrant women living in Switzerland navigate often contradictory perspectives on sexuality gender and nation Situated between heteronormative and racialized stereotypes of migrant women on the one hand and the implicitly white figure of the lesbian on the other queer migrant women are often rendered impossible subjects *Claiming Home* maps how they negotiate conflicting loyalties in this field and how they in their own way claim a sense of belonging and home *Lesbian Geographies* Kath Browne,Eduarda Ferreira,2016-03-03 It has long been recognised that the spatialisation of sexual lives is always gendered Sexism and male dominance are a pervasive reality and lesbian issues are rarely afforded the same prominence as gay issues Thus lesbian geographies continue to be a salient axis of difference challenging the conflation of lesbians and gay men as well as the trope that homonormativity affects lesbians and gay men in the same ways This volume explores lesbian geographies in diverse geographical social and cultural contexts and presents new approaches using English as a working language but not as a cultural framework Going beyond the dominant trace of Anglo American perspectives of research in sexualities this book presents research in a wide range of countries including Australia Argentina Israel Canada USA Russia Poland Spain Hungary and Mexico *Terry Pratchett's Narrative Worlds* Marion Rana,2018-02-12 This book highlights the multi dimensionality of the work of British fantasy writer and Discworld creator Terry Pratchett Taking into account content political commentary and literary technique it explores the impact of Pratchett s work on fantasy writing and genre conventions With chapters on gender multiculturalism secularism education and relativism Section One focuses on different characters situatedness within Pratchett s novels and what this may tell us about the direction of his social religious and political criticism Section Two discusses the aesthetic form that this criticism takes and analyses the post and meta modern aspects of Pratchett s writing his use of humour and genre adaptations and deconstructions This is the ideal collection for any literary and cultural studies scholar researcher or student interested in fantasy and popular culture in general and in Terry Pratchett in particular *The Wiley-Blackwell Companion to Cultural Geography* Nuala C. Johnson,Richard H. Schein,Jamie Winders,2016-10-03 Named a 2014 Choice Outstanding Academic Title Combining coverage of key themes and debates from a variety of historical and theoretical perspectives this authoritative reference volume offers the most up to date and substantive analysis of cultural geography currently available A significantly revised new edition covering a number of new topics such as biotechnology rural food media and tech borders and tourism whilst also reflecting developments in established subjects including animal geographies Edited and written by the leading authorities in this fast developing discipline and features a host of new contributors to the second edition Traces the historical evolution of cultural geography through to the very latest research Provides an international perspective reflecting the advancing academic traditions of non Western institutions especially in Asia Features

a thematic structure with sections exploring topics such as identities nature and culture and flows and mobility
