Nice Book Chinese Stories Drug Addiction Association:

Chinese Stories of Drug Addiction Guy Ramsay, 2015-12-22 Addiction to illicit drugs is a pressing social concern across greater China where there are likely several million drug addicts at present This research breaks new ground by examining Chinese people's stories of drug addiction Chinese Stories of Drug Addiction systematically evaluates how drug addiction is represented and constructed in a series of contemporary life stories and filmic stories from mainland China Taiwan and Hong Kong These stories recount experiences leading up to and during drug addiction as well as experiences during drug rehabilitation and recovery Through analysis of these contemporary life stories and filmic stories the book presents a comprehensive picture of how Chinese people from both inside the experience of drug addiction and outside of it make sense of a social practice that is deemed to be highly transgressive in Chinese culture It employs a blended discourse analytic and narrative analytic approach to show how salient cultural political and institutional discourses shape these Chinese stories and experiences Complementing existing humanities research which documents the historical narrative of drug addiction in China at the expense of the contemporary narrative the book also provides health and allied professionals with a rich insight into how Chinese people from different geographical locations and walks of life make sense of the experience of drug addiction Moving beyond historical narrative to examine contemporary stories Chinese Stories of Drug Addiction offers a valuable contribution to the fields of Chinese studies and personal health and wellbeing as well as being of practical use to health professionals

Chinese Stories 中国故事, 2003 This is a book recording the normal life of some ordinary Chinese with plenty of excellent essays and pictures China boasts an ancient civilization of 5 000 years which has nourished the hearts and souls of all Chinese and could also help explain all good and bad things in the characters of the Chinese nation The ordinary Chinese have diversified experiences and destinies and of course different personalities too Nevertheless they share many similarities which are deeply rooted in the country's ancient civilization In this book the many diverse lives of some ordinary Chinese are brought together uniting them as a people and yet granting them their undeniable individuality In its second volume Chinese Stories continues to deliver the stories of the everyday modern Chinese with all their diversity and unwavering devotion to hold on to their culture by tradition

Drugs, Alcohol and Addiction in the Long Nineteenth Century Daniel Malleck, 2021-06-23 This collection captures key themes and issues in the broad history of addiction and vice in the Anglo American world Focusing on the long nineteenth century the volumes consider how scientific social and cultural experiences with drugs alcohol addiction gambling and prostitution varied around the world What might be considered vice or addiction could be interpreted in various ways through various lenses and such activities were interpreted differently depending upon the observer the medical practitioner the evangelical missionary the thrill seeking bon vivant and the concerned government commissioner to name but a few For example opium addiction in middle class households resulting from medical treatment was judged much differently than Chinese opium smoking by those in poverty or poor living

conditions in North American work camps on the west coast or on the streets of East London This collection will assemble key documents representing both the official and general view of these various activities providing readers with a cross section of interpretations and a solid grounding in the material that shaped policy change cultural interpretation and social action International Companion Encyclopedia of Children's Literature Peter Hunt,2004-08-02 Children s publishing is a huge international industry and there is ever growing interest from researchers and students in the genre as cultural object of study and tool for education and socialization The Registered Church in China Wayne Ten Harmsel,2021-03-09 In The Registered Church in China Wayne Ten Harmsel pulls back for Western readers the shroud of mystery surrounding Chinese registered churches Through interviews with Chinese pastors evangelists and lay Christians he provides a rare view of what it means to live in the shadow of both the government and the well known house churches Registered churches have received criticism from both of these sources as well as from many churches in other countries particularly the United States Ten Harmsel examines the charges leveled against registered churches and presents a balanced picture of the complexity of the church situation in China Such complexity arises for instance in the registered churches struggle to respond to new religious regulations and the controversy over Sinicization China has become a major center of twenty first century Christianity and despite how little is known about registered churches in the West these congregations play a significant role in shaping Chinese Christianity today The Book of Ginseng Stephen Fulder,1993-10 An exploration of the healing properties of plant substances Reading the Short Story Anna Wing-bo Tso,Scarlett Lee,2019-11-11 Beginning with a brief history and evolution of the short story genre alongside an overview of the key short story writers and an explanatory chapter of literary criticism this book aims to give readers insight into the works by canonical British Irish and American authors including Edgar Allan Poe James Joyce Flannery O Connor and more Applying close reading skills and critical literary approaches to twelve selected short stories in English this work conducts comparative analyses to reveal the interrelationships between the texts the authors the readers and the sociocultural contexts Developed and tested in literature classes at university over several semesters this book addresses key issues topics and trends in the short story genre **A Companion to the American Short Story** Alfred Bendixen,James Nagel,2020-08-24 A COMPANION TO THE AMERICAN SHORT STORY A Companion to the American Short Story traces the development of this versatile literary genre over the past two centuries Written by leading critics in the field and edited by two major scholars it explores a wide range of writers from Edgar Allen Poe and Edith Wharton at the end of the nineteenth century to important modern writers such as Ernest Hemingway William Faulkner F Scott Fitzgerald and Richard Wright Contributions with a broader focus address groups of multiethnic Asian and Jewish writers Each chapter places the short story into context focusing on the interaction of cultural forces and aesthetic principles The Companion takes account of cutting edge approaches to literary studies and contributes to the ongoing redefinition of the American canon embracing genres such as ghost and detective fiction cycles of interrelated short fiction

and comic social and political stories The volume also reflects the diverse communities that have adopted this literary form and made it their own featuring entries on a variety of feminist and multicultural traditions This volume presents an important new consideration of the role of the short story in the literary history of American literature **The Constitution of the War on Drugs** David Pozen,2024 In *The Constitution of the War on Drugs* David Pozen provides an authoritative critical constitutional history of the drug war casting new light on both drug prohibition and U S constitutional development Pozen shows the plausibility of a constitutional path not taken in the 1960s and 1970s a path that would have led to a less punitive approach to drug control He explains how and why constitutional resistance to drug prohibition collapsed And he offers a roadmap to constitutional reform options available today Consumer Health & Nutrition Index ,1991 *Mental Health and Otherness* Ilana Mountian,2024-12-23 Based on two decades of research in Brazil and the UK this book explores the ways in which intersections of gender race and class affect the positioning of the subject as Other in discourses of health and how the positioning of the subject as Other has implications for health research and mental health practice Drawing on feminist post colonial and decolonial studies psychoanalysis and discourse analysis *Mental Health and Otherness* examines the experiences of immigrants drug users and transsexual people in health and mental health settings and the ways in which stereotypical understandings can affect the subject This book is a study of the discursive construction of ideas about health and mental health in the West and the awareness of processes of othering in clinical practice It will appeal to scholars in psychology sociology and cultural studies with an interest in mental health health care and intersectionality **Culture, Music Education, and the Chinese Dream in Mainland China** Wai-Chung Ho,2018-01-04 This book focuses on the rapidly changing sociology of music as manifested in Chinese society and Chinese education It examines how social changes and cultural politics affect how music is currently being used in connection with the Chinese dream While there is a growing trend toward incorporating the Chinese dream into school education and higher education there has been no scholarly discussion to date The combination of cultural politics transformed authority relations and officially approved songs can provide us with an understanding of the official content on the Chinese dream that is conveyed in today s Chinese society and how these factors have influenced the renewal of values based education and practices in school music education in China *The Publishers Weekly* ,1905 **Guarding the Gates** David Goutor,2011-11-01 From the 1870s until the Great Depression immigration was often the question of the hour in Canada Politicians the media and an array of interest groups viewed it as essential to nation building developing the economy and shaping Canada s social and cultural character One of the groups most determined to influence public debate and government policy on the issue was organized labour and unionists were often relentless critics of immigrant recruitment *Guarding the Gates* is the first detailed study of Canadian labour leaders approach to immigration a key battleground in struggles between different political factions within the labour movement This book provides new insights into labour immigration social and political history **The Chronicle of the**

London Missionary Society ,1905 *Encyclopedia of Contemporary Chinese Culture* Edward Lawrence Davis,2005 First Published in 2009 Routledge is an imprint of Taylor Francis an informa company **The Political Economy of Narcotics** Julia Buxton,2013-07-04 This book explores the origins history and organisation of the international system of narcotic drug control with a specific focus on heroin cannabis and cocaine It argues that the century long quest to eliminate the production trade in and use of narcotic drugs has been a profound failure The statistics produced by the international and domestic narcotic drug control agencies point to a sustained expansion of the drug trade despite the imposition of harsh criminal sanctions against those engaged as producers traffickers or consumers in the narcotic drugs market The roots of this major international policy failure are traced back to the outdated ideology of prohibition which is shown to be counterproductive utopian and a fundamentally inadequate basis for narcotic drug policy in the twenty first century Prohibition championed by many US policy makers has left the international community poorly positioned to confront those changes to the drug trade and drug markets that have resulted from globalisation Moreover prohibition based approaches are causing more harm than good as is demonstrated through reference to issues such as HIV AIDS the environment conflict development and social justice As the drug control system approaches its centenary there are signs that the global consensus on narcotic drug prohibition is fracturing Some European and South American states are pushing for a new approach based on regulation decriminalisation and harm reduction But those seeking to revise prohibition strategies faces entrenched resistance primarily by the U S This important text argues that successive American governments have pursued a contradictory approach acting decisively against the narcotic drug trade at home and abroad while at the same time working with drug traffickers and producer states when it is in America s strategic interest As a result US policy approaches emerge as a decisive factor in accounting for the failure of prohibition **Congressional Record** United States. Congress,1977 *Life and Times in Nazi Germany* Lisa Pine,2016-02-25 Lisa Pine assembles an impressive array of influential scholars in *Life and Times in Nazi Germany* to explore the variety and complexity of life in Germany under Hitler s totalitarian regime The book is a thematic collection of essays that examine the extent to which social and cultural life in Germany was permeated by Nazi aims and ambitions Each essay deals with a different theme of daily German life in the Nazi era with topics including food fashion health sport art tourism and religion all covered in chapters based on original and expert scholarship *Life and Times in Nazi Germany* which also includes 24 images and helpful end of chapter select bibliographies provides a new lens through which to observe life in Nazi Germany one that highlights the everyday experience of Germans under Hitler s rule It illuminates aspects of life under Nazi control that are less well known and examines the contradictions and paradoxes that characterised daily life in Nazi Germany in order to enhance and sophisticate our understanding of this period in the nation s history This is a crucial volume for all students of Nazi Germany and the history of Germany in the 20th century *Resources in Education* ,1999
