*Female Cartoonists in the United States* Hélène Tison, 2021-11-29 This book provides an introduction to women cartoonists in the US, reading their work from a feminist literary and stylistic perspective which shines a light on their innovative and unique narratives and graphic languages. From rabid feminists to blundering teenagers to dyke avengers and pregnant butches, from political satire to memoirs to troubling sexual tales, from caricature to the clear line from realism to minimalism and abstraction, they have done it all. This book looks at the work of over thirty authors who have challenged the boys' club of comics in the US and whose stories shed a revealing light on contemporary society through countercultural ripostes to the patriarchy, raw or humorous confessions, deconstruction of femininity, stories of vulnerability that offer powerful counterpoints to the super bodies of mainstream comics. Non-white and queer cartoonists drawing back and more. This is a key title for students and scholars in the fields of Comics Studies, Literature, and Women and Gender Studies.

*Borderline Vagabond* Zachary Kyle Elmblad, 2015-02-06 *Borderline Vagabond* is the third novel by author Zachary Elmblad. Written between 2010 and 2012, *Borderline Vagabond* describes the events over a weekend trip from Kalamazoo, MI to Chapel Hill, NC in search of the American Dream. After walking out of his job, the *Borderline Vagabond* drains his bank accounts and travels to North Carolina seeking counsel from his friend Hooper Felonious. At his suggestion, the pair drive to a strip club outside Chapel Hill where the vagabond may have stumbled upon his own American Dream. After spending the evening with Jasmine, the dancer he met at the club, the vagabond must decide what he is: a wolf ready to strike or a lamb being led to slaughter. What is the American Dream? How does one seek it? What happens when you catch it? Hooper seems to have found his down south, but will the same hold true for the Vagabond? As Trucker Don would say: you can't find anything that you aren't looking for. Buy the ticket, take the ride.
